Community Planning Partnership

Fermanagh and Omagh Community Planning Action Plan 2024-2028

Theme: People and Communities
Thematic Leads: Director of Community & Wellbeing
Partner Lead: Fiona Teague, Public Health Agency

	How we will measure success:	Action Plan: Core Priorities	Action Plan: What we propose we will do
Outcome 1: Our people are healthy and well – physically, mentally and emotionally. **Outcome 2:** Older people lead more independent, engaged and socially connected lives. **Outcome 3:** Our communities are inclusive, safe, resilient and empowered **Outcome 4:** Our children and young people have the best start in life	1a. Healthy Life Expectancy 1b. Avoidable Mortality 1c. Mental Health Self efficacy 2a. ASCOT 2b. Over 75's Hospitalised due to a fall 3a. Relative Poverty 3b. Cultural Identity 3c. Life Satisfaction People with Disabilities 4a. Children who are overweight or obese 4b. Children on the child protection register 4c. Educational attainment	**Improve Citizen Wellbeing** Creating the conditions for all citizens to enjoy long, healthy, creative and valued lives.	Identify and implement partnership approaches to tackle poverty and disadvantage through targeted programmes of Poverty Support (Anti-Poverty Network) To adopt collaborative practise and planning amongst health care professionals, key statutory service providers and the Community and Voluntary Sector (CVS) to improve access to services, improve health outcomes and address inequalities in the district. (Integrated Wellbeing Network) Continue to develop Fermanagh and Omagh as an Age Friendly District. (Age Friendly Alliance) Work in partnership to maximise the potential of our Children and Young People. (Western Area Outcomes Group)
		Inclusive and Empowered Communities Enabling safe, empowered, resilient and connected communities.	Work collaboratively to build capacity amongst community and voluntary organisations in areas / sectors of identified need. (CVS Grouping - tbc)

Theme: Economy, Infrastructure and Skills
Thematic Leads: Director of Regeneration and Planning
Partner Lead: Ethna McNamee, Invest NI

	How we will measure success:	Action Plan: Core Priorities	Action Plan: What we propose we will do
Outcome 5: Our economy is thriving, expanding and outward looking **Outcome 6:** Our outstanding natural and built environment is sustainably managed, and where possible, enhanced	5a. Number of jobs 5b. Economic Inactivity 5c. Productivity 6b. Heritage at Risk 6c. Commercial Vacancy Rates	Enabling an innovative, inclusive and sustainable Economy (NB: to be further scoped through the development of the Fermanagh and Omagh Inclusive Economy Action Plan and the Place 10X Sub Regional Plan)	Innovative: • Promote greater uptake of businesses accessing relevant innovation supports to enable business growth/scaling and productivity improvements, including adoption of new technology. Inclusive: • Strengthen partnership initiatives to reduce economic inactivity through targeted access to skills and employment (targeted audiences include NR areas; Carers; Long-term sick/those with disabilities) • Advocate at a partnership level for investment in Childcare Provision through the introduction and delivery of NI Childcare Strategy Sustainable: • Scope and progress opportunities for closer links between schools/colleges and business to support local career pathways. • Scope the feasibility of a partnership approach to an investment proposition - Live, Work, Invest in Fermanagh and Omagh Quality Places: • Work with partners to deliver local investment in places and infrastructure through the Mid-South West Growth Deal • Progress delivery of initiatives identified in the Omagh and Enniskillen Place Shaping Plans • Scope and progress appropriate partnership opportunities for investment in the regeneration of rural towns and villages
		Destination Fermanagh Omagh Increasing visitor spend in the district through investment in quality, regenerative visitor experiences which deliver lasting benefits to places and communities.	• Delivery of the Fermanagh and Omagh Visitor Experience Development Plan

Theme: Environment
Thematic Leads: Director of Environment and Place
Partner Lead: Patrick McNulty (WHSCT)

	How we will measure success:	Action Plan: Core Priorities	Action Plan: What we propose we will do
Outcome 6: Our outstanding natural and built environment is sustainably managed, and where possible, enhanced	6a. Carbon emissions 6d. Woodland	**Climate Action** Embed sustainability to ensure progress towards a net zero district.	Demonstrate partnership commitment to work towards a Net Zero District inclusive of opportunities to incorporate adoption of renewable energy. Maximise partnership opportunities to drive positive environmental behavioural change (e.g. Sustainable food, 'Reduce, reuse, recycle' and increased composting etc.)
		Biodiversity Protect, restore and enhance our local environment and biodiversity of the district.	Develop partnership guidance in relation to climate change, biodiversity and energy efficiency to strengthen opportunities for partnership delivery Identify, protect and enhance, where possible, areas rich in biodiversity and which contribute to the overall network of natural environment sites in our Council area

	How we will measure success:	Action Plan: Core Priorities	Action Plan: What we propose we will do
Theme: Partnership and Governance **Thematic Leads:** Director of Corporate Services and Governance **Partner Lead:**			
		One Partnership Ensure an efficient, effective and agile Partnership founded on good governance practices.	• Joined up approach to service provision (reduce duplication) • Consultation and Engagement (lived experiences) • Local research to enhance local knowledge on relevant topics to support operational governance level (Childcare, Productivity etc)

*This document is live and may be amended as new challenges emerge and new priorities are identified through the associated Community Planning Strategic and operational governance structures.
