External Lighting Policy

Introduction.

- 1.1 Fermanagh and Omagh District Council's Corporate Plan 2015/19 sets out the Council's strategic aims, priorities and values. Key to the delivery of the actions within the Plan is the commitment to the "Promotion of Inclusivity & Diversity".
- 1.2 A significant number of requests from charity and other community organisations are received each year to have Council buildings illuminated in a specific colour(s), to help promote their particular event and to increase awareness of their campaign.

Aim.

- 2.1 The aim of the policy is to establish and operate a transparent procedure to mark specific days of significance to various groups within the wider community, and which are associated with a particular colour or colours, by illuminating specific council buildings appropriately.
- 2.2 The policy will also apply to marking events which are organised solely by the Council, or in partnership with another organisation.

Objectives.

- 3.1 By working in accordance with this Policy, Fermanagh and Omagh District Council will:
 - 3.1.1 Facilitate requests from Charitable Organisations to have specific Council buildings illuminated in the official colour which marks their International Day or significant anniversary of 50 years, 100 years and after that in 50 year intervals.
 - 3.1.2 Provide a consistent approach to dealing with requests from charitable and community organisations.
 - 3.1.3 Allow the Council to celebrate the achievements of charitable and community organisations and recognise the importance of their contribution to the area.
 - 3.1.4 Demonstrate the Council's Corporate Social Responsibility.
 - 3.1.5 Promote inclusivity and cultural awareness by recognising days of particular significance to groups within the wider community.
 - 3.1.6 Publish details of those dates which will be marked, in order to further communicate the Council's commitment to supporting the charity.
