Re: SEA Screening Report – Fermanagh and Omagh Community Plan

Dear Mrs Weir

Thank-you for the email of 19 February 2016 enclosing a Strategic Environmental Assessment Determination under the Environmental Assessment of Plans and Programme Regulations 2004 (SEA Regulations) for the Fermanagh and Omagh Community Plan. The Department of the Environment Northern Ireland (DOE NI) have considered the documents and our opinion is set out below.

Strategic Environmental Assessment

Consideration of likely significant effects

We have considered whether the Fermanagh and Omagh Community Plan is likely to have significant environmental effects in line with the requirements of Regulation 9 of the Environmental Assessment of Plans and Programmes Regulations (Northern Ireland) 2004.

DOE NI agrees with the conclusions of the Environmental Assessment Determination Report that the Fermanagh and Omagh Community Plan is likely to have significant environmental effects.

Yours sincerely

M. Hammond
