I believe this plan to be unsound as it has not included Boho in the 'strategic map' and 'settlement hierarchy map'. Boho should be listed as a settlement in the new strategy and I state this as it has the following:

- social housing
- primary school
- playschool
- two churches
- shop
- public house, and
- 51 townlands

As Boho is not currently classified as a settlement, it will be overlooked when planning and making policies for settlements.
