Soundness Test No:

P2 Has the council prepared its Preferred Options Paper and taken into account any representations made? , P3 Has the Draft Plan Strategy been subject to sustainability appraisal including Strategic Environmental Assessment?

Plan Component

Part 1, Section 5.0 Councils Vision and Strategic Objectives

Relevant Policy, Paragraph, Appendix or Proposal Map

Objective number 15

Details

Based on current understanding of sustainability, Human Health protection is a key element in sustaining any economic process. The initial responses from FODC residents in 2016 to the preferred options paper made it clear that public health is seen by our community as vital and must be incorporated into any plan for environmental and economic activity.

So the FODC objective 15 should add in the wording 'and public health' after the word 'environment'. Thus the Sentence should now read 'Sustainably manage and safeguard where appropriate our natural resources including minerals and water, protecting the environment and public health and providing sustainable services including effective and sustainable waste management to meet population needs.
