Details

Given that Policy HOU4 is also applicable in the countryside, it is considered that the full provisions of Policy Policy HS3 of Planning Policy Statement 12 should be incorporated with Policy HOU4. Therefore the following policy element should ne included with Policy HOU4"Exceptionally, and without a requirement to demonstrate need, a single family traveller transit site or serviced site may be permitted in the countryside. Such proposals will be assessed on their merits." Policy HS3 also states "In all cases planning authorities will take full

account of planning, environmental and other material considerations – for example the availability of suitable infrastructure and services.”
