### **Foreword by the Chairperson and Chief Executive**

This is the third Disability Action Plan for Fermanagh and Omagh District Council. It is a statement of our commitment to the promotion of Equality of Opportunity for people with disabilities.

The Disability Action Plan complements our Equality Scheme (approved in February 2017), as well as outlining our commitment to fulfilling the Disability Duties within all areas of the Council.

The Council has a duty to tackle discrimination and disadvantage, so that people feel safe from harassment, and ensuring that everyone has access to high quality services. Our aim is not just to meet our legal duties, but to make disability equality a reality, by putting it at the centre of policy-making, service delivery and employment practice within the Council.

Fermanagh and Omagh District Council is committed to achieving the objectives set out within this Plan and will allocate the necessary resources in order to implement this Disability Action Plan effectively.

The successful implementation of the Disability Action Plan will assist the Council in delivering the vision outlined within the 'Fermanagh and Omagh 2030' Community Plan: **'a welcoming, shared and inclusive Fermanagh and Omagh district where people and places are healthy, safe, connected and prosperous and where our outstanding natural, built and cultural heritage is cherished and sustainably managed'**.
