Why we want you to recycle more at HRCs

People in Northern Ireland are recycling more and more each year. In 2018 Northern Ireland sent 48% of materials for re-use or recycling which is great news, but we need to do more to meet UK targets to recycle 65% of our waste by 2035.

A recent study of our Household Recycling Centres (HRCs) found that much of the waste that goes into waste containers could be recycled. Recycling more will mean reducing the cost of landfill and helps benefit businesses in Northern Ireland who rely on our recycled paper, glass, plastic, food waste and many other materials.

What this means for you

Please pre-sort waste for recycling and reuse prior to your visit to the recycling centre. Our site staff will advise you about which containers to use for recycling and waste disposal. This may include staff asking you to open bags to show that they do not contain recyclable materials. Recyclable items should not be disposed off in landfill skips.

Please retain this guide which lists the wide range of materials that can be recycled at your local HRC.

What you need to do when visiting your Household Recycling Centre

To make your trip to the Household Recycling Centre (HRC) as quick and easy as possible please follow the simple steps below:

- S** **Sort** recyclable and non-recyclable materials at home. Disposal of recyclable items in landfill skips is no longer accepted;
- O** **Organise** your recyclables and waste in your vehicle so that when you visit the HRC you can place items in the correct containers. This will make your visit much quicker;
- R** **Re-use** if you have bulky items such as furniture and paint, these can be re-used – look out for the relevant containers!
- T** **Talk** to our staff – if you are unsure about what can and cannot be recycled please ask, our staff will provide advice on which container to use.

A wide range of materials can be recycled at your HRC:

 cardboard	 paper	 mixed glass bottles & jars	 household plastic packaging
 hard plastics	 garden waste	 batteries	 small appliances
 large appliances	 fridges & freezers	 cooking oil	 mineral oil
 wood & timber	 scrap metal	 carpet	 mattresses
 car batteries	 mixed textiles & clothes	 fluorescent tubes	 tvs & monitors

Please check what materials are accepted at your local HRC by visiting: www.fermanaghomagh.com
