

# What you need to do when visiting your Household Recycling Centre

To make your trip to the Household Recycling Centre (HRC) as quick and easy as possible please follow the simple steps below:

**S** **Sort** recyclable and non-recyclable materials at home. Disposal of recyclable items in landfill skips is no longer accepted;

**O** **Organise** your recyclables and waste in your vehicle so that when you visit the HRC you can place items in the correct containers. This will make your visit much quicker;

**R** **Re-use** - bulky items such as furniture and paint can be re-used - look out for the relevant containers!

**T** **Talk** to our staff - if you are unsure about what can and cannot be recycled please ask, our staff will provide advice on which container to use.

**A wider range of materials can be recycled at your HRC, including:**

 cardboard	 paper	 mixed glass bottles & jars	 household plastic packaging
 hard plastics	 garden waste	 batteries	 small appliances
 large appliances	 fridges & freezers	 cooking oil	 mineral oil
 wood & timber	 scrap metal	 carpet	 mattresses
 car batteries	 mixed textiles & clothes	 fluorescent tubes	 tvs & monitors
