WELCOME TO POSITIVE AGEING MONTH – OCTOBER 2020

The Western Health & Social Care Trust in partnership with Fermanagh & Omagh District Council, Public Health Agency, South West Age Partnership and Community & Voluntary groups would like to welcome you to Positive Ageing Month which is a month-long campaign of events and activities for older people that recognises and celebrates the contribution older people make to their communities and the wider society.

Enniskillen Castle and Strule Arts Centre will light up purple to support and recognise International Day of Older Persons, which is held annually on 1st October, and which kick-starts this year's month-long campaign. Tune into SWAP Facebook and Fermanagh & Omagh District Council Youtube Channel for the live launch of Positive Ageing Month which includes a singing workshop and a warm welcome.

This year, in light of Covid-19, a mixture of activities is being planned that enable older people to connect both virtually through online events, and physically where this is permissible within the Covid-19 guidelines.

A comprehensive programme of events has been developed that encourages older people to take the five steps to well-being; Be Active, Give, Connect, Keep Learning and Take Notice. These 5 steps built into our daily lives can help maintain and improve our health and emotional wellbeing. Have a look and see what's on offer.

At the back you will find an evaluation form – please complete and return. A draw will be held of all the completed evaluations for a small prize!

The details in this brochure were correct at the time of going to print. Each event organiser reserves the right to make changes to the published programme, so please check with the individual venue.

FOREWORD

As Chairman of Fermanagh and Omagh District Council, I am delighted to have been invited to provide a foreword to the programme for the 3rd annual Positive Ageing Month in our district.

One of the core tenets of the Council's new Draft Corporate Plan 2020 – 2024 and the Fermanagh and Omagh Community Plan 2030 is to help and encourage older people to lead more independent, engaged and socially connected lives. One of the actions associated with achieving that objective is to work with partner organisations to develop, support and participate in initiatives which would assist in delivering that goal.

Positive Ageing Month is one such initiative where, in association with its partners Western Health and Social Care Trust, South West Age Partnership and the Public Health Agency, Fermanagh and Omagh District Council has put together an extensive array of events and workshops to promote.

This year has certainly been an extremely difficult one and the Covid-19 pandemic has challenged us all in the way how we have had to adapt to a new normal. We have by circumstances been forced to embrace a new way of living and working.

I am delighted that we have been able to put together such a wide range of activities for you all to celebrate Positive Ageing Month which will be delivered in person and virtually.

In these strange and uncertain times, I am delighted to say that there is something for everybody in the programme and I would encourage as many of you as possible to avail of the opportunity to attend the events whether socially distancing in person or joining events virtually from the comfort of your own home.

Once again, can I express my thanks to our partners, the Western Health and Social Care Trust, South West Age Partnership and the Public Health Agency for their commitment to the project and of course the staff of Fermanagh and Omagh District Council Community Services team who have worked incredibly hard in devising such a full programme throughout the month of October for your enjoyment.

Councillor Chris Smyth, Chairman,
Fermanagh & Omagh District Council

Welcome to Positive Ageing month 2020. It's hard to believe we are here again, it doesn't seem like a

year since we were dancing in the Bawnacre at the 2019 closing event.

This year's programme for October 2020 is a very different one due to Covid-19. We won't be able to meet up and celebrate as we normally do but SWAP, WHSCT and Fermanagh & Omagh District Council have done their best to bring older people in Fermanagh and Omagh an interesting and uplifting programme of activities. Most of these activities and events are online and we understand we won't reach everyone but if you're reading this we have reached you and that's a start.

I hope you find something you will enjoy or you see something that a friend might like. We have also included details of organisations providing services in Fermanagh and Omagh for older people that you might find useful.

Enjoy the activities and I hope to see some of you along the way maybe at an online tea dance or a circus workshop.

Please stay safe and keep well

ANDREW IRWIN

MUSICAL ZEN TO LAUNCH POSITIVE AGEING OCTOBER

The Fermanagh native Andrew Irwin will be bringing musical zen to the launch of Positive Ageing October 2020 with a session teaching us how to find harmony between the mind and body through singing. Well known songs such as Oh Danny Boy, Oh What a Beautiful Morning and Molly Malone will be included. Andrew Irwin studied music at Chetham's School of Music, the Royal Welsh College of Music & Drama, and the Hochschule für Musik und Theater "Felix Mendelssohn Bartholdy" in Leipzig. He has recently performed with Scottish Opera and the Welsh National Opera. Since the Covid-19 lockdown Andrew has played a larger role in the Fermanagh community than ever before; teaching, singing and providing music for care homes.

LIBRARIES NI

Libraries NI is pleased to say that 94 branch libraries have now reopened and resumed normal opening hours. Customers are able to access a range of services including book browsing and borrowing, free Wi-Fi, computer use for up to 60 minutes at a time, low cost printing and photocopying facilities. These branch services are supported by online digital training and immediate and free access digitally to over 17,000 eBooks and audiobooks, 160 eMagazines and 3,000 eNewspapers.

In addition to these services branch libraries are currently operating a new Book and Collect service. The Book and Collect service enables customers to phone their local library to request a selection of books and arrange a contactless collection.

View our online catalogue at www.librariesni.org.uk and check if a particular book/s you are interested in is available in your local library, then phone and speak with a member of staff who will set the book/s aside and arrange a day and time for you to come in and collect. You can also inform staff what genre of books you like to read and/or a particular author you enjoy and staff will select a number of books on your behalf.

We would encourage everyone visiting the library to please adhere to the new operational measures which have been put in place for customer and staff safety. These measures include controls on the number of people allowed in libraries at any one time, use of hand sanitiser, wearing of face coverings where possible, social distancing measures within each library, installation of protective screens and provision of PPE for staff. Returned books will also be stored for a period of time before returning to the shelves.

Out of Hours - At time of print the Out of hours Service has not returned but this is under continual review.

Digital Assistance - Libraries NI website www.librariesni.org.uk hosts numerous help sheets to assist with digital skills, health and wellbeing. An extensive programme to help you get online with Zoom will be held during October. Visit the website for more details. Other digital assistance from Libraries NI is available via a dedicated helpline. Simply phone our digital team on 028 9039 5989 (Mon - Fri 9:15am - 4:45pm) with a brief description of how you need IT help and library staff will phone you within 48 hours with free, helpful advice. Libraries NI also provides a Customer Support Line – 0345 450 4580.

Take5

steps to wellbeing

We know when we are mentally and physically well but sometimes we need a little extra support.

Here are five simple steps to practise every day:

- Connect**
 Connect with the people around you: family, friends, colleagues and neighbours at home, work, school or in your local community. Think of these relationships as the cornerstones of your life and spend time developing them. Building these connections will support and enrich you every day.
- Be active**
 Go for a walk or run, cycle, play a game, garden or dance. Exercising makes you feel good. Most importantly, discover a physical activity that you enjoy; one that suits your level of mobility and fitness.
- Take notice**
 Stop, pause, or take a moment to look around you. What can you see, feel, smell or even taste? Look for beautiful, new, unusual or extraordinary things in your everyday life and think about how that makes you feel.
- Keep learning**
 Don't be afraid to try something new, rediscover an old hobby or sign up for a course. Take on a different responsibility, fix a bike, learn to play an instrument or how to cook your favourite food. Set a challenge you will enjoy. Learning new things will make you more confident, as well as being fun to do.
- Give**
 Do something nice for a friend or stranger, thank someone, smile, volunteer your time or consider joining a community group. Look out as well as in. Seeing yourself and your happiness linked to the wider community can be incredibly rewarding and will create connections with the people around you.

We hope you have enjoyed some of the activities for Positive Ageing October 2020.

The banner features the Streetwise Community Circus (SCC) logo on the left, which includes a stylized figure juggling. To the right of the logo, the text reads "Streetwise Community Circus" in large, bold letters, with "SCC" and the website "sccw.co.uk" and phone number "02890 687828" below. On the far right, there are logos for the Principal Funder (Arts Council), Lottery Funded, The Baring Foundation, and Belfast City Council. The background of the banner shows silhouettes of people engaged in various activities like juggling, dancing, and playing instruments.

Would you like to try something new?

Streetwise in partnership with SWAP are offering free Zoom classes coaching juggling in your own home. It's a lot of fun and all sessions start with a chat and a coffee! No experience is required. An experienced Streetwise coach will lead you through a series of warm up exercises and beginner juggling techniques leading you towards your new skill.

WARM UP SESSIONS:
every Tuesday from 11am-12pm

BEGINNER JUGGLING:
every Thursday from 11am-12pm

To book in please contact Allison on aforbes@southwestagepartnership.co.uk

NO COLD CALLING

Cold calling is the solicitation of business from potential customers who have had no prior contact with the salesperson. It is an attempt to convince potential customers to purchase either the salesperson's product or service.

Cold calling is not illegal. However, any trader that ignores a sticker or notice on your door stating that you do not wish to receive cold calls may be committing a criminal offence. Also, any trader that ignores any requests by you to leave and not return is committing a criminal offence. If someone is at your door and will not leave call the Police on **999**.

Bogus Callers may pretend to be from utility suppliers and other reputable organisations, in order to gain access to your property. Once access has been gained they will steal money and other valuables. Rogue Traders will try and talk householders into paying for the services they are offering. They will often be unqualified to carry out these services and will either do a poor job or may take the payment and not do the job at all. Being targeted in this way can be very upsetting and have a profound effect on the individual who has been targeted.

Callers should always be asked for proof of identity. Genuine callers will be only too happy to provide this information and to wait outside the property until it is verified. You can check a caller quickly by phoning **101** and accessing the Quick Check Service. Trained officers will help to check the identity of the caller at your door. No caller should be given access to the property until the householder is sure they are genuine.

How can I prevent cold calling traders from calling at my home?

Fermanagh and Omagh PCSP is promoting a scheme to deter Cold Callers throughout the district. We are providing residents with stickers which can be displayed on your

window in an effort to deter doorstep callers. The PCSP Cold Caller stickers are designed to make it clear to any would-be cold callers that they are not welcome and we hope that most traders will respect your wishes and the sticker. However, we cannot guarantee that by displaying a sticker you will not receive visits from any cold calling traders.

If traders do ignore your sticker please do let us know, if you have an address for them please let us have it we can ask them not to call at your home again. We may not be able to reply to every request but in the case of an emergency, particularly where a trader is on the scene or a suspected rogue trader is expected to return at a particular time, we will try to get help for you.

Tuesday 6 October at 2.30 pm Greg from Policing Community and Safety Partnership provides information via Fermanagh & Omagh PCSP Facebook and Fermanagh & Omagh DC YouTube Channel.

HALLOWEEN TRICK OR TREAT REUSEABLE BAG

Materials & Equipment:

- ✓ Sewing machine
- ✓ Scissors
- ✓ Measuring tape
- ✓ Thread
- ✓ Paper
- ✓ Pen
- ✓ Fabric (bag) 40-50cm x 40 x 50cm
- ✓ Fabric (Halloween shapes) - 20 cm x 10 cm scraps/ 30cm x 20 cm
- ✓ Cut out shapes can be found on the link and printed out

Join us to get into the Halloween spirit...

Make a spooky or beautiful bag for yourself, a gift or for a child to go trick or treating...

- This is a very simple make, just basic one line sewing skills are needed...
- The fabric needed can be found around your home or you can purchase some halloween theme cotton or polycotton fabric.
- The bag is a great base for any design to be added on top. We are adding something spooky but you can add whatever shapes you wish. The bag can also be made larger or smaller.
- Our video on the Fermanagh & Omagh District Council YouTube Channel (will be shared on SWAP Facebook Page) will show you step by step exactly how to do this.

This craft workshop is delivered through Fermanagh & Omagh District Council Arts Programme.

Join us to make your very own fabric pumpkins, perfect to get you in the spooky mood for Halloween!

- You do not need to be a pro, just a straight-ish stitch on the sewing machine and you can make loads of these to scatter around your home.
- Using fabric and a cinnamon stick these look and smell gorgeous!
- These can be made using any scraps of any fabric you have in your home. An old dress, curtains, cushions, tea towels.... Anything you desire. Or possibly you can grab some Halloween fabric or fabric to match your home...
- These are not difficult to make so let's do loads.... So watch the video once on Fermanagh & Omagh District Council YouTube Channel (will also be shared on SWAP Facebook Page.. Assemble your fabric and tools..

Watch again and away you go... This craft workshop is delivered through Fermanagh & Omagh District Council Arts Programme.

GENEALOGY, GARDENING OR CRAFT CLASSES?

PLACE-EE is a project which encourages older people to access the Internet, this October will see the project deliver a variety of online classes including genealogy, gardening and a variety of crafts. The classes will be delivered via Zoom, and if needed, support will be given on the use of zoom, allowing you to enjoy these classes from the comfort of your own home. If you are interested in learning more about the various courses on offer, have a tablet, smart phone or computer and access to the internet, contact Joanne Cunningham at Fermanagh & Omagh District Council on 0300 303 1777 or joanne.cunningham@fermanaghomagh.com for more information. If you have participated in previous Place EE activities or cultural heritage please log on to the webinar below for an online conference with a range of interesting speakers.

Getting back to your roots!

Monday 5 Oct: 7.30pm - 9.00pm

Ever thought about tracing your ancestry or compiling your own family tree? As part of the PLACE-EE Project, Local Genealogist, Historian and Tour Guide Vincent Brogan, in this one-off Zoom session, will introduce you to basic Genealogy techniques, helping you to get started on that journey of discovery. **Zoom Meeting ID: 967 4763 0208 Passcode: 707238**

Tuesday night is Story night.

Tuesday 6, 13, 20 27 October: 7.30pm - 9.00pm
The PLACE-EE Project invites you to join renowned Storyteller Liz Weir MBE via Zoom each Tuesday night in October 7.30pm - 8.30pm. Grab a coffee, put your feet up and be entertained by stories steeped in myth and legend, some based on a

little bit of truth and others born from a whole lot of imagination.

ENERGY EFFICIENCY GRANT SCHEMES AND ADVICE

Energy efficiency grant schemes are available for owner occupiers or private renters on lower incomes. Measures can include; cavity wall and/or loft insulation or heating upgrades (where the boiler is over 15 years old). To check if you are eligible, please contact Fermanagh & Omagh District Council's Health Improvement Team on 0300 303 1777.

Energy Saving Tips

- Set your heating to switch off 30 minutes before you leave your house.
- Make sure radiators are not obstructed by curtains or furniture.
- Close your curtains at dusk, to retain the heat generated inside your room.
- Use low energy light bulbs (as well as being cheaper to run, they last 10 times longer).
- Turn off household appliances. Do not leave these on standby as this is still using electricity.
- When using the washing machine, use low temperature settings and only when you have a full load.
- When possible, dry clothes outside and NOT in the tumble dryer

SING FOR JOY!

WEDNESDAY
7, 14, 21 & 28
OCTOBER
11am - 12noon

Singing is one of life's little pleasures, whether belting out a number in the shower or humming along with the radio on rainy afternoons. Not only is it fun, but singing has been linked to countless health benefits, both mentally and physically. Our Singing for Joy sessions will help strengthen your lungs, boost your immune system, act as a natural anti-depressant and improve your mental alertness. So warm up your vocal chords and join us every Wednesday in October with tutor Valerie Whitworth. No previous experience required and sessions are delivered online using zoom. Book your FREE place with Allison Forbes on 028 8225 1824/ 07955 787456 or aforbes@southweststagepartnership.co.uk.

Sing for Joy is delivered through Fermanagh & Omagh District Council Arts Programme

HOME SAFETY ADVICE

Fermanagh and Omagh District Council offer free home safety advice for all residents who are over 65 and living within our council area. The checks offer tips on all aspects of home safety, as well as specialist advice on topics like heating and energy efficiency. Participants will also be able to avail of FREE home safety equipment. To book your assessment please call 0300 303 1777.

Accident Prevention Top Tips

- Have your smoke alarm tested on a weekly basis. If you are unable to do this safety, ask a family member or friend to help.
- Have burners serviced annually and chimneys cleaned regularly.
- Have one carbon monoxide detector for every fossil fuel burning appliance situated within the home. Carbon monoxide is a colourless, odourless gas and carbon monoxide poisoning can be fatal. Have your carbon monoxide detector situated as per the manufacturer's instructions and test regularly.
- Wear secure footwear within the home and remove tripping hazards, such as, trailing electrical cables, mats, small furniture and clutter.
- Ensure handrails are fitted on stairways.
- Wipe up any spills as soon as they happen.
- Maintain driveways and paths by clearing leaves and moss.
- To keep children safe, ensure blind cords are out of reach and chemicals are stored in locked cupboards.

Use the information above to complete crossword puzzle

4. It is important to wear this type of footwear when in the home.
6. Cords that can cause falls.
9. Fossil fuel burning appliances should be serviced this often.
10. A potentially fatal colourless, odourless gas.

DOWN:

1. Smoke alarms should be tested this often.
3. When spills should be cleaned up
5. A rootless plant that becomes slippery when wet
7. A wooden bar used to safety guide you when using stairs
8. Another word for a mat that can be a tripping hazard.
