Tender for Supplies & Services: Quarry Materials

TSS39

CLARIFICATION NOTICE

Date: 3rd November 2020

Question 1

Query: Tender Submission

On page 4 of Conditions, Specifications and Tender Form it states “Tenders submitted by fax or electronic mail will not be considered”.

On page 6 it states “Tenders must be returned by email”.

I would be obliged for clarification with regards to this.

Answer 1

The Annual Tender must be returned by e-mail to tenders@fermanaghomagh.com no later than 12 Noon on Monday 9th November 2020. The Conditions, Specification and Tender Form has been updated to reflect this.

Question 2

Query: Pricing Schedule

“All Items must be priced”

With reference to the above, if there is an item within a Lot that is unable to be supplied because it is not available, how do you proceed with pricing of the remaining items. If you cant leave grey box blank, do you just put it in as zero?

Answer 2

All items must be priced, or the tenderer will not be considered for that LOT unless they can provide a similar alternative to that specified.

Question 3

Tender documents are in pdf and word, is the requirement for one set of documents to be completed, signed and submitted.

Answer 3

The pdf contains the complete instructions, conditions, and specification of the Annual Tender. The word version contains all pages which require completion by the tenderer. Please complete the word version along with the excel pricing schedule and return.

Question 4

Items 3.13 and 3.14 are the same item, (per tonne is not printed on row 3.14) does both rows have to be priced?

Answer 4

This is an error on the pricing schedule - these are one Item - Item 3.13

Item 3.14 does not need priced.
