Part 1 – Summary, Explanation and Articles of the Constitution

Summary and Explanation

A Council is required, under section 2 of the Local Government Act (Northern Ireland) 2014, to prepare and keep up-to-date a Constitution.

Fermanagh and Omagh District Council's Constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by law, while others are a matter for the Council to choose. The Constitution is divided into a number of articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in the rules and protocols found at Parts 2 – 6 of the document.

How the Council operates

The Council is comprised of 40 councillors who are elected every four years representing 7 District Electoral Areas (DEAs). Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. All councillors meet together as the Council. Meetings of the Council are normally open to the public. This is where councillors decide the Council's overall policies and set the budget each year. The Council appoints councillors to serve on the various committees and other bodies.

How decisions are made

The Council has a structure of committees on which councillors serve. Meetings of the committees are generally open to the public except where 'confidential' or 'exempt' matters, as defined by the Local Government Act (Northern Ireland) 2014, are discussed.

The Council's staff

The Council has employees working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Officers agree to comply with the Officers' Code of Conduct and there is a protocol in place which governs the relationships between officers and members of the Council.

Citizens' Rights

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes.

In the event of a conflict in any respect between the Articles and the Annexes to the Constitution, a Council shall have regard to the provisions set out in the Articles.

Article 1 - The Constitution

1.1 Powers of the Council

The Council will exercise all its powers and duties in accordance with the law and this Constitution.

1.2 The Constitution

This Constitution, and all its appendices, is the Constitution of Fermanagh and Omagh District Council.

- (b) support the active involvement of citizens in the process of Council decision-making;
- (c) help councillors represent their constituents more effectively;
- (d) enable decisions to be taken efficiently and effectively;
- (e) create a powerful and effective means of holding decision-makers to public account;
- (f) ensure that no one will review or scrutinise a decision in which they were directly involved;
- (g) ensure that those responsible for decision-making are clearly identifiable to local people and that the decision-makers explain the reasons for decisions;
- (h) provide a means of improving the delivery of services to the community; and
- (i) provide a single point of reference for the operating rules of the authority.

1.4 Interpretation and Review of the Constitution

Where the Constitution permits the Council to choose between different courses of action, the Council will always choose that option which it thinks is closest to the statements of purpose in paragraph 1.3 above.

The Council will monitor and evaluate the operation of the Constitution.

Article 2 - Members of the Council

2.1 Composition and eligibility

The Council comprises of 40 members, called councillors. Councillors are elected by the voters of each district electoral area in accordance with a scheme drawn up by the Electoral Office of Northern Ireland. In the majority of cases this will be by co-option of an individual nominated by the political party in whose name the previous individual stood at the last local general election.

Only registered voters of the district, or those living or working there, will be eligible to hold the office of councillor.

2.2 Election and terms of councillors

The regular election of councillors will be held on the first Thursday in May every four years. The next local government election is scheduled to be held in 2023. Part 2 – Responsibility for Functions

Annex 1 – Principles of Delegation

1. Section 7 of the Local Government Act (Northern Ireland) 2014 provides that:

A Council may arrange for the discharge of any of its functions (except those incapable of delegation) to a committee, sub-committee or an officer, or by any other council. Powers which have been delegated may be exercised by the delegating body.

Section 7(3) of the Local Government Act (Northern Ireland) 2014 stipulates that ‘A council’s functions with respect to:

- (a) making a district rate under the Rates (Northern Ireland) Order 1977;
- (b) making a determination under section 13(1) of the Local Government Finance Act (Northern Ireland) 2011 (affordable borrowing limit) and monitoring an amount determined under that subsection;
- (c) borrowing money; and
- (d) acquiring or disposing of land, may only be discharged by the Council itself.

Under the Local Government Act (Northern Ireland) 2014, the Council has been given a general power of competence, enabling it to do anything that an individual might do. This is subject to certain qualifications.

2. Any delegation to a Committee or a Senior Officer (ie Chief Executive, Directors, Heads of Service) shall be exercised in compliance with the Council’s Constitution, any other policies or Conditions imposed by the Council and with the law.
3. In making any decision, regard shall be had to the Council’s Priorities and principles of decision making as set out in Article 6 of the Constitution.
4. A Senior Officer may nominate another named Officer to carry out any powers and duties which have been delegated to that Senior Officer.
5. If any officer to whom a function has been delegated is for any reason unable to act, or if the post of any such officer is vacant, the Chief Executive, or in their absence, any other Director, may exercise the delegated power.
6. In an emergency, the Chief Executive is empowered to carry out any function of the Council.
7. A delegated officer must ensure that, where necessary, they obtain appropriate advice from the Council’s legal, financial and other specialist staff before action is taken.

Annex 2 – Responsibilities for Council Functions

The following table sets out the key matters which stand referred to Council committees, this is not an exhaustive list and should be interpreted broadly. It will be a matter for Council to determine any matters which it wishes to refer to committee. In carrying out its remit each committee is empowered to consult, insofar as it might consider it necessary or desirable, with any other committee of the Council or with any other Council or outside body or person.

Scheme of Delegation: Delegation of Planning Applications, Enforcement and other Planning Matters

Section 31 of The Planning Act (NI) 2011 requires that the Council must prepare a scheme of delegation by which any application for planning permission for a development within the category of local developments or any application for consent, agreement or approval required by a condition imposed on a grant of planning permission for a development within that category is to be determined by a person appointed by the Council.

Part 4, Section 7 of the Local Government Act (Northern Ireland) 2014 allows a Council Committee to delegate certain matters to an officer of the Council. In relation to the scheme of delegation for planning applications, enforcement and other planning matters the person appointed by the Council to exercise delegated powers is the Lead Principal Planning Officer or other Officer nominated by the Chief Executive or relevant Director other officers nominated by the Lead Principal Planning Officer.

The scheme of delegation for the determination of planning applications was agreed by Fermanagh and Omagh District Council at its meeting of 21 April 2021 and subsequently approved by the Department for Infrastructure on 27 April 2021. The approval is in accordance with Section 31 of The Planning Act (NI) 2011. The scheme of delegation takes effect from 28 April 2021.

Part A – Mandatory applications for determination by the Planning Committee

Statutory requirements require that certain types of application must be determined by the planning committee and these cannot therefore be delegated to officers:

- Applications which fall within the Major category of development;
- An application for planning permission where the application is made by the Council or an elected member of the Council; and
- The application relates to land in which the Council has an interest.

Part B – Delegated Applications

To determine all local development applications, whether for approval or refusal, with the exception of:

- Applications which are significant departures from the Development Plan and which are recommended for approval;
- Applications submitted by an employee of the Council (or close relatives, that is, spouse, partner, child(ren), parent(s) or sibling(s)) involved in the consideration of planning applications, including senior council staff;
- Applications made by a close relative (that is, spouse, partner, child(ren), parent(s) or sibling(s)) of an elected member of the Council;
- Applications attracting material objections from statutory consultees, where the officer's recommendation is to approve;
- Applications which a member of the Planning Committee considers should be referred to Committee for determination following publication of the list of new planning applications or notification of a recommendation to refuse a planning application or approve a planning application where there is an objection. A referral must be made in writing within 3 weeks from the notification of new planning applications or within one week from the notification to refuse planning permission or approve permission where there is an objection. A material planning reason eg a reason relating to planning policy, must be given for such a referral;
- Applications which the Lead Principal Planning Officer considers that the proposal merits consideration by the Committee eg an application subject to an Enforcement Notice where the recommendation is to refuse permission;
- A legal agreement is required; or
- Applications for mineral exploration which will be determined by the Council.

Part C – Delegation of Enforcement

As well as determining planning applications, the Planning Committee will also have to administer the enforcement of planning. The following matters are delegated to the appointed officer:

- The investigation of formal planning enforcement proceedings through the issuing of enforcement notices, listed building enforcement notices, breach of condition notices, stop notices, temporary stop notices, fixed penalty notices, submission notices and planning contravention notices.

Part D – Delegation of the determination of other consents and planning matters

The following matters are delegated to the appointed officer:

- The serving of a provisional Tree Preservation Order;
- Determination of any application for a certificate of lawful development and all other notifications under the Planning (General Permitted Development) Order 2015 with the exception of Part 16 Permitted Development Rights notifications which will be determined by the Council;
- Determination of any application for listed building consent;
- Determination of any application for conservation area consent;
- Determination of any application for advertisement consent;
- Determination of any application to carry out works to protected trees;
- Determination of any hazardous substance consent;
- Serving of a temporary listed building preservation notice;
- Applications for Non-Material Changes;
- Discharge of planning conditions;
- Determination of a revocation order (where there is agreement with the applicant); and
- The screen of and determination of decisions on development proposals required under the Environmental Impact Assessment or Habitats Regulations.

With the exception of any application made by an employee of the Council (or close relatives, that is, spouse, partner, child(ren), parent(s) or sibling(s)) involved in the consideration of the application, including senior council staff, or by a close relative of an elected member of the Council.

A General

- A.1 The Local Government Finance Act (Northern Ireland) 2011 (the 2011 Finance Act) makes provision for a District Council to make arrangements for the proper administration of its financial affairs. Part 1 of the 2011 Act also makes provisions for:
- A Chief Financial Officer;
 - Accounting practices;
 - Annual budget;
 - Council Reserves;
 - Council Funds;
 - Council Borrowing and Credit Arrangements;
 - Capital expenditure and Capital Receipts; and
 - Investment.
- A.2 To conduct its business efficiently, the Council needs to ensure that it has sound financial management in place and that roles and responsibilities are formally defined, documented and adhered to. This process is aided by the production of four key documents:
- The Financial Regulations;
 - The Standing Orders;
 - The Scheme of Delegation; and
 - The Accounting Manual.
- A.3 The Financial Regulations must comply with the 2011 Finance Act and other relevant legislation and regulation. They set out the overarching financial responsibilities of the Council and its staff and provide the framework within which the Council's financial affairs are to be managed. The Financial Regulations reflect best practice and provide a practical source of advice to assist all Officers in the discharge of their duties.
- A.4 The Financial Regulations link with other internal regulatory frameworks which form part of the Council's Constitution. They have been developed in line with the requirements of the Local Government Act (Northern Ireland) 2014 and are supplemented by more detailed financial procedures included within the Accounting Manual.
- A.5 The Financial Regulations provide clarity about the accountability of key individuals and groups including the Chief Executive, the Director of Corporate Services and Governance, Directors, other key officers and Committees.
- A.6 The Chief Executive is for the purpose of Part 1 of the Local Government Finance Act (Northern Ireland) 2011 the Chief Financial Officer of Fermanagh and Omagh District Council and may, subject to Standing Orders and any resolutions of the Policy and Resources Committee or the Council, do all things necessary to secure the proper administration of the Council's financial affairs. The Chief Executive has delegated the day-to-day operation of the Financial Regulations to the Director of Corporate Services and Governance.
- A.7 Each Director shall consult the Director of Corporate Services and Governance concerning any matter within his/her area of responsibility which is likely to have a material impact on the finances of the Council before either incurring any commitment or liability, whether provisional or otherwise, or by reporting the matter to a committee.
- A.8 The Director of Corporate Services and Governance will notify Directors of additional Regulations and amendments to existing Regulations following approval by the Policy and Resources Committee and may expand on these regulations, where necessary, by issuing instructions, guidance notes, circulars etc.
- A.9 The Policy and Resources Committee must approve any variation to, or waiver of, the application of these Regulations.

B Responsibilities for the Operation of Accounting Systems

- B.1 The Council has a statutory responsibility to prepare its Accounts to present a true and fair view of the financial performance and results of its activities during the year and is responsible for approving and publishing those Annual Statements of Accounts in accordance with the timetable specified in the Accounts and Audit Regulations (Northern Ireland) 2015.
- B.2 The Council will properly account for all financial transactions and maintain its Accounts in agreement with statutory requirements and professional standards as prescribed by the Chartered Institute of Public Finance and Accountancy (CIPFA) Code of Practice on Local Authority Accounting in the United Kingdom ("the Code"). The Director of Corporate Services and Governance shall decide on all the accounting procedures and records that Council should adopt in accordance with the Code, consulting with other Directors as appropriate.
- B.3 The Chief Financial Officer is responsible for ensuring that the Council prepares the Annual Statement of Accounts in compliance with "the Code", The Department for Communities (DfC) Accounts Directions and other relevant accounting standards and statutory provisions.
- B.4 Any proposed new or amended financial system must be agreed in advance with the Director of Corporate Services and Governance.
- B.5 Each Director is responsible for the conduct of the financial affairs within his/her directorate in line with Council Policy and Procedures and for ensuring that an appropriate audit trail exists. He/she must also establish proper security and confidentiality over these procedures and records and in doing so must comply with the requirements of the General Data Protection Regulation 2018.

C Internal Audit

- C.1 The purpose, authority and responsibility of Fermanagh and Omagh District Council's Internal Audit function is defined in the **Internal Audit Charter**.
- C.2 The requirement for Internal Audit is laid down in the Local Government (Accounts and Audit) Regulations (Northern Ireland) 2015, "A local government body must undertake an adequate and effective internal audit of its accounting records and of its system of risk management, internal control and governance processes using internal auditing standards in force from time to time".
- C.3 Internal audit is governed by Public Sector Internal Audit Standards (PSIAS). The PSIAS sets out the responsibility for the 'Chief Audit Executive' to ensure compliance with the standards. There is no requirement within the PSIAS to adopt this job title and for simplicity the preferred term for the Chief Audit Executive is the Internal Auditor.

Definition and Purpose

- C.4 Internal Audit is an independent, objective assurance and consulting activity designed to add value and improve an organisations' operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. (PSIAS definition)
- C.5 The Council has a shared Internal Audit Service and the scope of the service covers the Council's entire control environment and allows for unrestricted access to all records and assets deemed necessary within the course of the audit. In addition, where necessary, Internal Audit will have unrestricted access to the Chair of the Audit Panel, the Chief Executive, Members, Individual Directors/Heads of Service and all employees.
- C.6 Internal Audit will provide assurance services to management, the Councillors and the Audit Panel in terms of reviewing the adequacy of the systems of governance, risk management and internal control across the Council. Internal Audit will also provide a consulting role in helping promote and facilitate the development of effective systems of governance, risk management and internal control.
- C.7 In addition, and subject to availability of resources, Internal Audit will seek to respond to management's requests for other reviews and investigations, addressing these issues remains the responsibility of management.
- C.8 In order to achieve its objectives effectively, Internal Audit must be seen to be independent. This is achieved by:
- Organisational status of Internal Audit and the objectivity of Internal Audit;
 - Ability to report to all senior management and to Members;
 - Not being part of systems and procedures being audited and ensuring that Internal Audit is free from any conflicts of interest; and
 - Where Internal Audit is asked to provide any services in a consultancy role, this should be made clear in the project brief.

Authority and Access Rights

- C.9 The Local Government (Accounts and Audit) Regulations (Northern Ireland) 2015 states that, "any Officer or Member of a Local Government Body shall, if internal audit requires, make available any such documents of the body which relate to its accounting and other records, as appear to that body to be necessary for the purposes of the audit and supply the body with such information and explanations as the body considers necessary for that purpose".
- C.10 Internal Audit shall therefore, have:
- unrestricted access to all Council records, assets, personnel and premises;

- the authority to obtain such information and explanations as it considers necessary to fulfil its responsibilities;
- require any employee to account for cash, stores and any other Council asset under their control; and
- access records belonging to third parties i.e. contractors and partner organisations, when required (this must be written into all agreements and contracts entered into with third parties).

Responsibility

C.11 Internal Audit's main areas of responsibility are:

- Agreeing a long-term audit strategy with the Audit Panel, based on an audit needs assessment of all of the Council's activities;
- Agreeing an annual audit plan with the Audit Panel and carrying out the agreed work in line with appropriate professional standards;
- Reviewing, appraising and reporting on: the extent to which assets and interests are accounted for and safeguarded from loss; the soundness, adequacy and application of internal controls; the suitability and reliability of financial and other management data; identification and management of business risks; and compliance with laws, regulations, established policies, procedures and good practices;
- Providing assurances, opinions and making recommendations to improve processes and systems where appropriate;
- Following up recommendations made to evaluate action taken;
- Reporting to the Audit Panel and the Chief Financial Officer any significant business risks, serious control weaknesses, significant fraud or other major control breakdown;
- Liaising with External Audit;

- Providing performance measures to demonstrate effectiveness of the Internal Audit service;
- Producing an annual report for the Audit Panel and the Chief Financial Officer giving an opinion on the Council's control environment; and
- Helping to keep the Audit Panel informed of perceived best practice.

Fraud

C.12 Internal Audit does not have responsibility for the prevention or detection of fraud and corruption, however, Internal Audit will be alert in all their work to risks and exposures that could allow fraud or corruption and to any indications that fraud or corruption may have been occurring. In line with the Fraud and Corruption Policy, Internal Audit will be notified of all suspected or detected fraud, corruption or impropriety.

Reporting

C.13 The Internal Audit function reports to the Audit Panel and has direct access to the Chief Financial Officer and Chair of the Audit Panel. For administrative and budgetary purposes, Internal Audit operates within the Directorate of Corporate Services and Governance.

C.14 All Internal Audit assignments will be the subject of formal reports. Draft reports will be sent to the Director of the department under review for agreement to the factual accuracy of the findings. After agreement, the reports will be issued to the relevant Director. The reports will also be issued to the Chief Executive and the Audit Panel ahead of each meeting of the Audit Panel.

Audit Panel

C.15 The purpose of an Audit Panel is to provide independent assurance of the risk management framework and the associated control environment; independent scrutiny of the Council's financial and non-financial performance to the extent that it affects the Council's exposure to

risk and weakens the control environment; and to oversee the financial reporting process alongside the Council's arrangements to secure continuous improvement in its functions.

- C.16 The membership of the Audit Panel is made up of six members of the Council (cross-party representation) who are appointed for the term of the Council and two externally recruited independent members who attend in a non-voting capacity. The Chairperson of the panel is appointed at the first Annual General Meeting of each new Council for the term of the Council. Members of the Audit Panel will not hold the chair of any other panel or committee as this could give rise to a perceived conflict of interest.
- C.17 The Audit Panel will meet at least four times a year and a minimum of three elected members of the Audit Panel will be present for the meeting to be deemed quorate. In reaching a position where it can certify the Annual Statement of Accounts, the NIAO may place reliance on the work of Internal Audit. The degree of reliance is a matter for the NIAO. Internal Audit will seek to maintain effective relationships with external audit by avoiding duplication of work by consulting on respective plans.
- C.20 Part 12 of the Local Government Act (NI) 2014 places a statutory duty on the Local Government Auditor to report whether a council has discharged its duties in relation to improvement planning, the publication of improvement information and the extent to which each council has acted in accordance with the Department's guidance 'Improvement Audit'; and to assess annually whether a council is likely to make the required arrangements to secure continuous improvement in that year 'Improvement Assessment'. - F.5 On an annual basis, and at the time when the revenue estimates are formulated, each Director shall review and propose levels of all fees and charges under his/her remit and present a report and recommendation to the relevant committee detailing proposed fees for the forthcoming year.

Capital Expenditure

- F.6 Capital expenditure results in the acquisition of, or the construction of, or the addition of subsequent costs to noncurrent assets (tangible and intangible) in accordance with section

The Department may also, by direction, provide that expenditure of a particular council shall be treated for the purposes of Section 19 as being, or not being, capital expenditure.

Options Appraisals (Economic Appraisals and Business Cases)

- F.8 In order to comply with the Local Government Finance Act (Northern Ireland) 2011 and the Prudential Code an options appraisal, including an assessment of long-term affordability is necessary to justify capital investment. The Council has developed an Options Appraisal Policy which can also be applied to revenue expenditure and is available at:

- F.11 Financing of capital expenditure can come from a variety of sources, such as Grants, Capital Receipts and Borrowing. In order to account for the repayment of the Council's borrowing, irrespective of when the timing of loan receipts and payments might take place, the council will make an annual prudent provision for repayment through a charge to the General Fund referred to as Minimum Revenue Provision (MRP).
- F.12 The Council has a statutory requirement, to charge to its general fund, an amount of Minimum Revenue Provision (MRP) which it considers to be "prudent" under Regulation 6 of the Local Government (Capital Finance and Accounting) Regulations (Northern Ireland) 2011. The regulations also state that authorities are required to prepare an annual statement of their policy on making MRP for approval by the Council. The Council will need to consider its calculation of the Capital Financing Requirement (CFR) when making an assessment of the level of MRP required. MRP should make provision for re-payment of the CFR over the medium-term.

1. Background

Fermanagh and Omagh District Council (the Council) require goods, services, construction works and other supplies to efficiently meet the needs of the Council.

Procurement:

- is the process of obtaining or buying these goods, services, construction works and other supplies usually by means of a contractual arrangement after public competition to fulfil the strategic objectives of the Council;
- is a strategic process which follows a clearly defined method (i.e. applying effective and up-to-date procurement procedures and processes);
- includes the processing of a demand/requirement as well as at the end receipt and spans the whole life cycle of the asset or service contract from initial conception and definition of the needs of the service through to the end of the useful life of an asset or the end of a contract which should generate benefits not only for the Council but also to society and the economy whilst minimising damage to the environment; and
- seeks to achieve 'value for money' i.e. the most advantageous combination of cost (whole life cost), quality (meeting a specification which is fit for purpose and meets the Council's requirements) whilst maximising social value, minimising environmental impacts and ensuring fair treatment throughout the supply chains (economic, social and environment benefits). Important quality criteria include efficiency, longevity, production methods and social value.

The award of grants is not included within the activity of procurement however, grant recipients are expected to apply the Council's Procurement Policy to their expenditure.

The Policy is based on the EU procurement principles of equal treatment, non-discrimination, proportionality and transparency. It has been prepared taking account of the NI Public Procurement Policy and current relevant UK and EU legislation.

2. Aim

The Fermanagh and Omagh 2030 Community Plan outlines 4 Themes and 9 shared outcomes and this Policy aims to achieve a number of outcomes across 3 of these Themes:

- Theme 2: Economy, Infrastructure and skills;
- Theme 3: Environment; and
- Theme 4: Supporting Service Delivery.

The supporting Council Actions makes clear the commitment of the Council to direct and govern the way in which it does business. It also provides opportunity for further development and will enable the Council to respond to the changing public sector procurement environment and legislative requirements.

This Policy aims to support the delivery of those Actions in a consistent manner which

makes the best use of available resources whilst achieving value for money and constantly seeking continuous improvement along with contributing towards the Council Values and Outcomes included in the Council's Corporate Plan 2020-2024.

In order to ensure that the Procurement Policy is viable as well as meaningful, supporting both value for money and operational effectiveness, implementation of the Policy will be undertaken according to spend threshold (Section 12), category risk/opportunity and the market maturity of the contract in question as well as complying with Procurement Regulations, Best Practice Guidance and all relevant Council Policies.

3. Scope

The Policy is applicable to all employees (and agency workers) of the Council who have a role in procuring goods, services and construction works.

Consultants working on behalf of the Council who are involved in the procurement process must ensure their documentation complies with this Policy.

4. Objectives

By working in accordance with this Policy the Council aims to ensure that:

- (i) Goods, services, contract works and other supplies are properly procured to meet the needs of the Council;
- (ii) Value for money is achieved in the procurement process;
- (iii) The procurement process is high quality, clear, open and transparent;
- (iv) Compliance with relevant legislation and guidance is achieved;
- (v) Procurement Principles are defined;
- (vi) The procurement process is as straightforward as possible for the Council and potential suppliers and raises supplier awareness;
- (vii) There is consistency in approach which includes standard documented procurement procedures utilised by officers who have undertaken training on the Procurement Policy and Procedures;
- (viii) Responsible Procurement including sustainability and social value considerations in procurement activities is considered within procurement processes;
- (ix) Procurement is undertaken in a professional manner which seeks to share best practice and includes participation in the Local Government Procurement Group;
- (x) The processes focus on continuous improvement in terms of quality, effectiveness and efficiency; identifies opportunities for collaborative working between Council departments and with other Councils; and which continually seeks to improve the way in which the Council's procurement function and processes operate.

These objectives are consistent with the shared values and principles of the Community Plan which promote Openness, Accountability and Transparency; Equality, Inclusivity and Diversity; Sustainability, Social Value and Continuous Improvement.

5. Policy Responsibility

The Director of Corporate Services and Governance has overall responsibility for the Procurement Policy. All employees are expected to follow this Policy and take the appropriate action to meet the aims and objectives.

6. Review

The Procurement Policy will, under normal circumstances, be reviewed every two to three years, and, from time to time, updates will be re-issued and circulated.

However, the Policy will be reviewed sooner in the event of any one or more of the following:

- Failure or weaknesses in the Policy is highlighted;
- Changes in legislative requirements; or
- Changes in Council/Government or other directives and requirements.

7. Linkages (to other policies)

This policy provides the framework for undertaking procurement on behalf of the Council and is supported by procurement procedures. The policy should be read in conjunction with the Council's Financial Regulations which are included in the Council's Constitution, the Council's Fraud and Corruption Policy; Payments Policy; Credit Card Policy; the Council's Fair Trade Guiding Principles; the Options Appraisal Policy; and the Council's Climate Change and Sustainable Development Strategy.

8. Procurement Approach

The Council adopts a hybrid approach whereby a central procurement function supports trained and competent staff within directorates.

However ultimate responsibility for procurement resides in the Council service area where the expenditure is being incurred. The Council aims to ensure that each directorate has sufficient capacity to implement the Council's procurement policies and processes.

The Council has in place procurement limits but, where appropriate, the use of Government Procurement Service Frameworks and other relevant frameworks will be explored. Collaborative procurement opportunities should also be considered where relevant.

Regularly used supplies, services and works will be procured through the 'tenders for services and supplies' process. These will be reviewed at appropriate intervals.

9. Procurement Principles

The 12 principles guiding public procurement in Northern Ireland (Public Procurement Policy in Northern Ireland), which complement the shared values and principles of the Fermanagh and Omagh 2030 Community Plan, will be applied to all Council procurement:

The twelve procurement principles are:

1. **Accountability:** Effective mechanisms must be in place in order to enable Council Officers to discharge their personal responsibility on issues of procurement risk and expenditure.
 - Council officers in the relevant departments will be **accountable** for the procurement process. Council officers will have a sufficient understanding of procurement procedures and legislation and maintain high professional standards as well as retain full documentation to evidence a transparent and clear procurement process.
2. **Competitive Supply:** Procurement should be carried out by competition unless there are convincing reasons to the contrary.
 - Procurement will be carried out in a competitive manner in line with the Council's procurement limits.
3. **Consistency:** Suppliers should, all things being equal, be able to expect the same general procurement policy across the public sector.
 - All suppliers will be treated in a consistent manner across all departments.
4. **Effectiveness:** Public bodies should meet the commercial, regulatory and socio-economic goals of government in a balanced manner appropriate to the procurement requirement.
 - The Council will put in place mechanisms in which the procurement method will be effective by affording appropriate consideration to the goods, services and construction works being procured.
 - All major procurement shall consider the impact on the social, economic and environmental well-being within the District.
 - Social considerations will be included in the procurement process provided they are considered when appraising options and relate to the subject matter of the contract or the performance of the contract.
5. **Efficiency:** Procurement processes should be carried out as cost effectively as possible.
 - The procurement process will be carried out as cost effectively as possible. All major procurement will have due regard to the issue of Sustainability and Social Value and early decisions will be taken to ensure that procurements are developed so as to encourage delivery in the most efficient manner meeting the needs of the end user within budget.
6. **Fair-dealing:** Suppliers should be treated fairly and without unfair discrimination, including protection of commercial confidentiality where required. Public bodies should not impose unnecessary burdens or constraints on suppliers or potential suppliers.
 - The Council will endeavour to treat everyone in an equitable and fair manner regardless of religious belief, political opinion, racial group, age, marital status,

sexual orientation, between men and women generally, between persons with a disability and persons without and between persons with dependants and persons without.

- Suppliers should be treated fairly and without unfair discrimination including protection of commercial confidentiality where relevant. The tendering process should not place unnecessary burdens or constraints on current or potential suppliers.

7. **Integration:** In line with the NI Executive's policy on joined-up government, procurement policy should pay due regard to the Executive's other economic and social policies, rather than cut across them.

- The Policy will integrate with other policies and will take account relevant legislation, best practice and guidance.

8. **Integrity:** There should be no corruption or collusion with suppliers or others.

- All Council officers will conduct themselves with integrity in a professional and ethical manner at all times. There will be no corruption, bribery or collusion with suppliers. Such behaviour will not be tolerated by the Council.
- The risks associated with all procurement shall be assessed and minimised accordingly.

9. **Informed decision-making:** Public bodies need to base decisions on accurate information and to monitor requirements to ensure that they are being met.

- Accurate, timely information will provide the basis for informed decision making with the purpose and intended outcomes of the procurement always kept in mind.

10. **Legality:** Public bodies must conform to European Union and other legal requirements.

- All Council procurement will be carried out in line with relevant legislation and guidance.

11. **Responsiveness:** Public bodies should endeavor to meet the aspirations, expectations and needs of the community served by the procurement.

- The Council's procurement process should result in an end product which is responsive to the needs of the end user identified at the initiation phase of the procurement within budget and on time.

12. **Transparency:** Public bodies should ensure that there is openness and clarity on procurement policy and its delivery.

- The Council's procurement process should be transparent; open and clear.

10. Responsible Procurement

Social Value objectives are addressed in the 2014 Public Contracts Regulations and the Public Services (Social Value) Act 2012. In Northern Ireland, the Northern Ireland Procurement Board agreed a standard approach ('**Buy Social**' Model) to be used in the procurement of construction projects from April 2016. The Buy Social model was developed by the Strategic Investment Board and Central Procurement Directorate seeks to maximise the benefits from public procurement in terms of personal well-being, social

cohesion and inclusion, equal opportunities and sustainable development. The Model does not apply to Local Government but will be considered within the Council's procurement to formally embed social value into all procurement processes, influenced by the Council's Corporate Plan 2020-2024 and associated strategies and policies. Sustainability is most often defined as meeting the needs of the present without compromising the ability of future generations to meet theirs and its main principles focus on the economy, the environment and society and it is inextricably linked to social value.

Responsible Procurement encompasses both Social Value and Sustainability and recognises the Council's responsibility to procure value for money goods, services, works and utilities, whilst maximising social value, minimising environmental impacts and ensuring the ethical treatment of people throughout its supply chains. The Council recognises **Three Pillars of Responsible Procurement** as follows:-

Pillar 1: Social Value

Leveraging service and works contracts to protect and enhance the health and wellbeing of local people and the local environment, providing skills and employment opportunities and promoting the local economy.

- Protecting people and the environment by ensuring Health and Safety is an inherent part of the procurement process;
- Promoting social inclusion, equality and community benefit by including work-related opportunities, employability and apprenticeships in relevant contracts
- Supporting local economic regeneration by paying the living wage and ensuring that supply chain opportunities are accessible to Small and Medium Enterprises, Social Enterprises and the Voluntary and Community Sector.

Pillar 2: Environmental Sustainability

Minimising environmental impacts, promoting animal welfare and improving efficiency throughout the supply chains of all goods, services and works procured.

- Sourcing lower impact materials and methods and promoting sustainable food, farming and animal welfare
- Maximising resource efficiency by considering whole life costs and seeking to reduce waste
- Mitigating and adapting to climate change by ensuring energy efficiency and promoting renewable and carbon energy

Pillar 3: Ethical Sourcing

Ensuring that human rights and employment rights are protected throughout the Council's supply chains and encouraging responsible business practices within the procurement process.

- Ensuring human and labour rights
- Ensuring legal and fair employment practices
- Contracting with responsible businesses

Responsible Procurement will be balanced and guided by use of available resources whilst achieving value for money and constantly seeking continuous improvement and will contribute towards the Council Values and Outcomes included in the Council's Corporate Plan 2020-2024.

In order to ensure that Responsible Procurement is viable as well as meaningful, supporting both value for money and operational effectiveness implementation of the

Three Pillars will be undertaken according to spend threshold, category of risk, opportunity in any procurement and the related market maturity.

The Council aims to incorporate the following 10 steps to delivering Responsible Procurement through Procurement into its processes:

1. Maintain a 'Request for Quotation' Supplier Database – Local suppliers are encouraged to register their interest in participating in quotation exercises. The Council actively promotes the opportunity to take part in procurement exercise to local businesses.
2. **Engage with Suppliers** to provide support and guidance to local suppliers, Small and Medium Enterprises (SMEs), Social Enterprises (SEs) and the Voluntary and Community Sector in terms of building capacity and knowledge /skills in relation to participating in Council procurement and other public sector procurement opportunities. This will include encouraging contractors to source materials locally where appropriate.
3. **Use of Lots** to encourage participation of SMEs, SEs and the Voluntary and Community Sector and inclusion of a clause requiring Tenderers to pay sub-contractors within 30 days. Any proposed outcomes identified should be proportionate and relevant to the specification of the procurement.
4. **Publish future Tender** opportunities to allow SMEs, SEs and the Voluntary and Community Sector time to prepare for future procurement opportunities.
5. **Work to continuously improve and streamline procurement processes** to ensure that unnecessary burden is not placed on supply base and to ensure that all tender documents includes maximum and relevant Responsible Procurement objectives and requirements and includes Responsible Procurement in Quality Criteria of relevant procurement opportunities.
6. **Business cases** – ensure responsible procurement is considered from the beginning of the procurement process and identify any opportunities to link responsible procurement considerations to the subject matter of the contract, which must be proportionate to the value of the contract. Where responsible procurement is not clearly linked to the subject matter of the contract consider use of a contract condition / voluntary requirement.
7. **Pre-Tender Form** – require the consideration of responsible procurement within each Tender
8. **Work to identify contracts** that are suitable for the incorporation of defined responsible procurement criteria relating to the employment of long term unemployed, provision of apprenticeships or provision of training opportunities and ensure selection criteria appropriately addresses equal opportunity, fair trade, fair employment and eliminate modern slavery and Investigate the possibility of partnering with local educational or training organisations with the view of encouraging training opportunities for local students within supply base through voluntary clause in procurement documents.
9. Ensure **Responsible Procurement clauses** are included in Tender documents for Building Contracts, Civil Engineering Contracts and Services Contracts in line with Northern Ireland Procurement Board recommendations. Engage with Strategic

Investment Board (SIB) regarding the Council's Capital Plan to identify opportunities for incorporation of appropriate responsible procurement clauses and use mandatory government buying standards in procurement specifications wherever possible. Ensure climate change resilience is maximised by opting for sustainable, durable solutions in the face of changing temperatures and weather patterns and the environment is protected by minimising terrestrial, marine and air pollution and enhancing and protecting local biodiversity.

10. **Specifications** – ensure all relevant procurement specifications (including fleet and vehicle specifications) seeks to improve energy efficiency and maximises energy supply from renewable sources and encourages zero-carbon travel.

11. Procurement – Approvals

The table below details the Procurement and Approval Limits to be followed in the procurement process and the responsibility of Council Officers.

Where the required number of quotations has not been received, the officer responsible for seeking the quotations must complete a Procurement Authorisation Form documenting the process followed and the rationale for proceeding, this must then be authorised by the relevant Head of Service/Director before the purchase can proceed.

Once the quotations/tenders have been assessed electronic requisitions must be raised and electronic purchase orders must be approved by authorised Officers, a list of which is maintained by the central procurement function.

Approval to proceed to Tender and award to the Most Economically Advantageous Tender is required in line with the Authorisation and Procurement limits.

Officers will assess Tender submissions in line with the Tender Criteria and will proceed to award unless the Most Economically Advantageous submission is above the pre-tender estimate or only one tender has been received in this instance approval will be sought in line with the Authorisation and Procurement Limits. A Monthly report detailing all Tenders awarded will be reported for information to committee, details of the pre-tender estimate will be included within this report

- 16.4.5 The implementation of a decision shall be postponed (unless the total level of

support for the call-in falls below 15% of the members) until the call-in has been resolved. The decision-maker may rescind the decision at any time prior to the call-in being resolved.

- 16.4.6 The Chief Executive shall place a call-in on the agenda of the overview and scrutiny committee specified in the notice prepared in accordance with sub-paragraph (2) of this standing order. - 16.4.7 Subject to sub-paragraph (7) of this standing order, the consideration of a matter under sub-paragraph (5) of this standing order by an overview and scrutiny committee may be adjourned, provided that:

- (i) allow for additional information to be obtained; or
 - (ii) permit additional witnesses to attend.
- 16.4.9 The members who submitted the call-in, or a member on their behalf, shall be invited to attend the meeting at which the decision subject to the call-in is considered and may, upon the request of the chairperson, address the meeting, but shall not have voting rights.
- 16.4.10 In response to a call-in made in accordance with section 41(1)(a) of the 2014 Act, an overview and scrutiny committee may:
- (i) support the decision; or
 - (ii) refer the decision, along with the recommendation of the overview and scrutiny committee, back to the decision maker.

21.5 The call-in process - Council arrangements

- For the purposes of reconsideration of a decision pursuant to a call-in under Standing Order 21.1(f) the summary of decisions taken at meetings shall be published in draft within two working days of the conclusion of the meeting. - At a council meeting the council may, in relation to a decision referred to it under paragraph 21.5(3) of this Standing Order:
 - (i) refer the decision for further consideration by a committee where the subject matter of that decision falls within the remit of the committee;

 - (iii) overturn the decision.
- Where a decision has been supported in accordance with sub-paragraph (5) of this standing order, that decision shall:

- a. the number of committees to be appointed; and
 - b. the number of councillors that shall constitute the membership of each committee.
- 23.2 The total number of places to which a nominating officer of a party may nominate councillors who stood in the name of that party when elected must be calculated in accordance with paragraphs 2 to 4 of Schedule 2 to the 2014 Act and any resolution of the Council made thereunder.
- 23.3 A nominating officer's function under paragraph 2(1)(b) of Schedule 2 to the 2014 Act shall be exercised in such manner as to ensure that:
- a. all members of a committee are not nominated by the same nominating officer;
 - b. a nominating officer of a party may nominate councillors who stood in the name of that party to fill the majority of places on a committee, if the majority of councillors stood in the name of that party; and
 - c. subject to (a) and (b), the number of councillors nominated by each

nominating officer of a party, in so far as is reasonably practicable, bear the same proportion to the number of places on that committee as is borne by the number of members who stood in the name of that party.

- 23.4 Nominations made in accordance with sub-paragraph (3) of this standing order shall take into account any positions of responsibility on a committee held by a councillor who stood in the name of a party.

24. Rescission of a preceding resolution

- 24.1 No motion to rescind any resolution passed within the preceding six months, and no motion or amendment to the same effect as one which has been rejected within the preceding six months, shall be proposed by a member unless the notice thereof given in pursuance of Standing Order 17.1 bears the names of at least 15% of the members of the Council.
- 24.2 When any such motion or amendment has been disposed of by the Council, it shall not be open to any member to propose a similar motion within a further period of six months.

25. Members' conduct

- 25.3 Member not to be heard further

The Motion, if seconded, shall be put and determined without discussion.
- 25.4 Member to leave the meeting
If the Member named continues to behave improperly after such a motion is carried, the Chairperson or any other Member may move that either the Member leaves the meeting or that the meeting is adjourned for a specified period. If seconded, the motion will be voted on without discussion.
- 25.5 General disturbance
When the Chairperson is of the opinion that the due and orderly dispatch of business is impossible, they in addition to any other powers vested in them may, without question put, adjourn the meeting of the Council for such period as they in their discretion shall consider expedient.

27.3 Record of Documents Sealed to be kept

Where the common seal shall have been affixed at any meeting of the Council, an entry of the sealing of every deed and other document shall be made in the minutes of the meeting of the Council at which the affixing of the seal took place.

28 Suspension and amendment of Standing Orders

28.1 Suspension

A member may move a motion for the suspension of one or more of these Council Standing Orders. A motion under this Standing Order shall require the support of a qualified majority vote within the meaning of section 40 of the 2014 Act. Suspension can only be for the duration of the meeting. The Minutes of the meeting must record the reason for the suspension. Mandatory standing orders may not be suspended by a council.

PLANNING COMMITTEE PROTOCOL

Size of the Planning Committee

- 1.1 Fermanagh and Omagh District Council has resolved that its Planning Committee will have thirteen members. As previously recommended to the Committee, and in accordance with the Department's guidance, the quorum for the Committee will be 50% of the membership, that is, 7 members.
- 1.2 There will be no substitution of Members to the Committee; replacement of Members will be dealt with in accordance with the Council's Standing Orders.
- 1.3 The Planning Committee will be supported by relevant Council officers as required, including, but not limited to, the Chief Executive, the Director of Regeneration and Planning, the Head of Planning, Legal and Administration Officers. It is generally expected that the Head of Planning or their nominated substitute will attend all Committee meetings.
- 1.4 Environmental Health and other officers with specific technical expertise may also be required to attend Planning Committee meetings.

Frequency of Meetings

- 1.5 The Council has determined that the Planning Committee will meet monthly, at 2pm on the third Wednesday of each month (with the exception of August). The Committee reserves the right to schedule additional meetings as required.

Format of Planning Committee Meetings

- 1.6 Fermanagh and Omagh District Council will operate its Planning Committee in line with its approved Standing Orders. In doing so, the following procedural arrangements will apply:
 - (i) A weekly list of all planning applications received will be sent to the full Council. This list will indicate those applications to be determined by the Planning Committee and those applications delegated to officers. Where an application is delegated to an officer, Councillors who are members of the Planning Committee can request the application be 'called-in'. This should be done within 3 weeks from receipt of the application.

Members of the Planning Committee will also be notified where an application is delegated to officers and the recommendation is to refuse planning permission or the recommendation is to approve planning permission and an objection has been received. In such circumstances, Members have one week from the date of notification to call in the application. An application on the weekly list may be called in by ONE Member of the Planning Committee. A call in must be made in writing and must be accompanied by a clear planning reason such as planning policy issues, departure from the Area Plan etc. Call in of applications is restricted to those applications with all information necessary for a recommendation to be made. The information deemed necessary to determine certain applications is set out in Appendix B.
 - (ii) All Planning Committee members will be sent a detailed agenda 5 days in advance of the meeting with a list of all the applications to be presented at the meeting and the officers' recommendations. A report on each application outlining the assessment of the application and the reasons for the recommendation will be included for Committee members.
 - (iii) After the agenda has been issued, there will be no circulation of additional information from any source in respect of planning applications for consideration at the Planning Committee.
 - (iv) Officers will prepare an addendum to the agenda, or update any reports on the day of the meeting, to inform Members of any new material considerations not previously addressed in the reports.
 - (v) It is recommended that the Chair of the Planning Committee should hold a pre-

meeting with relevant officers on each application to be considered in advance of the Planning Committee meeting.

- (vi) Planning Committee meetings will be open to the public.
- (vii) With effect from November 2016, in common with all other Fermanagh and Omagh District Council and Committee meetings, the proceedings of the Planning Committee will be audio recorded.

1.7 The Planning Committee meetings will follow a standard Agenda which should allow for inclusion of the following items:

- (i) Notice of meeting;
- (ii) Apologies;
- (iii) Signing of Minutes;
- (iv) Declaration of interests;
- (v) Presentations from External Bodies;
- (vi) Schedule of Planning Applications;
- (vii) Enforcement matters; and
- (viii) Development Plan issues.

1.8 Councillors will be required to declare an interest in any item on the agenda at the beginning of the meeting and must leave the meeting for that item. Members will then be invited to return to the meeting and notified of the Committee's decision before consideration of the next item commences.

1.9 Fermanagh and Omagh District Council has resolved that it will not usually receive presentations from external bodies at the Planning Committee. However, on those occasions where the Committee deems it appropriate to receive a presentation on matters of interest relevant to the Committee, this will be accommodated as the fourth item on the Agenda after Declaration of Interests. Such presentations, including Members' Questions and Answers, should not exceed 20 minutes.

1.10 In presenting planning applications to Committee, the following procedures for each application will apply:

- (i) Introduction by planning officer;
The Planning Officer presents the application and makes a recommendation on whether the application should be approved, approved with conditions or refused. Plans and photographs may be shown.
- (ii) Representation on behalf of applicant, agent or supporter; (10 minutes)
The total time allowed for applicant, agent or supporter to address the Committee will not be more than 10 minutes unless the Committee decide on the day of the meeting to extend the time allowed due to unusual or exceptional circumstances. Such an extension would be at the discretion of the Chair of the Planning Committee.

If more than one supporter wants to speak, the Chairperson may ask the supporters to appoint a spokesperson to represent their views.

No documentation should be circulated at the meeting to members by speakers.

Nor should any new information (verbal or written) which has not previously been included as part of the application be introduced or circulated.

- (iii) Members' questions to applicant, agent or supporter;
- (iv) Representations – Objectors; (5 Mins)
The total time allowed for objectors to address the Committee will not be more than 5 minutes unless the Committee decide on the day of the meeting to extend the time allowed due to unusual or exceptional circumstances. Such an extension would be at the discretion of the Chair of the Planning Committee.

If an objector speaks, the applicant should be allowed to respond if they wish, even if they have not registered to speak in advance.

If more than one objector wants to speak, the Chairperson may ask the objectors to appoint a spokesperson to represent their views.

No documentation should be circulated at the meeting to members by speakers.

- (v) Members' questions to objectors;
- (vi) Representations by Councillor(s) and other elected representatives (including MPs and MLAs); (5 Minutes)

The total time allowed for representations by Councillors and other elected representatives will be 5 minutes, unless the committee on the day decide to extend the time allowed due to unusual or exceptional circumstances. Such an extension would be at the discretion of the Chair of the Planning Committee.

- (vii) Planning Officer's comments;
- (viii) Members' debate including advice from officers; and
- (ix) Members' decision.

The Members take a vote on whether or not to agree with the officer's recommendation. The Chairperson has a casting vote.

The following options are available in relation to Members' voting:

- (a) Approve the application with conditions as recommended;
- (b) Approve the application with amendments to the recommended conditions;
- (c) Approve the application contrary to Officer's recommendations;
- (d) Refuse the application for the reasons recommended;
- (e) Refuse the application with additional, fewer or amended reasons;
- (f) Refuse the application contrary to Officer's recommendations; or
- (g) Defer the application with a direction for additional information or clarification; or for a Members' site visit.

Members must be present for the entire item, including the officer's introduction and update; otherwise they cannot take part in the debate or vote on that item.

Members can add conditions to a permission but cannot amend the application. Any additional conditions should be proposed and seconded before being voted on by members. Members should be aware of the legal tests conditions need to meet if challenged - they should be necessary, enforceable, reasonable and relevant to planning and the development under consideration. Planning officer comment should be invited, as necessary.

- 1.11 The Committee can defer consideration of an application to a subsequent meeting for further information, further negotiations or a site visit. Deferrals have an adverse effect on processing times, and the applicant can lodge an appeal after a period of time if the Council has not made a decision. Deferrals should be rare and only supported when the Committee is fully satisfied that any outstanding issue may be fully resolved as a result of the deferral. The Committee will therefore generally defer an application only once. The Member proposing a deferral must provide clear reasons as to why a deferral is necessary.
- 1.12 The deadline for anyone wishing to request 'Speaking Rights' to address the Planning Committee is 5.00 pm on the Monday immediately before the Committee.

In order to request speaking rights for a particular planning application, please email your request to: democratic.services@fermanaghmagh.com or telephone 0300 303 1777 extension 20207, 20274 or 21213. **These are the only contacts through which Speaking Rights may be requested.**

Those seeking speaking rights should preferably include the planning application reference number in their request. Individuals can only speak to the Committee if they are the applicant, have submitted a written response to an application prior to the recommendation issuing to the Planning Committee or they are listed on the application as the agent/planning consultant acting on behalf of the applicant.

The Chairperson may:

- (i) Suspend the public's right to speak if he/she considers it necessary to maintain order at the meeting: or
- (ii) Vary the order of representations if he/she feels that it is convenient and will assist the Committee in dealing with the matter, provided that it will not cause prejudice to the parties concerned.

1.13 In lieu of speaking, Council members and members of the public may submit representations in writing for consideration by the Committee. The deadline for anyone wishing to submit such written representations is 5.00 pm on the second day prior to the meeting. Written representations will be reported to the Committee and any new material considerations not previously addressed in the reports will be highlighted and if necessary, circulated in a report on the day of the meeting.

1.14 If a Council Member is unable to attend the Committee and submits representations in writing, such representations will be read out at the Committee provided that the written representations are no more than 300 words, and provided that there is sufficient time within the 5 minutes allocated for council and other elected member representations.

Decision Contrary to Officer Recommendations

1.15 Many planning decision are finely balanced and the Planning Committee will come to its own conclusions, following debate and taking into account all material planning considerations. This Committee decision may differ from the recommendation of the officer. Where the Committee takes a different decision, it must be backed by sound, clear and logical planning reasons, linked to planning policy. The Head of Planning and Planning Officers will have the opportunity to explain the implications of the Planning Committee's decision. Consideration will need to be given to whether such decisions will be capable of being defended on appeal to the Planning Appeals Commission with the potential for award of costs against the Council. The reasons for any decision which are made contrary to the Planning Officer's recommendation must be formally recorded in detail in the minutes and a copy placed on the planning application file/ electronic record.

1.16 Where Members reject a planning application that officers have advised them to accept, the Chairperson should seek the views of officers (including the Council's legal advisers) before going to the vote in terms of reasons for refusal.

In such circumstances, officers should endeavour to summarise what are considered to be the main reasons for refusal referred to by Members during the debate and advise what would be reasonable and unreasonable reasons for refusal.

If officers consider that the suggested planning refusal reasons are reasonable and capable of being defended on appeal, Members should vote on the reasons for refusal. If in the view of officers, the reasons for refusal are either in whole or in part not capable of being defended, then Members should give consideration to deferring determination of the planning application until the next Planning Committee and ask for a further report (and / or site visit) to ensure it has all the relevant information it considers necessary to inform its decision.

Advice and assistance should be sought from the Council's legal advisers, as necessary.

- 1.17 Deferrals of decision making can have significant impacts on decision times. Deferral of a decision to a later committee meeting has generally been used as a period of reflection in a situation where the committee is minded to refuse a proposal against an officer's recommendation to approve. It allows the officer the time to draw up refusal reasons in line with the Committee's debate and decision for agreement at a further meeting. Deferrals should be an exception.
- 1.18 If the Planning Committee decides to approve an application against an officer's recommendation to refuse, the Planning Committee should be aware that, while there is no right of third party appeal, there is the possibility that the decision could be subject to judicial review. In such circumstances a recorded vote will be taken and the Planning Committee will decide, from amongst those members supporting the proposal who will defend the Committee's decision in court.

Pre-Determination Hearings

- 1.19 The Planning Committee has a mandatory requirement to hold Pre-Determination Hearings for those major applications which have been referred to the Department for call-in consideration, but have been returned to the Council for determination. The Council's planning committee will therefore have to hold a hearing prior to the application being determined. In addition, the Council may also hold pre-determination hearings, at its own discretion, where it considers it necessary, to take on board local community views, as well as those in support of the development.
- 1.20 The intention is to make the application process for major applications more inclusive and transparent by giving applicants and those who have submitted representations, the opportunity to be heard by Council before it takes a decision.
- 1.21 It will be a matter for the Planning Committee to judge when a Pre-Determination Hearing is appropriate, taking account of the relevance of the objections in planning terms, the complexity of the application and level of pre-application community consultation.
- 1.22 When holding a Pre-Determination Hearing the procedures will be the same as those for normal Planning Committee meetings. The Planning Officer will produce a report detailing the processing of the application to date and the planning issues to be considered. The number of individuals to speak on either side, time available etc will be agreed prior to the hearing.

If the Planning Committee decides to hold the hearing on the same day as it wishes to determine the application, the Planning Officer's report should also contain a recommendation.

Site Visits

- 1.23 It is recognised that, on occasions, Members of the Planning Committee may need or wish to visit a site to help them make a decision on a planning application. For example, the proposal may be difficult to visualise or the application may be particularly contentious. The purpose of a site visit is a fact-finding exercise during which no debate about the merits of the case should arise.
- 1.24 Site visits should be an exception as they are time consuming and expensive. If required, they should be identified by planning officers in consultation with the Chairperson prior to the planning committee meeting at which the application is scheduled to be determined. Site visits should only be carried out where there are clear benefits.
- 1.25 Where a site visit has been agreed, the Planning Committee clerk should contact the applicant/agent to arrange access to the site. Invitations will be limited to Members of the planning committee and Council Planning Officers. Site visits are not an opportunity to lobby Councillors or be used to seek to influence the outcome of a proposal prior to the planning Committee Meeting.

- 1.26 Councillors should not carry out their own unaccompanied site visits as there may be issues relating to permission for access to land, they will not have the information provided by the planning officer, and, in some circumstances, it may lead to allegations of bias.
- 1.27 It is recommended that the full Planning Committee should attend site visits, unless there are exceptional reasons. The clerk to the planning committee should record the date of the visit, attendees and any other relevant information.
- 1.28 The planning officer should prepare a written report on the site visit which should be presented to the Planning Committee meeting at which the application is to be determined.

Legal Adviser

- 1.29 The Department recommends that the Planning Committee has access to legal advice on planning matters and has suggested that it would prefer legal attendance at each Planning Committee meeting. Fermanagh and Omagh District Council has resolved to have legal representation at each Planning Committee meeting.

Review of Decisions

- 1.30 It is recommended that on an annual basis, Members should inspect a sample of implemented planning decisions in order to assess the quality of decision making. This should include a sample of decisions delegated to officers to give assurance that the scheme of delegation is operating effectively and in line with the Council's views.

Departmental Comments

- 1.31 Members are advised that the Department strongly recommends that Councillors sitting on Planning Committees should be required to attend relevant training on an ongoing basis. It also recommends that the Planning Committee chairs should receive separate, additional training in relation to their roles. The Department suggests that a network of Planning Committee Chairs should be established and meet regularly to discuss matters of common interest.

Confidential Matters

- 1.32 In the event that the Planning Committee is required to go 'into Committee' to consider confidential matters relating to a planning application, those parties with a direct interest in the application who have requested speaking rights in accordance with the Protocol, will be required to sign an undertaking confirming that they will respect the confidentiality of the meeting and the information discussed therein.

Good Practice Guide for Agents/Applicants

- 1.33 Fermanagh and Omagh District Council has developed a Good Practice Guide for Agents/Applicants (Attached at Appendix A). The rationale behind the development of this Guide is to provide advice and guidance to applicants and agents involved in the planning process to help deliver an efficient development management system, making best use of the Council's limited resources.

The objective is to build understanding, establish good practice and ensure that a full and robust process is undertaken, thus minimising potential delay in the delivery of the planning function, particularly in relation to local planning applications.

The guide sets out the progress of applications through the development management system and identifies the role/responsibilities of Council planning staff and applicants/agents at each stage of the process in order to deliver good quality planning decisions in an efficient manner and at least cost.

The Good Practice Guide for Agents/Applicants takes effect from 1 December 2016 and is an integral component of the Council's Planning Committee Protocol.

Applicant / Agent Protocol – A Good Practice Guide for Processing Planning Applications

Introduction

Fermanagh and Omagh District Council has developed this Guide to provide advice and guidance to applicants and agents involved in the planning process to help deliver an efficient development management system, making best use of the Council's limited resources. The planning reforms introduced with the transfer of the majority of the planning functions to Councils on 1 April 2015, focused on 'front loading' the development management process to speed up the processing of applications and allow resources to be prioritised and dedicated to those more complex applications with greater economic and social significance, major planning applications and preparation of the Local Development Plan.

The Need for this Guide

The majority of applications processed by the Council fall within the 'local' category (mainly single dwellings and householder development such as extensions to dwellings) which should be processed quickly provided all the necessary information is provided at the start of the process.

Experience to date is that applicants and agents are not 'front loading' the application process as required and considerable time and resources is spent on seeking additional information in order to process the application to a positive conclusion. This has implications both in terms of the resources available to deal with other planning matters, additional costs added to the processing of the application because of the need to re-advertise and re notify proposals, the time taken to process the application and our ability to meet the challenging application processing targets set by the Department.

The guide sets out how best to actively manage the progress of applications through the development management system and identifies the role/ responsibilities of Council planning staff and applicants / agents at each stage of the process in order to deliver good quality planning decisions in an efficient manner and at least cost.

The guidance will help those involved understand the development management process, how we as a Council will adopt a more project management approach in dealing with planning application and the type and extent of information that will be required from them when applying for planning permission or for other types of consent. It is intended that over time more detailed guidance will be provided for each category of development, setting out the information that is required in each case.

ROLES AND RESPONSIBILITIES

What Council planning staff will do:

- Respond positively to requests for pre-application advice for major planning applications and more complex local planning applications;
- Ensure that all stages of the development management process are completed within the timescales set out, to ensure that applications are processed efficiently and applicants have a greater degree of certainty about the outcome of their proposal;
- Ensure that all information is uploaded on the Planning Portal in a timely manner;
- Carry out meaningful public consultation in accordance with our Statement of Community Involvement;

- Actively manage consultations regarding the need to consult and the assessment of responses;
- **Consider applications on the basis of the information submitted and only request further information in exceptional circumstances where the need for the information would not have been anticipated by the applicant / agent or to address consultee responses;**
- Request amendments / additional information, where appropriate, as early as possible to avoid unnecessary delay;
- Provide an initial planning opinion as early as possible in the application process, particularly when a proposal is fundamentally unacceptable;
- Assess applications to form a corporate opinion for presentation to Planning Committee for decision or for issuing in the case of delegated applications not 'called in' by the Committee; and
- Issue decisions promptly.

What applicants / agents need to do:

Before submitting a planning application an agent / applicant should:

- Visit the site and carried out a full survey, including, where necessary, site levels;
- Speak to any adjacent neighbouring properties and advise them of the proposal. Anticipate neighbour / community concerns and take appropriate action to resolve potential issues before submitting the application;
- Consider the policies set out in the Local Development Plan, Planning Policy Statements and any supplementary planning guidance;
- Consider the advice provided in this Guide and on the Planning Portal particularly the Northern Ireland Environment Agency practice guides and Standing Advice, including the biodiversity checklist;
- Gather any information needed to address policy issues;
- Front load all applications with all essential information necessary to determine the application. (see Appendix B of the Guide)
- Avail of pre-application advice, when necessary; and
- Complete the necessary planning application forms (see 'Explanatory notes on Applying for Planning Permission, Approval of Reserved Matters and other types of Planning Consent' available on the Planning Portal).

When submitting an application an applicant / agent should: (see 'Explanatory notes on Applying for Planning Permission, Approval of Reserved Matters and other types of Planning Consent' available on the planning portal):

- Submit good quality applications with properly completed applications forms, accurate drawings and all other supporting information necessary to assist the determination of the application;
- Ensure the proposals reflect the planning policy context;
- Anticipate neighbour / community concerns, and address in the supporting information submitted with the planning application;
- Respond promptly to requests for amendments / additional information. Information should be submitted **within 2 weeks** from the request unless a longer period has been agreed with the case officer; and
- Ensure that the information requested is provided in full and is not 'drip fed' into the Council.

The Planning Act (Northern Ireland) 2011 and the Planning (General Development Procedure) Order 2015, set out the statutory minimum information that must be provided to make an application valid.

Stages in processing an application

There are a number of distinct stages in the processing of planning applications where efficiencies can be achieved by adopting a project management approach. These are described in detail below.

Stage 1 - Validation

At the initial stage of the process applications are checked to ensure that the minimum information and the appropriate fee has been submitted to ensure a valid planning application.

Applicants / agents should ensure that all forms have been fully completed, the correct address has been provided and all neighbour details have been correctly supplied. All drawings required to determine the application should be provided to the correct scale. Invalid applications will be returned within 24 hours.

Case officers will determine if the application is a local or major application. The following target dates are recorded on the file:

- The statutory performance target – 30 weeks for major applications, 15 weeks for local applications- the date by which applications should issue;
- Statutory expiry date for neighbourhood notification and press advertisement; and
- Date Council are notified of the application (weekly list) and the 21 day period for 'call in' in the case of delegated applications.

Stage 2 - Allocation

Normally, applications are allocated on a regular basis. The allocating officer, normally SPTO, will offer initial guidance at this stage to case officers, when necessary, on any key issues and ensure that the extent of consultation with statutory bodies is proportional to the type of development proposed. This will avoid omission or unnecessary consultation which could lead to delays and place an unnecessary burden on consultees.

Applicants/agents should ensure that all information needed to enable a consultee to respond fully to the proposal has been submitted eg farm information to demonstrate active farming, transport assessment form, drainage impact assessment.

Stage 3 - Consultation with Statutory Bodies

In view of their impact on timescales it is essential that consultations are carefully managed. As stated above, consultations will be issued on a need to consult basis and only when necessary to inform a planning decision. The Council will therefore only consult in accordance with the requirements of Schedule 3 to the Planning (General Development Procedure) order (Northern Ireland) 2015. Consultations will normally be issued within **three working days** of allocation. Statutory consultees have a duty to respond within 21 days from the date of consultation.

The submission of all necessary information with a planning application will avoid the need for further consultation which overburdens consultees and adds to the processing time of applications.

Consultation responses will be critically examined to ensure that any further information requested is essential to inform a planning assessment of development proposals and ultimately the decision making process. Consultees will be informed when their advice is considered to be inappropriate in the context of the development management process. This will be documented in the Professional Planning Report (PPR).

Normally, requests for further information/amended plans will be issued to applicants/agents within **three working days** of receipt of a consultee response. The request letter will specify a timescale for the submission of information and where appropriate will explain why the amendment/ information is required to enable the application to be processed. The timescale will reflect the complexity of the information required.

The request letter will advise applicants/agents that reminders will not be issued and that information must be submitted within the specified timescale unless there is a justifiable reason to extend the stipulated period for submission. An extension will only be agreed in exceptional circumstances with the case officer. If not received within the timescale stated, the application will be determined on the basis on the information received.

On receipt of amended plans/information case officers will avoid unnecessary repeat consultations. For example, where the information submitted clearly addresses the issues raised by a consultee further consultation may not be necessary. In these circumstances where a further consultation is not deemed necessary, the case officer will contact the consultee to agree draft planning conditions and/or informatives (if necessary).

Stage 4 - Public Consultation (Advertising and Neighbour Notification)

Advertisement and neighbour notification will be carried out in accordance with the legislation normally within **three working days** of allocation (at the same time as consultations are issued).

It is important that the correct site address and information about the proposal is provided on the P1 form. Re-advertisement and re-neighbour notification add to the cost and delays the processing of applications.

Case officers will check on site that the correct neighbour notification has been carried out and will record this in the PPR.

Stage 5 - Site Inspection and Early Assessment

Prior to going on site case-officers will identify and confirm all relevant planning history. Normally a site inspection will be carried out within **ten working days** of allocation. The case officer will:

- Make a full assessment of the site and its context;
- Identify key planning issues;
- Confirm that Neighbour Notification has been completed in accordance with established procedure; and
- Confirm that no further consultations need to be issued because of site specific factors.

As soon as possible after completing their site visit and subject to any discussions that are necessary within Stage 6, Case Officers will record details of the site visit, record relevant policies and consideration of the proposal against the policy, so far as possible pending receipt of consultee response and any third party representations.

Stage 6 - Initial Planning View

Line Managers will review applications with case officers normally within **ten working days** of a site inspection to confirm the basis for assessing each proposal in terms of planning policy and to form an initial planning view.

A clear record of issues discussed and actions agreed will be placed on the application file. The need for this level of guidance will vary depending on the nature of the proposal and the experience of the case officer.

This is a crucial stage of the process towards achieving the statutory performance targets and SPTOs will ensure it is completed within the required timescale.

When an initial planning view is formed applications will normally fall into one of three categories:

- (1) Proposal is acceptable** – applications which can be recommended for approval with no or minor amendment (without requiring negotiation);
- (2) Proposal requires substantial amendment and/or additional information needed** – applications where it is judged that negotiation and amendment could lead to approval;
- (3) Proposal is unacceptable and likely to be refused** – applications where negotiation is unlikely to lead to an acceptable proposal.

(1a) Proposal is acceptable

When it is established that a proposal is acceptable in planning terms, the case officer will complete the PPR as far as possible taking account of representations and consultation responses. Requests for minor amendments/additional information arising from consultation responses and/or representations will be assessed as described at Stage 3 above. Where appropriate, the case officer will consider the use of planning conditions including negative conditions, as an alternative to amended plans/additional information e.g. in relation to access details, archaeological surveys or materials/finishes.

(1b) Proposal requires amendment and/or additional information

Where proposals are deemed to be acceptable in principle on the basis of an initial planning assessment, subject to the submission of amended plans/additional information, case officers will contact the agent/applicant normally within **five working days** to request the information required. It is the responsibility of the case officer to state clearly the amendments/information required with supporting planning reasons as necessary. This will be communicated to the agent/applicant by letter, e-mail, telephone or meeting, whichever is appropriate, depending on the complexity of the issues to be resolved. The guidance outlined at Stage 3 will be followed in relation to timescales for submission of information and the approach to be adopted regarding repeat consultations. Deadlines for submission of amendments or further information will take into account whether any further consultation is likely to be required.

Minor amendment resulting from the applicant responding positively to comments from consultees and/or third party representations will proceed to decision without further consultation, where possible.

Re-consultation will be carried out where there is likely to be a greater or significantly different impact resulting from the amended proposal.

When information is not received within the specified timescale the case officer will complete the Professional Planning Report (PPR) (see Stage 7 below) and include reference to the information requested and the applicant/agent's failure to provide it within the timescale.

A decision refusing planning permission on the basis of insufficient information will clearly identify the information required and the "interests of acknowledged importance" that would be harmed if planning permission was granted in the absence of additional information.

The Council will not again request information that should have been submitted with the application at the outset or following a reasonable request, and which is clearly set out in guidance within this document and any further guidance issued by the Council. In such circumstances, the Council but will proceed to determine the application on the basis of the information submitted.

Where a proposal requires significant amendment, which wholly changes the nature of the proposal or the site or raises new issues which would require further consultation, a new planning application will be required.

Additional information, which should have been submitted either at the outset, or following a request from the Council, which is submitted after a recommendation has been made to the Planning Committee (including the weekly notification of delegated applications recommended for refusal) will only be considered in exceptional circumstances.

Planning applications which are recommended for refusal because information needed to determine the application has not been submitted with the application or information needed by a consultee to determine the application has not been

submitted following a reasonable request for the information, cannot be called in for decision by the Planning Committee.

(1c) Proposal is unacceptable

A proposal that is fundamentally unacceptable in planning terms, taking account of the Development Plan and all other material considerations will be progressed to an opinion to refuse planning permission. Consultee responses will be critically assessed to ensure that requests are not issued for amendments/additional information that will not alter a planning view to refuse planning permission. Applications in this category will be considered at the earliest opportunity.

The Council's opinion to refuse planning permission will be placed on at the earliest appropriate opportunity the weekly list of notifications for delegated applications or the monthly Planning Committee Agenda at the earliest appropriate opportunity. This early indication of the Councils' opinion should avoid unnecessary work by applicants/agents in preparing amendments/additional information when there is no prospect of planning permission being granted.

Stage 7 - Professional Planning Report (PPR)

The case officer will complete the assessment of the application and the PPR. This must include a case officer recommendation for consideration at the group meeting and include any conditions or reasons for refusal.

Stage 8 - Development Management Group (DMG)

The SPTO and case officers will carefully manage the progress of all applications to ensure an efficient and effective delivery of service to the public and to ensure the statutory targets are met. Applications will therefore be discussed on a regular basis and will not be held pending a formal group meeting particularly where the recommendation is to approve and there are no representations or objections from consultees. A formal monthly meeting will be held when all live planning applications will be reviewed to ensure there is no undue delay in processing them. The reason for the delay will be identified and action agreed will be recorded on the file.

Applications which are delegated and where the recommendation is to grant planning permission and there are no objections will be issued following discussions with an authorised officer.

Where the recommendation is to refuse planning permission or there are objections, Councillors on the Planning Committee will be notified of the decision and will have the opportunity to 'call in' the application in accordance with the Planning Committee Protocol. Where an application is 'called in' the application will be presented to the next available Planning Committee meeting. Where there is no 'call in' the application will issue.

Additional or new information is unlikely be accepted at this stage and the application will be issued on the basis of the information received prior to the recommendation being made.

Stage 9 – Planning Committee Meeting

The Planning Committee meets on the third Wednesday of each month with the exception of August. All applications for consideration by Planning Committee will appear on the Agenda which is published on the Council's website (www.fermanaghomagh.com) on the Thursday prior to the meeting. All details submitted with the application including the case officer's report and any discussions with authorised officers will be uploaded on the Planning Portal at the same time as the agenda is published.

Agents will not be notified that their application is on the Committee agenda. It is expected that applicants / agents will regularly refer to the Council's website and track the process of their application on the Planning Portal.

Applicants / agents should not lobby Councillors who are on the Planning Committee and seek to influence the outcome of a proposal prior to the Planning Committee Meeting. A decision on a planning application cannot be made before the planning committee meeting has been held when all relevant information relating to the application is available and has been considered. Lobbying can lead to the impartiality and integrity of a councillor being called into question. However, other Councillors who are not Members of the Planning Committee can make representations and address the relevant committee on your behalf.

Requests for speaking rights should be made in accordance with the Planning Committee protocol and should be submitted by 5pm on the Monday prior to the meeting.

Stage 10 - Issuing Decisions

Decisions will issue as soon as possible but no later than 5 days after the Committee meeting.

What information should I enclose with my planning application?

- All applications must be accompanied by the correct application form including a written description of the development, along with a postal address of the land to be developed. The name and address of the applicant should be provided and where applicable the name and address of the agent should be provided on the relevant application form.
- A plan sufficient to identify the site and the surrounding locality. This should be an Ordnance Survey based site location plan of 1:1250 or 1:2500 scale. Whilst not specified by legislation the convention for identifying the application site is to outline in red ink. Where the applicant owns neighbouring land, this too must be identified and while the legislation specifies no particular colour, the convention is to outline this land in blue.
- A Certificate of Ownership (Section 42 of the 2011 Act). The purpose of this certificate is to inform all concerned who is in actual possession of the application site and without such information the application will not be valid.

The application should be accompanied by 3 additional copies of the application forms / plans and the appropriate application fee.

However, there is a range of additional information that will be required in order to determine your application depending upon the nature of the proposal. This is set out in Appendix B and also This includes:

- Site Analysis (1:500);
- Existing & proposed topographical cross-sections (1:200);
- Indicative sketches illustrating massing, scale and form of the building where the site is sloping;
- Proposed materials and finishes;
- Existing elevations, sections and floor plans (1:100) (where the proposal involves alterations to a building or replacement dwelling applications);
- Proposed elevations, sections and floor plans (1:100);
- Existing & proposed contextual elevations (where adjacent properties are present);
- Landscaping details – should be included on all full or reserved matters applications;

There is a host of information on the NI Planning Portal, including NIEA Standing Advice and Guidance, to assist applicant and agents in the submission of planning applications. It is also clear

from the Planning Policy Statements and the Strategic Planning Policy Statement the type of information needed to assess an application.

The Council will therefore expect the information to be included with the initial submission. It is not possible for Council to determine all the information required with a particular application since they will not be familiar with the site. Neither is it the role of consultees to advise on the information required in support of an application. However, both the Council and consultees will provide advice and guidance where relevant. Applicants/agents should contact the planning office in either Enniskillen or Omagh if they have any particular query.

The Council will only request information that should have been submitted with the application at the beginning and which is clearly set out in guidance below and any further guidance issued by the Council, and if not submitted following a reasonable request, will proceed to determine the application on the basis of the information submitted.

Information Considered Essential in Determining Planning Applications

The following information is considered essential in order to determine certain planning applications. Failure to “front load” planning applications with this information may result in a recommendation to refuse planning permission.

Planning applications which are recommended for refusal because information needed to determine the application has not been submitted with the application, or information needed by a consultee to determine the application has not been submitted following a reasonable request for the information, cannot be called in for decision by the Planning Committee.

Such necessary information is set out below:

- Air Quality Impact Assessment for all Intensive livestock applications;
- Ammonia report if an intensive livestock application is within 7.5km of an ecologically protected site;
- Biodiversity Checklist for all applications on lands that have a nature conservation value, eg woodland, wetland or watercourse;
- Biodiversity surveys: for all applications that would impact upon, or have the potential to impact on natural heritage, including designated sites, priority habitats or protected and priority species;
- Contaminated Land Report: for all applications on former industrial sites, petrol filling stations or landfill sites;
- Demolition Justification Report: for all application for demolition of all or a significant part of a Listed Building or a building in a Conservation Area, Area of Townscape character or Area of Village Character;
- Drainage Assessment: for all applications outside flood plains that exceed the thresholds in PPS 15 Policy FLD 3;
- Flood Risk Assessment: for all applications inside a flood plain that are exceptions to Policy FLD 1;
- Landscape and Visual Impact Assessment: for all applications inside a Conservation Area, ATC and AVC and all wind turbines over 25m;
- Noise & Odour Report: for all applications that are likely to cause significant impact upon nearby approved or existing dwellings or other sensitive receptors;
- Retail Impact Assessment, including sequential assessment: for all applications for retailing or other main town centre uses outside a designated town centre;
- Transport Assessment: for applications for development which will have significant transport implications (TAF Guidelines Nov 2006);
- Waste Management Plan: for all applications for intensive livestock development or minerals;
- Tree Survey: for all applications that impact upon trees protected by a TPO.

The following information is essential to enable determination of planning applications for development in the countryside:

Replacement Dwellings

- Block plan clearly identifying the dwelling to be replaced and its curtilage;
- If the new dwelling is sited outside the curtilage of the dwelling being replaced, a written explanation as to why an alternative siting is necessary;
- Bat survey or bat roost survey, where the old dwelling is to be demolished or the site contains trees.

Dwellings on farms (CTY10)

- Application form P1C to include farm business number and details of farming activity;
- Evidence of an active and established farm business for more than 6 years;

- Copies of farm maps to show all land which is part of the farm business;
- Location of the principal group of farm buildings and any other buildings on the farm;
- Details of any dwellings 'sold off' over the previous 10 years.

Dwelling based on special personal or domestic circumstances (CTY6)

- A statement detailing the special personal or domestic circumstances;
- Support statement from a suitably qualified person such as a medical or health professional;
- Details of why care cannot be provided elsewhere;
- Details of other alternatives considered, such as an extension to an existing dwelling, and why this was not suitable.

Agricultural and forestry development (CTY12)

- Details of the farm business and copies of the farm maps showing the location of the main farm buildings and any other buildings on the farm;
- Details of why the new building is required;
- Explanation as to why an existing farm building could not be used;
- Evidence of existing and established farm business for more than 6 years.

1. INTRODUCTION

Effective Date of the Northern Ireland Local Government Code of Conduct for Councillors (the Code)

- 1.1 Parts 1 to 8 came into force on 28 May 2014 and Part 9 (Planning) came into force on 1 April 2015. The Code has been laid in draft and approved by a resolution of the Assembly. The Code may be amended or revised at any time but such amendment or revision is subject to the same Assembly procedure.

Background

The Local Government Act (Northern Ireland) 2014 (the 2014 Act)

- 1.2 As a consequence of decisions taken by the Northern Ireland Executive on the future shape of local government, the 2014 Act contains a number of provisions for the reform of local government. These include a new ethical framework for local government in Northern Ireland, a key element of which is the introduction of a mandatory code of conduct for councillors. Previously, councillors were guided by the non-mandatory Northern Ireland Code of Local Government Conduct which was issued in April 2003.
- 1.3 The 2014 Act:
- provides for the introduction of a mandatory Northern Ireland Local Government Code of Conduct for Councillors;
 - imposes a requirement for councillors to observe the Code; and
 - establishes mechanisms for the investigation and adjudication of written complaints that a councillor has failed, or may have failed, to comply with the Code.
- 1.4 The 2014 Act requires the Department to consult councils and such associations and bodies representative of councils and council officers and such other persons as appear to it to be appropriate, before issuing or revising the Code.

Public expectations

- 1.5 The Northern Ireland public has the right to expect high standards of behaviour from councillors and the manner in which they should conduct themselves in undertaking their official duties and in maintaining working relationships with fellow councillors and council employees. As a councillor, you must meet those expectations by ensuring that your conduct complies with the Code. The Code details the principles and rules of conduct which you are required to observe when acting as a councillor and in conducting council business. Therefore, your behaviour will be judged against these standards of conduct.

Guidance

- 1.6 To assist you in understanding your obligations under the Code, you should read the guidance available from:
- (a) the Northern Ireland Commissioner for Complaints, on the application of the Code and the complaints procedure;
 - (b) the Department, on planning matters; and
 - (c) the Equality Commission for Northern Ireland on section 75 obligations. Information on where you can find this guidance and additional contact details are provided at Annex A.

2. REQUIREMENT TO COMPLY WITH THE CODE

Who does the Code apply to?

- 2.1 The Code applies to councillors of councils established in accordance with section 1 of the Local Government Act (Northern Ireland) 1972 Act (the 1972 Act) as amended by the Local Government (Boundaries) Act (Northern Ireland) 2008.
- 2.2 The 1972 Act requires a councillor to serve on the Chief Executive of their council, a declaration of acceptance of office before they can act in the capacity of councillor. This declaration includes an undertaking that the councillor has read and will observe the Code (as revised from time to time).
- 2.3 The 2014 Act requires that a person who is not an elected person, but who becomes a member of any committee of a council, may not act as such unless they have given a written undertaking to the Chief Executive of the council and, in the case of a joint committee, to each of the Chief Executives of the councils constituting the committee. This includes an undertaking that they have read and will observe the Code (as revised from time to time).
- 2.4 In summary, the Code applies to the following persons:
- (a) any person who is elected to office within a council;
 - (b) any person chosen under section 11(4b) of the Electoral Law Act (Northern Ireland) 1962 to fill a casual vacancy;
 - (c) any person treated as a non-voting member by section 17 of the 2014 Act; and
 - (d) any person who is not an elected representative as mentioned in section 28(4) of the 2014 Act.

Throughout the Code, where the term "councillor" is used, it shall refer to those persons mentioned in sub-paragraphs (a) to (d) above.

- 2.5 **As a councillor, it is your responsibility to make sure that you are familiar with the provisions of the Code and that you comply with those provisions.**

When does the Code apply?

- 2.6 You must observe the Code:
- (a) whenever you conduct the business, or are present at a meeting, of your council;
 - (b) whenever you act, claim to act or give the impression you are acting in the role of a councillor; and
 - (c) whenever you act, claim to act or give the impression you are acting as a representative of your council.
- 2.7 You must also observe the Code if you are appointed or nominated to represent your council on another body **unless**:
- (a) that body has its own code of conduct relating to its members, in which case you must observe that code of conduct; or
 - (b) compliance with the Code conflicts with any other lawful obligations to which that body may be subject. (You must draw such conflict to the attention of your council and to the other body as soon as it becomes apparent to you.)
- 2.8 In addition to the circumstances stipulated in paragraphs 2.7 and 2.8, you must observe the Code at all times in relation to:
- (a) conduct which could reasonably be regarded as bringing your position as councillor or your council into disrepute (including such conduct that relates to your appointment to another body, even if that appointment did not arise from your position as a councillor);

- (b) conduct relating to the procuring, advocating or encouraging of any action contrary to the Code;
- (c) conduct relating to the improper use, or attempted use, of your position to confer on or secure for yourself, or any other person, an advantage or create or avoid for yourself, or any other person, a disadvantage; and
- (d) conduct relating to the use, or the authorisation of the use by others, of the resources of your council.

Enforcement of the Code

- 2.9 The 2014 Act gives the Northern Ireland Ombudsman, in his capacity as the Northern Ireland Commissioner for Complaints (the Commissioner), responsibility for the operation of the enforcing mechanisms of this Code. The 2014 Act extends the functions of the Commissioner's Office to include the investigation of, and adjudication on, alleged failure to comply with the Code.
- 2.10 The Commissioner may investigate written complaints from any person that a councillor (or former councillor) has failed, or may have failed, to comply with the Code. The Commissioner may also investigate cases of alleged failure to comply with the Code which come to his attention as a result of an investigation of a written complaint.
- 2.11 Where the Commissioner, having undertaken an investigation, determines that he should make an adjudication on the matters investigated, he will decide whether or not there has been a failure to comply with the Code. Where the Commissioner decides that there has been such a failure, he will decide whether no action should be taken or whether he should:
- (a) censure the person found to have failed to comply with the Code;
 - (b) suspend, or partially suspend, the person from being a councillor for a period of up to one year; or
 - (c) disqualify the person for being, or becoming, a councillor for a period of up to five years.

3. PRINCIPLES OF CONDUCT

- 3.1 The Code is based on 12 principles of conduct (the Principles), which are intended to promote the highest possible standards of behaviour for councillors. The Principles draw on the seven principles of conduct that the Committee on Standards in Public Life¹ believed ought to underpin public life, and the five further principles of conduct that have been adopted by the Northern Ireland Assembly. As a councillor, you must observe these Principles.
- 3.2 The rules of conduct set out in the Code (the Rules) are the specific application of the Principles. Your compliance with the Rules, which is required under the Code, will help you meet the high standards of conduct promoted by the Principles.
- 3.3 The 12 principles of conduct are:

Public Duty

You have a duty to uphold the law and to act on all occasions in accordance with the public trust placed in you.

You have a general duty to act in the interests of the community as a whole.

You have a special duty to your constituents and are responsible to the electorate who are the final arbiter of your conduct as a public representative.

Selflessness

You should act in the public interest at all times and you should take decisions solely in terms of the public interest. You should not act in order to gain financial or other material benefits for yourself, your family, friends or associates.

Integrity

You should not place yourself under any financial or other obligation to outside individuals or organisations, which might reasonably be thought by others to influence you in the performance of your duties as a councillor.

Objectivity

In carrying out council business, including considering public appointments, awarding contracts or recommending individuals for rewards and benefits, you should make choices on merit.

Accountability

You are accountable to the public for your decisions and actions and for the way that you carry out your responsibilities as a councillor and must submit yourself to whatever scrutiny is appropriate to your responsibilities.

Openness

You should be as open as possible about the decisions and actions that you take. You should give reasons for your decisions when required and restrict information only when the wider public interest clearly demands it.

Honesty

You should act honestly. You have a duty to declare any private interests relating to your public duties. You should take steps to resolve any conflicts between your private interests and public duties at once and in a way that protects the public interest.

¹ Committee on Standards in Public Life, Members of Parliament, ministers, civil servants and quangos (First Report) May 1995

Leadership

You should promote and support these principles by leadership and example in order to establish and maintain the trust and confidence of your constituents, and to ensure the integrity of your council and its councillors in conducting business.

Equality

You should promote equality of opportunity and not discriminate against any person by treating people with respect regardless of race, age, religion, gender, sexual orientation, disability, political opinion, marital status and whether or not a person has dependants.

Promoting Good Relations

You should act in a way that is conducive to promoting good relations by providing a positive example for the wider community to follow and that seeks to promote a culture of respect, equity and trust and embrace diversity in all its forms.

Respect

It is acknowledged that the exchange of ideas and opinions on policies may be robust but this should be kept in context and not extend to individuals being subjected to unreasonable and excessive personal attack. You should keep in mind that rude and offensive behaviour may lower the public's regard for, and confidence in, councillors and councils. You should therefore show respect and consideration for others at all times

Good Working Relationships

Between councillors – you should work responsibly with other councillors for the benefit of the whole community. You must treat other councillors with courtesy and respect. You must abide by your council's standing orders and should promote an effective working environment within your council.

Between councillors and council employees - The relationship between councillors and employees must at all times be professional, courteous and based on mutual respect. You should show respect and consideration for council employees at all times and ensure that your actions do not compromise their impartiality.

4. RULES OF GENERAL CONDUCT

Your obligations as a councillor

- 4.1 Councillors hold public office under the law and must act:
 - (a) lawfully;
 - (b) in accordance with the Code; and
 - (c) in accordance with the standing orders of your council.
- 4.2 You must not conduct yourself in a manner which could reasonably be regarded as bringing your position as a councillor, or your council, into disrepute.
- 4.3 You must review regularly (at least annually and when your particular circumstances change) your personal circumstances and to take steps to mitigate any conflict of interest in relation to your functions as a councillor. (Such conflict may arise as a result of circumstances such as a change of business interests, a change in direct or indirect pecuniary interests required to be declared under section 28 of the 1972 Act or involvement on a new committee.
- 4.4 You must report, either through your council's own reporting procedure or directly to the proper authority, any conduct by any other person which you believe involves, or is likely to involve, criminal behaviour.
- 4.5 You must not, at any time, whether in the course of your duties as a councillor or in private, procure, advocate or encourage any action contrary to the Code.
- 4.6 You must comply with any request of the Commissioner in connection with an investigation conducted in accordance with the Commissioner's statutory powers.
- 4.7 You must not make vexatious, malicious or frivolous complaints against other councillors or anyone who works for, or on behalf of, your council.
- 4.8 You must maintain and strengthen the public trust and confidence in the integrity of your council. You must promote and support the Code at all times and encourage other councillors to follow your example.
- 4.9 You must co-operate with your council with regard to providing the necessary information to be included in the annual accounts of the council.
- 4.10 You must assist your council to act, as far as possible, in the interests of the whole community. Although individuals are entitled to pursue their own personal concerns about local issues, you must not represent their views over the wider public interests.
- 4.11 You must ensure that you are aware of your council's responsibilities under equality legislation, and that you are familiar with the relevant legislative statutes and provisions, in particular, with the obligations set out in your council's equality scheme.

This will enable you to have due regard to the need to promote equality of opportunity on grounds of age, marital status, disability, political opinion, race, religious belief, sex, sexual orientation, and whether or not people have dependants; and to have regard to the desirability of promoting good relations between people of different racial groups, religious belief or political opinion.
- 4.12 You are entitled to legally express any political opinion that you hold. In doing so, however, you should have regard to the Principles of Conduct and should not express opinions in a manner that is manifestly in conflict with the Principles of Conduct.

Behaviour towards other people

4.13 You must:

- (a) show respect and consideration for others;
- (b) not use bullying behaviour or harass any person; and
- (c) not do anything which compromises, or which is likely to compromise, the impartiality of those who work for, or on behalf of, your council.

4.14 You must work responsibly and with respect, with others and with employees of councils.

The "Protocol for Relations between Councillors and Employees in Northern Ireland District Councils² which is included as Appendix 3 in the Code of Conduct for Local Government Employees, is available on the Local Government Staff Commission's website <https://bit.ly/2NILGDw>

Disclosure of information

4.15 You must not disclose confidential information or information which should reasonably be regarded as being of a confidential nature, without the express consent of a person authorised to give such consent, or unless required to do so by law.

Use of your position

4.16 You must not:

- (a) use, or attempt to use, your position improperly to confer on, or secure, an advantage for yourself or any other person;
- (b) use, or attempt to use, your position improperly to seek preferential treatment for yourself or any other person; or
- (c) use, or attempt to use, your position improperly to avoid a disadvantage for yourself or any other person, or to create a disadvantage for any other person.

These provisions apply both to your actions in your official capacity, including as a member of a body to which you are appointed by the council, and to any dealings you may have with the council on a personal level (for example, as a council ratepayer, tenant, or recipient of a council service or as an applicant for a licence or consent granted by the council).

4.17 You must avoid any action which could lead members of the public to believe that preferential treatment is being sought.

Use of council resources

4.18 You must not use, or authorise others to use, the resources of your council:

- (a) imprudently;
- (b) in breach of your council's requirements;
- (c) unlawfully;
- (d) other than in a manner which is calculated to facilitate, or to be conducive to, the discharge of the functions of your council or of the office to which you have been elected or appointed;
- (e) improperly for political purposes; or
- (f) improperly for private purposes.

² The Department notes this Protocol is being reviewed and will update this reference to any revised version.

Expenses and allowances

4.19 You must observe the law and your council's rules governing the claiming of expenses and allowances in connection with your duties as a councillor

Acceptance and registration of gifts and hospitality

4.20 You must:

- (a) in accordance with any standing orders of your council and within 28 days of receipt of any gift, hospitality, material benefit or service, which is above a value specified in a resolution of your council, provide written notification to your chief executive of the existence and nature of that gift, hospitality, material benefit or service;
- (b) not accept from anyone gifts, hospitality, material benefits or services for yourself or any other person, which might place you, or reasonably appear to place you, under an improper obligation; and
- (c) discourage gifts and offers of hospitality to any family members which might place you, or reasonably appear to place you, under an improper obligation.

5. RULES RELATING TO THE REGISTRATION OF INTERESTS

The role of the Chief Executive

5.1 Section 62 of the 2014 Act requires every Chief Executive to ensure that their council has established and maintains a register of member's interests. The Code recommends that a register for gifts and hospitality should also be established and maintained and that procedures are in place for dealing with relevant declarations of interests.

Interests

5.2 Subject to paragraphs 5.4 and 5.6, you must, within 28 days of your election or appointment to office (if that is later), register your **personal interests (both financial and otherwise)** where they fall within a category mentioned below, in your council's register by providing written notification to your Chief Executive.

Categories of interests:

- (a) any employment or business carried on by you;
- (b) any person who employs or has appointed you, any firm in which you are a partner or any company for which you are a remunerated or non-remunerated director;
- (c) any person, other than your council, who has made a payment to you in respect of your election or any expenses incurred by you in carrying out your duties as a councillor;
- (d) any corporate body which has a place of business or land within your council's district, and in which you have a beneficial interest in a class of securities of that body that exceeds the nominal value of £25,000 or one hundredth of the total issued share capital of that body;
- (e) any contract for goods, services or works made between your council and you or a firm in which you are a partner, an unincorporated body (ie Industrial & Provident Society), a company of which you are a remunerated director, or a body of the description specified in sub-paragraph (d) above;
- (f) any land in which you have a beneficial interest and which is within your council's district;
- (g) any land where the landlord is your council and the tenant is a firm in which you are a partner, a company of which you are a remunerated director, or a body of the description specified in sub-paragraph (d) above;
- (h) any body to which you have been elected, appointed or nominated by your council; any –
 - (i) public authority or body exercising functions of a public nature;
 - (ii) company, industrial and provident society, charity, or body directed to charitable purposes;
 - (iii) body whose principal purposes include the influence of public opinion or policy;
 - (iv) trade union or professional association; or
 - (v) private club, society or association operating within your council's district, in which you have membership or hold a position of general control or management; and
- (i) any land within your council's district in which you have a licence (alone or jointly with others) to occupy for 28 days or longer.

Registration of financial and other interests and memberships and management positions

- 5.3 You must, within 28 days of becoming aware of any interest that falls within a category mentioned in paragraph 5.2 or any change to an interest already registered, register that interest or change by providing written notification to your Chief Executive.

Sensitive information

- 5.4 Where you consider that the information relating to any of your personal interests is sensitive information, and your Chief Executive agrees, you need not include that sensitive information when registering that interest or, as the case may be, a change to the interest.
- 5.5 In the Code, "sensitive information" means information whose availability for inspection by the public creates, or is likely to create, a serious risk that you or a person who lives with you may be subjected to violence or intimidation.
- 5.6 You must, within 28 days of becoming aware of any change of circumstances which means that sensitive information previously excluded from your council's register of members interests due to it being sensitive is no longer sensitive, notify your Chief Executive asking that the information be included in the register.

6. RULES RELATING TO THE DISCLOSURE AND DECLARATION OF INTERESTS

Pecuniary interest

- 6.1 Section 28 of the 1972 Act requires you to declare any pecuniary interest, direct or indirect, that you may have in any matter coming before any meeting of your council. Such interests will be recorded in the register kept by your council for this purpose.
- 6.2 You must not speak or vote on a matter in which you have a pecuniary interest.

If such a matter is to be discussed by your council, you must withdraw from the meeting whilst that matter is being discussed.

Private or personal non-pecuniary interest

- 6.3 You must also declare any significant private or personal non-pecuniary interest in a matter arising at a council meeting. In addition to those areas set out in paragraph 5.2, an interest will also be significant where you anticipate that a decision on the matter might reasonably be deemed to benefit or disadvantage yourself to a greater extent than other council constituents. Any sensitive information mentioned in paragraphs 5.4 to 5.6 is not required to be given.
- 6.4 You must declare any significant private or personal non-pecuniary interests in a matter as soon as it becomes apparent. You must then withdraw from any council meeting (including committee or sub-committee meeting) when the matter is being discussed. It is your own personal responsibility to determine, having regard to council advice and guidance, whether you have any such interest.

Dispensations

- 6.5 In exceptional circumstances, you may be able to get a dispensation to speak and vote at a council meeting in spite of a pecuniary interest. The Department may grant such a dispensation under section 29 of the 1972 Act.
- 6.6 On occasions, you may feel that it would be to your council's benefit if you were to remain in a council meeting when a matter in which you have a significant private or personal non-pecuniary interest is to be debated. Before doing so, you must consider whether your interest is so significant that it would be wrong in any circumstances for you to remain. Your council may have specific guidance on such matters. Subject to this, you may speak and vote on such a matter if **(but only if)**:
- at least half of the council or committee would otherwise be required to withdraw from the debate due to their personal interests in the matter; or
 - your withdrawal, together with that of other councillors of the council or committee who are required to withdraw due to their personal interests in the matter, would leave the council or committee without a quorum.
- 6.7 In those circumstances outlined in the preceding paragraph, you should take advice on the matter from a relevant senior council employee. If you decide to remain in the meeting, you must declare that decision and your reasons for doing so.
- 6.8 In the case of a sub-committee which is very small and where a large proportion of councillors declare a personal interest in the matter, it will usually be more appropriate for the matter to be referred to the parent committee.

- 6.9 It would, however, be appropriate for you to remain at a council meeting and speak and vote on a matter in which you have declared a significant private or personal non-pecuniary interest if your interest arises because you are:
- a member of a public body; or
 - a member or supporter of a charity, voluntary body or other organisation formed for a public purpose (ie not for the personal benefit of members).

However, except where you have been appointed by your council as a representative on the organisation, you must not vote (although you may speak) on any matter directly affecting the finances or property of the organisation if you are a member of the organisation's management committee or governing body.

- 6.10 Section 30 of the 1972 Act requires you to disclose to the council, in writing, any relevant family relationship, as set out in paragraph (6) of that section, known to exist between you and any person you know either holds, or is a candidate for appointment to, any office in the council.
- 6.11 The requirement to make your relevant interests known on matters, in council and committee meetings, also applies in your dealings with council employees and in your unofficial relations with fellow councillors.

7. RULES RELATING TO LOBBYING AND ACCESS TO COUNCILLORS

- 7.1 In order for a council to fulfil its commitment to being open, accessible, and responsive to the needs of the public, it should encourage appropriate participation by organisations and individuals in the decision-making process. Clearly, however, the desire to involve the public and other interest groups in the decision-making process must take account of the need to ensure transparency and probity in the way in which the council conducts its business.
- 7.2 As a councillor you will need to be able to consider evidence and arguments advanced by a wide range of organisations and individuals in order to perform your duties effectively. Some of these organisations and individuals will make their views known directly to individual councillors or council committees. The rules in this Code set out how you should conduct yourself in your contacts with those who seek to influence you.
- 7.3 You may be lobbied by a wide range of people including individuals, organisations, companies and developers. As a general rule, it is an essential element of the democratic system that any individual should be able to lobby the council or a councillor.

Rules of Conduct regarding lobbying

- 7.4 If you are lobbied on matters such as applications made under regulatory powers or matters of a quasi-judicial nature, such as the determination of certain licence applications, and you will have a role in the council's decision on that matter, you must:
- (a) make it clear that you are not in a position to lend support for or against any such application; and
 - (b) direct any such representations, to the appropriate department of the council.

This does not prevent you from seeking factual information about the progress of the case.

- 7.5 If you are asked to decide on such matters, you must not:
- (a) organise support for a particular recommendation on the matter;
 - (b) organise opposition to a particular recommendation on the matter;
 - (c) lobby other councillors about the matter;
 - (d) comply with political group decisions on the matter where these differ from your own views; or
 - (e) act as an advocate to promote a particular recommendation in relation to the matter.
- 7.6 Paragraphs 7.4 and 7.5 also apply in relation to individual staffing matters such as the appointment or discipline of employees.

8. RULES RELATING TO DECISION-MAKING

- 8.1 When participating in meetings or reaching decisions regarding the business of your council, you must:
- (a) do so objectively, on the basis of the merits of the circumstances involved, and in the public interest;
 - (b) have regard to any relevant advice provided by your council's officers, in particular, by the chief executive, the Chief Financial Officer (where appropriate) or the council's legal advisers;
 - (c) take into account only relevant and material considerations and discount any irrelevant or immaterial considerations;
 - (d) give reasons for your decisions, when required to do so, in the interests of fairness, openness and accountability and in accordance with any statutory requirements;
 - (e) act in accordance with any relevant statutory criteria;
 - (f) act fairly and be seen to act fairly;
 - (g) ensure that all parties involved in the process are given a fair hearing (insofar as your role in the decision making process allows);
 - (h) not prejudge or demonstrate bias, or be seen to prejudge or demonstrate bias, in respect of any decision;
 - (i) not organise support for, or opposition against, a particular recommendation on the matter being considered;
 - (j) not lobby other councillors on the matter being considered;
 - (k) not comply with political group decisions on the matter being considered, where these differ from your own views; and
 - (l) not act as an advocate to promote a particular recommendation in relation to the matter being considered.

9. APPLICATION OF THE CODE OF CONDUCT WITH REGARD TO PLANNING MATTERS

- 9.1 The following section relates to the application of the Code of Conduct in relation to planning matters. This section should be applied in conjunction with the Principles and Rules of the Code.
- 9.2 Care must be taken when dealing with planning matters. All councillors will have contact with planning issues, either as advocates for or against planning applications, as members of the planning committee, or as members of the full council. Your specific role will vary depending on whether you are on a planning committee or not.
- 9.3 Your role as a councillor is to represent the views and aspirations of your community through development of the local development plan, discussions with developers and council planning officers or deciding on planning applications. This Code (and any associated guidance) is intended to assist you in balancing the interests of developers and interest groups with taking planning decisions, by applying your local knowledge and the advice and guidance of planning officers, in a fair, impartial and transparent way, for the benefit of the whole community. This Code applies to councillors at all times when involving themselves in the planning process, including taking part in the decision-making meetings of the council or when involved in less formal occasions, such as meetings with officers or the public. It applies equally to local plan development and planning enforcement as it does to planning applications.

Development Management

- 9.4 As a councillor your involvement in the development management process is crucial. Whether you sit on a planning committee or not, you can encourage developers and others to engage with the council and residents in the planning process. It is important that you represent the needs of your community in discussions with developers. Lobbying is therefore a normal and perfectly proper part of the political process.
- 9.5 However, particular considerations apply if you are a member of the decision-making planning committee, as lobbying can lead to the impartiality and integrity of a councillor being called into question. Given that a decision on a planning application cannot be made before the planning committee meeting has been held, when all relevant information relating to the application is available and has been considered, you must not make public statements about a pending decision or state your intention to vote in a particular way before the committee meeting has taken place. However, other councillors who are not part of the decision-making process can make representations and address the relevant committee
- 9.6 It is entirely appropriate for councillors, including those who will have a decision-making responsibility, to make known to planning officers what representations from constituents and prospective developers they have received on a planning application, to attend public meetings/events and to assist constituents in making their views known to the relevant planning officer. While planning committee members are free to attend public meetings/events they must not express a 'for' or 'against' view by advocating a position in advance of the decision-making meeting.
- 9.7 If you are a member of the planning committee and an approach is made to you by an applicant, agent or other interested party in relation to an existing or proposed planning application, you should restrict yourself to either giving procedural advice (e.g. advising those who are lobbying that they should contact the relevant planning officer so their opinions can be included in the officer's report to the committee) or advise them to write or speak to a member who is not on the planning committee. This does not mean that

members who are on planning committees should not listen to the views the lobbyist wishes to express.

- 9.8 If, however, as a planning committee member, you decide you cannot remain impartial and wish to make representations on behalf of constituents or other parties, you may attend a committee meeting and make representations, after which you must leave the room while the members consider it and not take part in the voting.

Decisions contrary to officer recommendation

- 9.9 You must not seek to apply undue pressure towards planning officers to provide a particular recommendation on any planning decision. If you propose, second or support a decision contrary to an officer's recommendation, you must only do so on the basis of sound planning considerations which must fairly and reasonably relate to the application concerned. These considerations include planning policy, landscaping, impact on the neighbourhood, planning history, etc.

Decisions contrary to the local development plan

- 9.10 If you propose, second or support a decision contrary to the development plan, you must only do so on the basis of sound planning considerations, which must fairly and reasonably relate to the application concerned, and you must clearly demonstrate how these considerations justify overruling the development plan.

Policy and strategic issues

- 9.11 Councillors have a vital role in facilitating engagement with their communities in the production of planning policy by encouraging them to express their views on the plan-making process. In your key role in establishing planning policies for the area, you are fully entitled to express your views or advocate proposals for the making, approval or amendment of the development plan, including supplementary planning guidance published by the council.
- 9.12 Planning legislation requires councillors of a council to determine all planning applications in accordance with the development plan, unless material considerations indicate otherwise. You must undertake this responsibility without undue influence or personal interest.

Other interests

- 9.13 If you have substantial land, property or other interests which would prevent you from voting on a regular basis, you must not sit on a decision-making committee that deals with planning applications.
- 9.14 You must not act on behalf of, or as an agent for, an applicant for planning permission with the council other than in the course of your professional role which you have registered.
- 9.15 You must not take any further part in the development management process following submission of an application for yourself or for a family member, friend or close personal associate. You have the same rights to explain your proposal to an officer but you must not seek to improperly influence the decision.
- 9.16 If you work as a lobbyist for a developer, you must declare this as an interest and you should not then be involved in any decision-making process relating to or potentially affecting that developer.

Unauthorised development

- 9.17 If you are made aware of an unauthorised development and you refer the matter to the council for possible enforcement action, you must advise all subsequent inquirers to deal directly with the relevant department/officer, and you should not lobby for a particular outcome. This does not prevent you from seeking factual information about the progress of the case.
- 9.18 Where you have an interest in the outcome of a planning committee decision on enforcement action, you must disclose that interest and not take part in, or seek to influence, the decision.

1.0 INTRODUCTION

1.1 Status of the Code

Under Section 40(4)(cc) of the Local Government Act (NI) 1972, the functions of the Local Government Staff Commission include:

“establishing and issuing a code of recommended practice as regards conduct of officers of councils”.

This Code has been drafted by a working group comprising officers from local government, the Department for Communities, the Local Government Staff Commission and the Trade Unions. It has been agreed by the Local Government Staff Commission and is promulgated under the authority of the Local Government Staff Commission under Section 40(4) (f) of the Local Government Act (NI) 1972.

It is therefore issued by the Local Government Staff Commission as a statutory recommendation for adoption by all councils and the Staff Commission from 1st April 2021.

It is desirable for the protection of the public and the protection of employees that guidance be given to local government employees as to the conduct expected of them. This Code provides guidance to assist councils and their employees in their day-to-day work and sets out the minimum standards of behaviour expected.

The aim of the Code is to set guidelines for council employees which will help maintain and improve standards and protect employees from criticism or misunderstanding.

2.0 FRAMEWORK FOR THE CODE

The public is entitled to expect the highest standards of conduct from all employees who work for local government and this Code has been developed in line with best practice, existing legislation and the following guidance.

The provisions of this Code apply to all staff employed by councils in Northern Ireland, arc21 and the Local Government Staff Commission for NI in the performance of their duties on a day-to-day basis including any additional offices to which they may be appointed in their capacity as a local government employee (see Appendix 1, page 162 for a definition of employee/member of staff).

2.1 National Agreement on Pay and Conditions of Service (the National Agreement)

The basic principle is stated in Part 2 paragraph 2, Key National Provisions of the National Joint Council for Local Government Services, National Agreement on Pay and Conditions of Service (the National Agreement):

Official Conduct

- (a) Employees will maintain conduct of the highest standard such that public confidence in their integrity is sustained.
- (b) Local codes of practice will be developed to cover the official conduct and the obligations of employees and employers.

Similar provisions are incorporated in the National Conditions of Service of Chief Executive and Chief Officers.

2.2 Principles of Conduct

This Code builds on, and is in keeping with, the seven principles of public life articulated by the Nolan Committee on Standards in Public Life (established in October 1994) and the four further principles of conduct that have been adopted by the Northern Ireland Assembly, both emphasise that those in public life should practice:

- **Selflessness** – Officers should act solely in terms of the public interest.
- **Integrity** – Officers must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.
- **Objectivity** - Officers must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
- **Accountability** – Officers are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.
- **Openness** – Officers should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.
- **Honestly** – Officers should be truthful.
- **Leadership** - Officers should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.
- **Equality** – Officers should promote equality of opportunity and not discriminate against any person, treating people with respect regardless of race, age, religion, gender, sexual orientation, disability, political opinion, marital status and whether or not a person has dependants.
- **Promoting Good Relations** - Officers should act in a way that is conducive to promoting good relations by tackling prejudice, promoting understanding and respect and encouraging participation between people on the grounds of different religion, political opinion, race, gender, age, sexual orientation and disability.
- **Respect** – Officers should show respect and consideration for others at all time.
- **Good Working Relationships** - Officers should work responsibly with other officers and Elected Members for the benefit of the whole community. Officers' working relationships should at all times be professional, courteous and based on mutual respect.

3.0 CONSULTATION AND IMPLEMENTATION

This Code was drafted and agreed by a working group comprising officers from local government, the Department for Communities, the Local Government Staff Commission and the Trade Unions.

The Code was issued for consultation in February 2020. The Code will be finally revised and issued for implementation with effect from 1 April 2021.

4.0 MODEL CODE OF CONDUCT FOR LOCAL GOVERNMENT EMPLOYEES

4.1 Standards of Behaviour, Impartiality and Conflicts of Interest

Council employees (see Appendix 1, page 162 for a definition of employee/member of staff) are expected to conduct themselves with integrity and honesty in carrying out their duties and must provide the highest possible standard of service to the public. Where it is part of their

duties to provide appropriate advice to councillors and fellow employees this must be done with impartiality at all times.

Employees will be expected, without fear of recrimination, to bring to the attention of the appropriate level of management any deficiency in the provision of service or illegal or unethical conduct (see paragraph 4.14, page 159 - *Raising Concerns* which provides more detail about an employee's responsibilities in this regard).

Responsibility is placed on every member of staff to disclose to an appropriate manager or officer of the council every potential conflict of interest in which he/she may be involved. Employees must adhere to the requirements regarding declaration of interests which are set out in their Council policy on Conflict of Interests and must declare any new interests to the Designated Manager as soon as they become aware of them. They also have a responsibility to advise their new line manager if they change their role/position in the Council. For further information, employees should also refer to the NIAO 'Conflicts of Interest: A Good Practice Guide' and the SOLACE Local Public Services Senior Managers: Code of Ethics

In general employees' private interests must not have the potential for allegations of impropriety or partiality which might bring the Council into disrepute. This includes standards of behaviour outside the working environment where the employee is known to be an employee of the Council. This also extends to the use of social media outside of work, for example, some councils do not allow their employees to state that they work for the council on their personal facebook profile. Further information can be found in the Council's Social Media Policy and Computer Use Policy.

Employees should not use their official position, or information acquired in their official duties, to further their private interest or those of others.

Employees must report to the appropriate manager any impropriety or breach of the terms of this Code.

4.2 Disclosure of Information

The law requires that certain types of information must be available to members, auditors, government departments, service users and the public (see Appendix 1, page 160 for examples). The Council itself may also decide to be open about other types of information.

The Council should therefore make clear to employees:

- the types of information which must be made available, and to whom;
- the types of information which the Council has voluntarily made open, and to whom;
- the types of information which the Council does not wish to be disclosed without specific permission.

The law also requires that personal information held about individuals must be treated in accordance with the General Data Protection Regulation 2016 (GDPR) and the Data Protection Act 2018. Employees must ensure that they process data lawfully in accordance with the data protection principles. The Freedom of Information Act 2000 also gives a right of access to information held by public authorities in accordance with the provisions of the Council's publication scheme.

Employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way. This could be a potentially criminal or fraudulent act.

Any particular information received by an employee from an individual, (including a councillor) which is personal to the individual should be kept confidential, except where such

disclosure is required or sanctioned by law, for example, where an individual shares information which may be a safeguarding issue, this must be shared with the Council Safeguarding Officer and passed on to the relevant agency, or where the individual provides their permission to disclose the information.

4.3 Political Neutrality

Employees serve the Council as a whole. They must serve all councillors equally, and not just those of a particular group, for example the majority/main party, and must ensure that the individual rights of all councillors are respected.

Some employees may be required to advise political groups. In providing this advice, employees should not compromise their political neutrality. Any advice given should be available to all political groups, if requested.

All employees must not let their own personal or political opinions interfere with their work. While the Council recognises and respects the rights of all employees to hold personal or political opinions; employees should ensure that the expression of those opinions does not constitute a conflict of interest for their role within the Council. This does not compromise an officer's rights in relation to collective trade union representation engagement, and lawful trade union activity.

An employee of a council cannot stand, be elected or co-opted as a councillor for the council in which they are employed. An employee may stand and be elected as a councillor in a council different to that which they are employed by (provided they do not hold one of the prescribed offices or employments outlined in the Local Government (Disqualification) (Prescribed Offices and Employments) Regulations (Northern Ireland) 2014.

4.4 Potential Conflict of Interest Situations

As specified in paragraph 4.1, page 152 - *Standards of Behaviour, Impartiality and Conflicts of Interest*, staff are expected to conduct themselves with integrity, impartiality and honesty and their private interests should not have the potential for allegations of impropriety or partiality to be sustained thereby bringing the Council into disrepute.

Appendix 3 on page 163 sets out the Council's Code of Conduct for Employees – Disclosure Form.

In particular attention is drawn to the following examples of situations where potential conflicts of interest can occur.

Relationships with Councillors

Employees are responsible to the Council through its senior managers and in many cases in carrying out their duties they also give advice to councillors. Mutual respect between employees and councillors is essential to good local government.

Employees should deal with councillors in a polite, professional and efficient manner. They should not approach or attempt to influence councillors out of personal or contractual matters, for example, a potential regrading of their post but should use the existing employment procedures within the Council, for example, the Grievance Procedure.

Employees should not report any issues or concerns regarding the operation of the council, which have come to their attention in the course of carrying out their duties, to a councillor. These should be raised with their line manager, or by following the whistleblowing procedures, if appropriate.

This does not compromise an employee's rights as a ratepayer to access and/or question the provision of Council services to them through open and transparent Council procedures, for example, in relation to a planning or refuse collection issue.

Employees should report to an appropriate manager if a councillor attempts to pressurise them to deal with a matter which is not in accordance with Council procedure or policy.

Employees who have concerns about whether there is a potential conflict of interest should raise the matter with an appropriate manager.

Further advice and guidance is given in the Local Government Employee and Councillor Working Relationship Protocol attached at Appendix 3, page 164.

Contact with the Community and Service Users

The community and service users have a right to expect a high standard of professional service from the Council. Employees have a responsibility to the community they serve and should ensure courteous, effective and impartial service delivery to all groups and individuals within the community. Employees should always try to be positive, constructive and inclusive. This may require reasonable adjustments for effective communication with people with disabilities in accordance with the provisions of the Disability Discrimination Act 1995. In addition, the language needs of someone whose first language is not English need to be considered.

Employees also have a right not to be verbally or physically abused by the community and service users. Any incidents should be reported immediately to the employee's line manager.

Relationships with Contractors, Planning Applicants and those applying for Council Grant

All relationships with external contractors or potential contractors or applicants for planning consent or grant must be made known to the appropriate manager. Similarly, any beneficial interest or licence in respect of land which is affected by a planning application must be made known to the appropriate manager.

Employees who are employed within the Planning Department, and who are members of the Royal Town Planning Institute (RTPI), must also adhere to their Code of Professional Conduct ([RTPI Code of Professional Conduct](#)).

Orders and contracts, grants and planning decisions must be decided on merit and no special favour should be shown in the procurement process to any businesses or potential suppliers particularly those run by, for example, friends, persons to whom the employee owes (or is owed) an obligation, partners or persons where a family relationship is deemed to exist (see Appendix 1, page 160 for a definition of 'family relationship').

Employees who deal with, engage or supervise contractors or process or determine applications under delegated powers with whom they have previously had, or currently have, a relationship in a private or domestic capacity, should declare that relationship to the appropriate manager as soon as they are aware and a decision on their suitability to be part of the process should be made and recorded.

Employees must not accept money or any other reward from any organisation, body or individual who may benefit from work or funding provided by the council. To do so would, in law, be corrupt.

Bribery & Corruption

Under the Bribery Act 2010 it is a serious criminal offence to:

- Offer, promise or give someone a reward to induce them to perform their functions or activities improperly.
- Accept, agree to accept or request a reward in return for performing a relevant function or activity improperly.
- Bribe a foreign public official in order to win business, keep business or gain business advantage for the organisation.

4.5 Appointments and Other Employment Matters

Employees involved in appointments should at all times act in accordance with the Local Government Staff Commission's Code of Procedures on Recruitment and Selection (Code of Procedures).

The Code of Procedures at Part D, Stage 2 – Conflict of Interest, page D:52 states:

"Responsibility is placed on every panel member to disclose to an appropriate manager or officer of the council where potential conflict of interest may be present, for example partners or persons where a family relationship is deemed to exist, or if an individual has agreed to act as a referee for an applicant"

and

"Where a potential conflict of interest exists, the issue is not about satisfying the conscience of the individual. Public perceptions and also those of other candidates must be considered and, in such cases, it may be appropriate for the individual to withdraw from the recruitment exercise."

Similarly, employees should not be involved in decisions in relation to discipline, promotion or pay adjustments for any other employee with whom they have a close personal relationship, a person to whom the employee owes (or is owed) an obligation, partner or person where a family relationship is deemed to exist (see Appendix 1, page 160 for a definition of family relationship). For further examples of Potential Categories of Interests see Appendix 1, page 160.

4.6 Outside Commitments

Employees must not have any external business, external employment or external appointment without advising their line manager. Employees should adhere to the requirements regarding declaration of interests (seeking clarification from their line manager if required) if any of the following apply to the business, employment or appointment, and engagement in it would, in the Council's view:

- not be in the Council's interests;
- put the employee in a position where duty to the Council and external interests would conflict, or are likely to conflict;
- weaken public confidence in the impartiality of the Council or in the effective conduct of the Council's work.

Engagement in any external business, employment or appointment will be deemed to act detrimentally to the Council's interests where it may give rise to or contribute to an employee's sickness absence, or deterioration in performance.

Employees should follow the Council's rules on the use of Council facilities including administrative or technical support, ownership of intellectual property or copyright created during their employment.

Employers and employees of councils should be aware of their responsibilities under The Working Time Regulations (NI) 2016.

4.7 Personal Interests

Employees should review regularly their personal circumstances and take steps to deal with any potential conflict of interest (refer to paragraph 4.1, page 152). As soon as they become aware of potential conflicts, employees must declare to an appropriate manager any financial or non-financial interests that they consider could bring about conflict with the Council's interests, for instance:

- membership of an organisation receiving grant aid from the council;
- membership of an organisation or pressure group which may seek to influence the Council's policies;
- membership of an organisation which may seek to influence the performance of an employee in carrying out their duties;
- having a beneficial interest in land which is within the Council's district and is subject to any planning application; and
- having a beneficial interest in a company which is seeking to, or doing business with, the council.

Employees who have an interest, financial or non-financial, should not involve themselves in any decision or allocation of Council services or resources from which they, their friends, persons to whom they owe (or are owed) an obligation, or family might benefit and should ensure that the matter is referred immediately to their line manager.

The Council recognises and respects the right of all employees to become members of organisations. However, employees must declare personal interests where there is, or could be perceived to be a conflict of interest between their duties as an employee and their membership of the organisation.

4.8 Equality Issues

All members of the community, customers and employees have a right to be treated with fairness and equity. In this regard employees must:

- be made aware of their obligations under Section 75 of the Northern Ireland Act 1998 and other relevant equality law and the Human Rights Act 1998 (see Appendix 1, paragraph 4, page 18);
- co-operate with the Council in ensuring a neutral working environment and in the application of any policies agreed by the Council relating to equality issues;
- not take discriminatory action or decisions or encourage or put pressure on fellow employees to take discriminatory action or decisions;
- report any concerns about discriminatory conduct to their line manager or other appropriate employee.

4.9 Separation of Roles During Procurement

Employees involved in funding applications, the procurement process and dealing with contractors should be clear on the separation of client and contractor roles within the Council. All employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.

Employees in contractor or client units must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors. Employees who are privy to confidential information relating to the tendering process should not disclose that information to any unauthorised party or organisation.

Employees contemplating a management buyout should, as soon as they have formed a definite intent, inform the appropriate manager and withdraw from the contract awarding process.

Employees should ensure that, in awarding contracts, no special favour is shown to current or former employees or someone with whom they have a close personal relationship, partners or persons where a family relationship is deemed to exist (see Appendix 1, page 160 for a definition of family relationship) or to businesses run by them or employing them in a senior or relevant managerial capacity. If any such relationship exists, a decision on the suitability of an employee to be part of the process should be made and recorded.

4.10 Fraud and Corruption

Employees must be aware that, under the Bribery Act 2010, it is a serious criminal offence for them to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in his/her official capacity (see paragraph 4.12 below for guidance on *Hospitality and Gifts*).

Employees must adhere to the highest principles of integrity and must comply with all relevant policies in relation to expenses, travelling and mileage allowances.

Employees should also be aware of the Fraud Act 2006 and should refer to the Council's Fraud policy.

4.11 Use of Financial Resources

Employees must ensure that they use public funds entrusted to them in a responsible manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

An employee who, in their role in the Council, is responsible for a budget and becomes insolvent or bankrupt, must inform their line manager promptly.

4.12 Hospitality and Gifts

Employees should only accept offers of hospitality or invitations to attend social or sporting functions where the Council should be seen to be represented. They must be properly authorised and recorded in accordance with the Council's agreed procedure.

If an employee is in any doubt about the propriety of accepting any hospitality, he/she should take advice from their line manager.

When hospitality has to be declined, those making the offer should be courteously advised of the procedures and standards operating within the Council. Offers of hospitality which are declined should also be recorded in the Gifts and Hospitality register.

Employees should not accept personal gifts from contractors, members of the public, outside suppliers and organisations or groups in receipt of funding from the Council, although the Council may wish to allow employees to keep items of token value such as pens, diaries etc in line with the Council policy on Gifts and Hospitality.

When considering whether or not to accept authorised hospitality, employees should be particularly sensitive as to its timing in relation to decisions which the Council may be taking affecting those providing the hospitality, for instance during a tendering period of a contract for which the provider may be bidding.

Acceptance by employees of hospitality through attendance at relevant conferences and courses is acceptable where:

- it is clear that the hospitality is corporate rather than personal;
- any offers of hospitality are reported and agreed by the employee's line manager in

- advance; or
- where the Council is satisfied that any procurement decisions are not compromised.

Where a visit is necessary, to inspect equipment for example, the Council should consider meeting the cost of the visit to avoid jeopardising the integrity of the Council in subsequent procurement decisions.

4.13 Sponsorship - Giving and Receiving

Where an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

Where the Council wishes to sponsor an event or service, neither an employee nor any friends, partners or persons where a family relationship is deemed to exist (see Appendix 1, page 160 for a definition of family relationship) must benefit from such sponsorship in a direct way without there being full disclosure to an appropriate manager of any such interest.

Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

4.14 Raising Concerns

If an employee becomes aware of activities which he/she believes to be illegal, improper, unethical, dangerous or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure (Northern Ireland) Order 1998, in line with the Council's Whistleblowing Policy and Health and Safety Policies.

Any employee raising such concerns need have no fear of recrimination. He/she will be properly supported and the Council will do everything possible to keep the matter confidential.

4.15 Breaches of the Code of Conduct

Any breach by an employee of any part of the Code of Conduct or its supporting policies and guidance may be a disciplinary matter, which could lead to loss of employment. Some breaches of the Code could result in referral of the matter to the PSNI, which could lead to criminal prosecution.

Local Government Employee & Councillor Working Relationship Protocol

1.0 Introduction

- 1.1 The Local Government Act (Northern Ireland) 2014 (the 2014 Act) creates a new environment for Local Government in Northern Ireland. The 2014 Act includes a new ethical framework for local government, a key element of which is the introduction of a mandatory Code of Conduct for Councillors.
- 1.2 The 2014 Act imposes a mandatory requirement for Councillors to observe the Northern Ireland Local Government Code of Conduct for Councillors (the Councillor Code), which establishes mechanisms for the investigation and adjudication of complaints and for appeals. With the exception of Part 9 (Planning), the Code came into force on 28 May 2014 the Part of the Code which deals with planning will come into effect from 1 April 2015.
- 1.3 The Local Government Staff Commission for Northern Ireland is responsible for issuing the Code of Conduct for Local Government Employees (2004) (the Employee Code). In conjunction with the Local Government Reform Joint Forum, the Commission has prepared a revised Code of Conduct for Local Government Employees due to come into effect from 1 April 2015.
- 1.4 Local Government has already established policies and procedures to resolve issues that Employees (for the purpose of this protocol the term 'Employees' or members of staff should be taken to mean any individual employed by a council including those working both full time and part time on a permanent, temporary, fixed term or inward secondment basis. The Protocol also applies to seasonal and casual staff, agency workers and volunteers while they are engaged in carrying out duties for the council), may encounter in the workplace. This protocol does not override any existing Employee policies or legal obligations but seeks to clarify the expected working relationship between Councillors and Employees.

2.0 Purpose

- 2.1 The protocol is intended to set out the working relationship between Councillors and Employees of councils. It relates to all aspects of the working environment, both physical and virtual. The protocol also advises of the steps to be taken to deal with concerns at an early stage to reduce negative impacts upon Councillors or Employees and ensure the prompt resolution of any difficulties which may arise. All issues raised under the remit of this protocol must be dealt with in the strictest confidence.
- 2.2 The protocol should also assist in furthering and developing a harmonious working environment with positive, constructive and professional relationships between Employees and Councillors.

2.3 The protocol reflects the content of both Employee and Councillor Codes of Conduct that demand the highest standards of personal conduct at all times. It upholds the seven Nolan Principles and the additional principles of public life:-

- **Public Duty** - have a duty to uphold the law and to act on all occasions in accordance with the public trust placed in them; to act in the interests of the community as a whole.
- **Selflessness** - should act in the public interest at all times and should take decisions solely in terms of the public interest. They should not act in order to gain financial or other material benefits for themselves, their family, friends or associates.
- **Integrity** - should not place themselves under any financial or other obligation to outside individuals or organisations, which might reasonably be thought by others to influence them in the performance of their duties.
- **Objectivity** - in carrying out public business, including considering public appointments, awarding contracts, or recommending individuals for rewards and benefits, they should make choices on merit.
- **Accountability** - are accountable to the public for their decisions and actions and for the way that they carry out their responsibilities and must submit themselves to whatever scrutiny is appropriate to their office.
- **Openness** - should be as open as possible about the decisions and actions that they take. They should give reasons for their decisions when required and restrict information only when the wider public interest clearly demands it.
- **Honesty** - should act honestly. They have a duty to declare any private interests relating to their public duties and should take steps to resolve any conflicts between their private interests and public duties at once and in a way that protects the public interest.
- **Leadership** - should promote and support these principles by leadership and example in order to establish and maintain the trust and confidence of the public, to ensure the integrity of their council in conducting business.
- **Equality** - should promote equality of opportunity and not discriminate against any person by treating people with respect regardless of race, age, religion, gender, sexual orientation, disability, political opinion, marital status and whether or not a person has dependants.
- **Promoting Good Relations** - should act in a way that is conducive to promoting good relations by providing a positive example for the wider community to follow and that seeks to promote a culture of respect, equality and embrace diversity in all its forms.
- **Respect** - Employees and Councillors are reminded that it is acknowledged that the exchange of ideas and opinions on policies may be robust but this should be kept in context and not extended to individuals being subjected to unreasonable and excessive personal attack. They should keep in mind that rude and offensive behaviour may lower the public's regard for, and confidence in, Employees, Councillors and councils, they should therefore show respect and consideration for others at all times.
- **Good Working Relationships** - Councillors and Employees are servants of the public, and are interdependent upon one another. But their responsibilities are distinct. Employees are ultimately responsible to the Chief Executive¹; Councillors are responsible to the electorate. The working relationship between Councillors and Employees must at all times be professional, courteous and based on mutual respect and trust. Neither party should seek to take unfair advantage of their position. All Councillors and Employees are responsible for ensuring they understand what

[¹ A Chief Executive is also an employee and is ultimately responsible to the Council]

behaviour is required of them, complying with respective Codes of Conduct. Both share a responsibility for understanding sensitivities and feelings of others and avoiding behaviour that could cause offence or distress.

3.0 Conduct of Local Government Employees towards Councillors

- 3.1 Employees must treat all political groups and individual Councillors equally, fairly and remain politically neutral at all times. Employees will provide professional, impartial and effective support, to enable Councillors to fulfil their role, in and on behalf of, the council. Employees will not seek to influence or lobby a Councillor with regards to personal issues.
- 3.2 It is important that there should be good working relationships between senior council employees and Chairs of Committees / Mayors. However such relationships should not be allowed to become so close as to cast doubt either on an officer's ability to deal impartially with other councillors, or the Chair/Mayor's ability to deal impartially with other employees.

4.0 Procedure

- 4.1 In the event that a Councillor wishes to raise either an informal or formal complaint regarding the conduct or behaviour of an Employee, the following process should be followed:

Informal Approach

- 4.2 A Councillor should seek to raise the matter in the first instance with the relevant Head of Service or Director who should seek to resolve the matter with the Employee concerned. The Councillor must not engage directly with the Employee, nor make any attempt to reprimand or discipline the Employee.
- 4.3 If the matter is about the conduct of an Employee at Head of Service or Director level, the Councillor should address their concern to the Chief Executive.
- 4.4 The Head of Service/Director/Chief Executive will undertake to resolve the matter through discussions with the Employee concerned and report on the outcome to the Councillor.

Formal Approach

- 4.5 If the Councillor is unhappy with the outcome of the informal approach or considers the initial complaint to be of a serious nature, they should raise the matter with the relevant Head of Service or Director and make their Party Group Leader, if relevant, aware of the complaint.
- 4.6 The relevant Head of Service/Director (or Chief Executive if applicable), will ensure the matter is investigated according to the relevant council procedures consulting with appropriate human resource sections.
- 4.7 The outcome of the investigation may result in:-
 - no further action being required,
 - a verbal or written apology to the Councillor with an acknowledgement by the Employee that their conduct failed to meet the agreed standard and an undertaking that there will be no recurrence or
 - referral for consideration under the council's disciplinary procedure.

- 4.8 The Head of Service/Director (or Chief Executive if applicable), will write to the Councillor and Group Party Leader, if relevant, advising of the outcome.
- 4.9 The Employee will be informed in accordance with the relevant council procedures.
- 4.10 If the complaint is in relation to the Chief Executive the procedures specified in the Joint Negotiating Committee (JNC) for Chief Executives of Local Authorities or the appropriate mechanism at that time will be followed.

5.0 Conduct of Councillors towards Employees

- 5.1 Councillors' engagement with Employees must be equitable, reasonable, courteous and respectful and ensure that the impartiality of Employees is not compromised. Councillors must abide by their Code and their council's standing orders.

Procedure

- 5.2 In the event that an Employee wishes to raise either an informal or formal complaint regarding the conduct or behaviour of a Councillor, the appropriate support must be provided by their respective line manager and the following procedure should be followed:

Informal Approach

- 5.3 An Employee should seek to raise the matter in the first instance with their relevant Head of Service or Director, providing details of the incident that has occurred. The Employee must not engage directly with the Councillor. If necessary, the Head of Service or Director may involve the Group Party Leader, if relevant.
- 5.4 The Head of Service or Director will undertake to resolve the matter through discussions with the Councillor concerned and report on the outcome to the Employee and the Chief Executive.

Formal Approach

- 5.5 If the Employee is unhappy with the outcome of the informal approach or considers their complaint to be of a serious nature, they may wish to consult with their recognised Trade Union representative, if applicable prior to raising the matter formally (verbally or in writing) with the relevant Head of Service or Director. The Employee and their representative may also raise the complaint directly with the senior Human Resource Employee in the Council.
- 5.6 The relevant Head of Service/ Director, (or senior HR Employee if applicable), will ensure the matter is investigated according to the appropriate council investigatory process.
- 5.7 The Councillor and Party Group Leader, if relevant, will be advised of the complaint and should agree to co-operate with the investigation to establish the facts.
- 5.8 The outcome of the investigation may result in:
- no further action being required; or
 - a verbal or written apology to the Employee with an acknowledgement by the Councillor that their conduct failed to meet the agreed standards and an undertaking that there will be no recurrence.
- 5.9 If the Head of Service/Director (or senior HR Employee), considers that the circumstances of the complaint is sufficiently serious or a pattern of behaviour emerges, they may recommend to the Chief Executive that the matter is raised at a formal meeting with the

Party Group Leader, if relevant. The minutes of this meeting should be presented to the appropriate governance committee for consideration.

- 5.10 The Head of Service/ Director (or senior HR Employee), will write to the Employee (and where appropriate their recognised Trade Union representative) advising of the outcome. If the Employee is unhappy with the outcome, they may request that their complaint be reviewed by the Chief Executive. The Chief Executive will review the complaint and advise the Employee (and their Trade Union representative) of their decision.
- 5.11 The Councillor and the Group Party Leader, if relevant, will be informed in writing of the outcome of the investigation and consideration of further action.

To note: This protocol does not preclude an employee, at anytime, if they think it necessary to write to the Commissioner for Complaints setting out how, in their opinion, a Councillor has breached the Code.

This protocol is the interface between current Councillor and Employee Codes of Conduct, which require the highest standards of personal conduct, including activities on social media, to be maintained at all times.

Part 5 – Members’ Allowance Scheme

Scheme of Allowances Payable to Councillors

Effective from 01 April 2020

The Consolidated Councillor Allowances Guidance, produced by the Department for Communities (LG 23/2016, 14 December 2016), requires the Council to have a Scheme of Allowances approved prior to any payments being made to councillors, to have the Scheme published on its website, when approved and before 30 June each year to publish (on its website) details of the payments made at the end of each financial year.

The Scheme of Allowances is separated into six categories as follows:

1. The System of Allowances
2. Chairperson/Vice Chairperson Allowance
3. Councillors’ Support Services
4. General
5. Claims, Records, Payments and Information

Appendix 1 – Special Responsibility Allowance

Appendix 2 – Dependants’ Carers’ Allowance

Appendix 3 – Rates of Travel Allowance

Appendix 4 – Rates of Subsistence

Appendix 5 – Definition of an Approved Duty

Appendix 6 – Dependant Carer’s Allowance Claim Form

Appendix 7 – Travel & Subsistence Claim Form

1.0 System of Allowances

The Department for Communities (DfC), in exercise of the powers conferred by Section 31 of the Local Government Finance Act (Northern Ireland) 2011, (the Finance Act) has determined in Circular LG 23/2016, 14 December 2016, with effect from 1 April 2016, the maximum amounts of allowances payable under the Local Government (Payments to Councillors) Regulations (NI) 2012 'the 2012 Regulations'. This Scheme takes account of the guidance.

In this Scheme:

- (a) 'approved duty' is defined in Schedule 2, as provided for in the Local Government (Payments to Councillors) Regulations (NI) 2012;
- (b) 'committee member' means a person, not being a councillor, appointed to a committee or a sub-committee of a council, or to a joint committee or a sub-committee of a joint committee, under sections 18 or 19 of the Local Government Act (Northern Ireland) 1972(d);
- (c) 'Department' means the Department for Communities;
- (d) 'Regulations' means the Local Government (Payments to Councillors) Regulations (NI) 2012; and
- (e) 'the Finance Act' means the Local Government Finance Act (Northern Ireland) 2011.

1.1 Allowances for Councillors

Provision is made for payment of the following Allowances to Councillors:

- (a) Basic Allowance (Regulation 4) – to recognise all the time commitment of all councillors, including such inevitable calls on their time as meetings with officers and constituents. It is intended to cover incidental costs.
- (b) Special Responsibility Allowance (Regulation 5) – in recognition of any significant additional responsibilities where the council is satisfied that the councillor has special responsibilities in relation to the discharge of the functions of the Council
- (c) Dependants' carers' allowance (Regulation 6) – in respect of such expenses of arranging for the care of their children or dependants as are necessarily incurred in respect of the performance of any approved duty.
- (d) Travel and Subsistence allowances; Expenses for Official and Courtesy Visits etc; Expenses incurred in attendance at conferences and meetings (Regulation 7) - recompense councillors or committee members where expenditure on travel or on subsistence is necessarily incurred in the carrying out of an approved duty.
- (e) Chair/Vice Chairperson allowance (Section 32 of Finance Act) – an allowance considered reasonable to meet the expenses of those offices.

The payment of Basic Allowance/Special Responsibility Allowance will be reduced by two thirds for those Councillors who are also MLAs, MPs and Members of the House of Lords or MEPs.

1.2 Basic Allowance

Basic allowance is intended to recognise all the time commitment of all Councillors, including such inevitable calls on their time as meetings with officers and constituents, including approved duties (see Appendix 5).

Basic allowance includes £1,061 to cover incidental and consumable costs incurred by councillors in their official capacity, such as the use of their homes, office consumables and the costs of landline rentals, the cost of telephone calls and mobile phone calls.

Aside from an IT connectivity package which includes telephone calls, the Council will not cover the costs of councillor telephone calls or additional data charges.

On request, the Council has discretion to provide councillors with 1 black ink cartridge per year.

Hard copies of electronic documents will not be available as the Council has supplied portable IT readable devices.

The allowance must be the same for each Councillor and no Council therefore may pay more than one basic allowance to a councillor.

From 1 April 2020, Fermanagh and Omagh District Council agreed the payment of an annual basic allowance of £15,486 to each Councillor (LG 07/2021).

1.3 Special Responsibility Allowance

Each Council may also make provision in its Scheme for the payment of Special Responsibility Allowance (SRA), in addition to Basic Allowance, to those Members of the Council who have significant additional responsibilities over and above the generally accepted duties of a Councillor, provided that the Councillor is not getting an external allowance.

In accordance with the Guidelines issued by the Department:

- (a) No councillor should be paid more than one SRA, in circumstances where a Councillor qualified for more than one SRA, only the highest SRA would be paid;
- (b) No more than 50% of Councillors should receive SRA, the maximum number of SRA allowances payable is 20;
- (c) Payment to an individual councillor is limited to one fifth of the SRA maximum rate applicable for the council;
- (d) There should be safeguards to ensure a fair distribution of the duties which would attract an SRA across a representative sample of political parties; and
- (e) Where a Councillor is also a member of the Northern Ireland Assembly, the House of Lords, a Member of Parliament or the European Parliament the amount of any SRA will be reduced by two thirds.

The amount a Council may spend on SRA is determined by the Department and banded by the size of the Council population. Fermanagh & Omagh District Council's SRA amount is £53,065 per financial year (ie population band less than 120,000).

Appendix 1 details the Special Responsibility Allowances payable for the period starting 1 April 2020.

1.4 Dependants' Carers' Allowance

Each Council may also make provision in its Scheme of Allowances for the payment of a Dependants' Carers' Allowance (DCA). This is an allowance open to all Councillors who are the main carers of a dependant where care is required to enable the Councillor to perform an approved duty which is defined in Appendix 2.

The allowance may be paid for a dependant who requires full-time care and who resides with the Councillor as part of that household.

A dependant is defined as:

- a child under 16 years old;
- a child 16 years old or more, where there is medical or social work evidence that full-time care is required;
- an adult with a recognised physical or mental disability where there is medical or social work evidence that full-time care is required; or
- an elderly relative requiring full-time care.

For the purposes of this allowance, a carer is defined as a responsible person over 16 years old who does not normally live with the Councillor as part of that household and is not a parent/guardian of the dependant child.

A specialist carer is defined as a qualified person who is needed where it is essential to have professional assistance. In these circumstances a receipt must be attached to the claim.

The Department determines hourly rates of DCA for both standard care and specialist care.

The rate for standard care is based on the hourly national living wage for age 25 or over, and the rate for specialised care is double the rate for standard care. The Department sets maximum monthly amounts for standard care and specialist care, capped at the equivalent of 52 hours per month.

It is not intended that DCA will reflect the actual costs that may be incurred by a Councillor, but will provide a reasonable amount towards the care of dependants.

Councillors wishing to claim DCA must complete a claim form and sign a declaration.

Councillors wishing to claim regarding specialist care must obtain receipts from the specialist carer and ensure they accompany the claim form.

Councillors may claim only one DCA in respect of each occurrence of approved duty. Only one DCA is payable even if there are 2 or more children/dependants being cared for.

In most cases, to allow for essential travel time, Councillors may claim for a period starting up to a maximum of one hour before the approved duty starts and ending up to one hour after it finishes. In exceptional cases, with the prior approval of the Council, a greater travel time may be considered.

Councillors must disclose any financial support provided under DCA, when applying for other care services offered by another public body.

Fermanagh & Omagh District Council will assist Councillors on request in identifying where they might access advice on caring facilities and services.

Appendix 2 details the rates of Dependants' Carers' Allowance payable for the period starting 1 April 2020 and 1 April 2021.

1.5 Travel and Subsistence Allowance

Travel and Subsistence Allowances recompense Councillors and committee members for expenditure and subsistence necessarily incurred whilst on council business and approved duties. The Council will pay Travel and Subsistence at the rates as determined by the Department and are reviewed from time to time. For overseas travel the Council will use the Overseas Subsistence Rates produced by the Foreign & Commonwealth Office.

Claims for recoupment of costs must be supported by receipts to cover expenditure.

Legal advice indicates that allowances claimed greater than expenditure incurred would be ULTRA VIRES.

It is a condition of the payment of travel and subsistence allowances that the duty for which they are paid has been approved **before** the duties are performed. The Council cannot decide, after the event, that an allowance should be paid.

Travel and subsistence is payable in respect of Approved Duties as defined in Appendix 5. This list will be kept under review.

In circumstances where Members are nominated by external bodies to represent them at conferences, meetings, etc. these will be considered to come within the scope of Approved Duties and will qualify for travel allowances, if claimed, within the terms of the Scheme and are not otherwise reimbursed by the outside body. It is the responsibility of each member to ensure as far as possible that these costs are borne by the external bodies.

In order to protect the Council it is necessary, however, to include a provision that if any of these duties involve travel outside of Northern Ireland, in excess of £100, and the costs are to be borne by the Council, they will require separate approval by the Council in advance. Members should be mindful that any duty involving a combined cost in excess of £300 should be approved by the Council, as should any duty involving an overnight stay. It will be the responsibility of each Councillor to ensure that the appropriate Council approval is obtained, in advance, otherwise no allowances can be paid.

The following travel and subsistence allowances will be paid to Councillors in respect of expenditure incurred:

- public transport fares;
- motor mileage rates;
- supplements;
- taxi fares;
- air fares;
- day subsistence allowances;
- overnight subsistence allowances; and
- car parking.

The amount of subsistence paid will be reduced in respect of any meals provided free of charge. Except in exceptional circumstances air fares, overnight accommodation, etc. will be arranged centrally and invoiced directly to the Council. This will reduce the expenditure Councillors would otherwise have to incur directly and then recover through a subsistence claim.

The current rates of travel allowance payable for travel by private vehicle are detailed in Appendix 3.

The current rates of subsistence are detailed in Appendix 4. The total maximum rates determined will be reduced by the appropriate amount in respect of any meal allowance, for an absence overnight of a period less than twenty-four hours.

All the maximum rates are subject to the production of receipts and no allowance will be paid without evidence of expenditure being produced.

For absences overseas, the Department produce rates of overseas subsistence which are applicable as appropriate.

Other Costs

Actual Expenditure incurred on such items as car parking, train fares, air fares, taxi fares and other miscellaneous expenditure will be recouped, subject to the production of receipts.

The rate claimed for travel by public transport will be paid at economy/2nd class. It is at the Council's discretion to reimburse for seat reservation where considered necessary.

Where no public transport is available, or where the council deems it applicable, a councillor or committee member may be reimbursed the receipted cost of travel by taxi. Where a

councillor or committee member travels by taxi in preference to public transport the amount reimbursed will be limited to what would have been the cost of the equivalent public transport.

Where the council deems a hired car is necessary a councillor or committee member may be reimbursed the receipted cost of the hired car along with the applicable mileage rate.

Where the council deems air travel is necessary the cost of the air travel inclusive of reasonable luggage allowance and seat allocation may be reimbursed.

In addition to the mileage rate for car travel a councillor or committee member may claim the passenger rate for each passenger who is on council business.

Where the mode of transport limits availability of meal options, such as via airplane or train, the reasonable cost of a meal taken, including VAT, may be reimbursed in full. This is in place of the relevant meal allowance.

2.0 Chairperson/Vice Chairperson Allowance

Section 32 of the Finance Act provides that a Council may pay to the chairperson and vice-chairperson of the council such allowances as it considers reasonable to meet the expenses of the office.

- (a) An allowance of £10,000 will be payable to the Chairperson of the Council; and
- (b) An allowance of £5,000 will be payable to the Vice Chairperson of the Council.

These allowances are considered totally separate from SRA allowances and will not be taken into account when considering SRA limits.

3.0 Councillors' Support Services

- (a) Fermanagh & Omagh District Council provides various levels of support services for their Councillors. For example, in addition to general secretarial services, the Council will:
 - provide mobile phones and meet the purchase cost and line rental charge of those phones;
 - in circumstances where a Member wishes to use their own mobile phone plan (excluding charges for calls, data etc.) the Council will contribute £10 per month * claims must be made within 3 months of invoice date;
 - provides portable computers, printers; and
 - pays for the installation of broadband or reimburses the cost of private broadband at £10 per month*; claims must be made within 3 months of invoice date.

* Subject to the production of valid invoices

- (b) On occasion, individual Councillors may use the Council's secretarial facilities to assist ratepayers to deal with an issue that presently is not a function of the Council. In such cases, the scale of the assistance required should be measured carefully and discussed with senior officials of the Council. The following advice, however, may be used as a general guide:
 - Services available in Councillors' party offices should be used in the first instance;
 - Council facilities may, with the agreement of officials, be used for small scale exercises (eg small volume of photocopying); and
 - Under no circumstances should Council services be used for the purposes of party political campaigning.

- (c) The Council is committed to carrying out a review to provide office facilities eg Members library and meeting rooms within The Grange, Omagh and the Townhall, Enniskillen. This review will be undertaken as part of the review of the Estate which will ensure appropriate level of provision is in place.

4.0 General

This scheme may be revoked or amended at any time but there will be no intervening period of time between one scheme ending and a further scheme commencing.

This scheme reflects the requirements of the Local Government (Payments to Councillors) Regulations (NI) 2012 'the 2012 Regulations'. These Regulations are currently being revised by the DOE and it is the Department's intention that new regulations will be consulted on in March 2015.

Part-Year Entitlements - Provisions for part-year entitlement to basic allowance and SRA may be made to include procedures when:

- a scheme is amended;
- a Councillor becomes or ceases to be a Councillor; and
- a Councillor accepts or relinquishes a special responsibility.

(a) **Part-year entitlement provision when the scheme is amended**

If an amendment is made to the Scheme that affects payment of a basic allowance or an SRA, then the scheme may provide for the amounts of those allowances to be adjusted to reflect the period of entitlement.

(b) **Part-year entitlement provision when a Councillor becomes or ceases to be a Councillor**

The Scheme may provide that, where the terms of office of a Councillor begins or ends otherwise than at the beginning or end of a year, the amount of basic allowance shall reflect the proportion of the year when entitlement existed.

(c) **Part-year entitlement provision when a Councillor accepts or relinquishes a special responsibility**

The Scheme may provide that, where a Councillor has during only part of a year such special responsibilities as attract entitlement to an SRA, the amount of SRA shall reflect the proportion of the year when entitlement existed.

Where a councillor, in accordance with section 59(5) or section 60(1) of the Local Government Act (Northern Ireland) 2014, is suspended from carrying out the duties of a councillor, the part of basic allowance, special responsibility allowance and/or chairperson/vice chairperson allowance payable for the period of suspension to the councillor will be withheld.

4.1 Renunciations

Councillors may, if they wish, renounce all or part of their entitlement to basic, chairperson, vice chairperson or special responsibility allowances. They can do this by writing to the Chief Executive. A councillor can subsequently withdraw the renunciation. They can also amend a renunciation (e.g. to limit to one kind of allowance only). The withdrawal or amendment cannot have retrospective effect.

4.2 Councillors' Pensions and Tax implications

It is for councils and councillors to satisfy themselves that their tax, pension and insurance arrangements are in order; where necessary consulting advisers as required.

5.0 Claims, Records, Payments and Information

The allowances detailed under 5.1 – 5.3 below will be paid monthly through the BACS system, direct to each Councillor's Bank Account on the 3rd last banking day of each month. The Council will retain bank detail instructions from councillor and committee members on where their allowances are to be paid. Payslips will be emailed to each Councillor's nominated email account.

5.1 Basic Allowance and Special Responsibility Allowance

No claim is required.

5.2 Dependants' Carers Allowances

An email will be issued to Members at the beginning of each month reminding Members to submit claims for reimbursement. Where possible, all claims must be completed online using the Council's electronic system 'Transfare'. Training will be provided. Members are responsible for providing full detail of all claims and other Approved Duties attended during the claim period and attach invoices/receipts to support subsistence claims.

5.4 Records

Fermanagh & Omagh District Council, or as the case may be, a Joint Committee of which Fermanagh & Omagh District Council is a member, shall keep detailed records of all payments made to Councillors or Committee Members under these Regulations, indicating the amounts paid to each Councillor or Committee Member and the Heads under which they were paid, and such records shall be open to inspection, at all reasonable hours, by any local elector for the District or for the Districts appropriate to the Joint Committee.

Fermanagh & Omagh District Council will provide all statutory returns as requested.

5.5 Information

Individual Councillors may obtain information on any aspect of Councillor's Allowances from the Chief Executive.

5.6 Publication of the Scheme of Allowances Payable to Councillors and Publication of the Payments made under the Scheme
