Bluebell mosaic

Spring brings a spectacular sight to our woods – vibrant carpets of bluebells! Make your own bluebell mosaic by cutting out squares of blue, purple and green paper, and sticking them on this outline.

Mosaic art was very popular in Roman times when it was used to show off a person's wealth and importance!

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
