

PEACE IV Growing Communities: Free Gardening Training

The Growing Communities project is funded under the PEACE IV Local Action Plan for Fermanagh and Omagh District Council. The project offers training, investment and best practice visits for community gardens across the council area, with the aim of making these spaces more open and inclusive for the whole community to enjoy.

The upcoming gardening training sessions under this project are listed below. ****These may be subject to change, so if you are interested in coming along please contact Roisin Grimes to register (details below) – if there are any changes Roisin can then let you know.***
