

Cuilcagh Lakelands Geopark

Event Volunteer

V035

What is an Cuilcagh Lakelands Geopark Event Volunteer?

This opportunity will provide an exciting chance to volunteer at The Cuilcagh Lakelands UNESCO Global Geopark events.

An Event Volunteer will act as a point of contact for event attendees and assist the Geopark Team and guides to deliver a high-quality experience.

Main Volunteering Tasks:

- Act as a point of contact for event attendees and members of the public.
- Assist with providing information and directions to event attendees in a courteous manner.
- Assist in the delivery of emergency procedures as directed by the Geopark Team.
- Raise concerns, signpost and seek advice from members of staff if any problems arise.
- Carry out survey questions with members of the public.
- To comply with all the Council's policies and procedures.
- To undertake volunteering at all times in a manner that enhances and promotes the positive image of Fermanagh and Omagh District Council and the Cuilcagh Lakelands UNESCO Global Geopark

Supervisor:

Development Officer - Cuilcagh Lakelands UNESCO Global Geopark

Location:

Volunteers will assist at events and programmes delivered across the Geopark Area in West Fermanagh and West Cavan.

Dates/ Time of Volunteering:

Evenings, weekdays, weekends and Bank Holidays (when required)

Closing Date: Friday 19th April at 5pm
