Introduction

Fermanagh and Omagh District Council (FODC) recognises and celebrates the rich diversity of linguistic traditions that has helped to shape the history of the District, and that continues to reflect in the variety of languages that are written, spoken, and understood by the District's residents and visitors. Fermanagh and Omagh District Council is committed to protecting, promoting, growing and facilitating the use of Irish Language within its practices and throughout the wider District.

The Fermanagh and Omagh District Council Irish Language Policy intends to protect, promote and enhance the Irish Language within the District. This Policy will function within the broader context of the Council's Linguistic Diversity Policy, Corporate Brand Identity and the Council's Corporate Plan and Community Plan for the Fermanagh and Omagh District.

This Irish Language Policy is complemented by the Fermanagh and Omagh District Council's Irish Language Strategy (2021-2026) and associated Implementation Plan (2021-2024).

66 Our Commitment

Fermanagh and Omagh District Council will enable, encourage and empower communities to learn, share and grow the Irish Language; promote the visibility and use of the Irish Language throughout the District; and work towards meeting the needs and objectives of existing and emerging Irish Language communities and networks.

Reachtaíocht agus Treoir

Is ionann an Beartas agus freagairt áitiúil do bheartais agus tionscnamh éagsúla ar leibhéal réigiúnach, náisiúnta agus idirnáisiúnta. Leis an Bheartas, comhlíontar na hoibleagáidí reachtúla atá ar an Chomhairle agus, ag an am céanna, féachtar le forbairt teanga a chur chun cinn laistigh den Chomhairle agus den Cheantar i gcoitinne.

Dearadh roinnt tionscnamh chun cabhrú le héagsúlacht teanga a chur chun cinn, a chosaint agus a fheabhsú. Is é an beart is suntasaí ina leith sin gur dhaingnigh Rialtas na Ríochta Aontaithe an Chairt Eorpach um Theangacha Réigiúnacha nó Mionlaigh sa bhliain 2001, agus an Ghaeilge á hainmniú mar theanga mhionlaigh i gcomhthéacs Thuaisceart Éireann. Le Cuid II den Chairt, ceanglaítear ar Rialtas na Ríochta Aontaithe an Ghaeilge a aithint mar theanga a bhfuil feidhm ag prionsabal ginearálta an neamh-idirdhealaithe maidir léi i dTuaisceart Éireann. Is maidir leis an Ghaeilge amháin atá feidhm ag Cuid III. Leanadh leis an Chairt a léiriú i dtionscnamh rialtais le déanaí i dTuaisceart Éireann, lenar áiríodh an ‘Straitéis le Forbairt na Gaeilge a Fheabhsú agus a Chosaint 2015 – 2035’ a d’fhoilsigh an Roinn Cultúir, Ealaón agus Fóillíochta sa bhliain 2015.

Cuirfear Beartas Gaeilge na Comhairle i ngníomh i gcomhréir le prionsabail na Cairte Eorpaí um Theangacha Réigiúnacha nó Mionlaigh agus le cleachtas na Cairte araon. Leanfar le cloí leis an Chairt i bhfianaise aon athruithe ar an reachtaíocht de bharr imeacht na Ríochta Aontaithe ón Aontas Eorpach. Déanfar an Beartas seo a athbhreithniú nuair a thabharfar tuilleadh reachtaíochta teanga isteach.

Tugadh aird sa Bheartas fosta ar an reachtaíocht atá leagtha amach in Agusín 1. Féach Agusín 1 le haghaidh tuilleadh mionsonraí.

Aidhm

Tá sé mar aidhm leis an Bheartas seo treoirphrionsabail a leagan amach lena léireofar an tiomantas atá ag Comhairle Ceantair Fhear Manach agus na hÓmaí do chur chun cinn, cosaint, úsáid agus saothrú na Gaeilge a éascú agus a spreagadh. Leis an Bheartas seo, cuirtear leis na gealltanais a thug an Chomhairle chun éagsúlacht teanga agus oidhreacht chomhroinnte a cheiliúradh agus chun comhionannas deiseanna a sholáthar do gach duine a bhaineann leas as a cuid seirbhísí. Leagtar amach ann fosta na hoibleagáidí reachtacha atá ar Chomhairle Ceantair Fhear Manach agus na hÓmaí.

Legislation and Guidance

The Policy represents a local response to various regional, national and international policies and initiatives and meets Council's statutory obligations, while also aspiring to help promote linguistic development within the Council and the District generally.

There have been a number of initiatives designed to help promote, protect and enhance linguistic diversity. Most significantly, in 2001 the UK Government ratified the European Charter for Regional or Minority Languages, with Irish being designated as a minority language in the context of Northern Ireland. Part II of the Charter commits the UK Government to recognising Irish as a language to which the general principle of non-discrimination applies in Northern Ireland, with Part III applying only to Irish. The Charter continues to reflect in recent government initiatives in Northern Ireland and including the Department of Culture, Arts and Leisure (DCAL) 2015, 'Strategy to Enhance and Protect the Development of the Irish Language 2015 – 2035'.

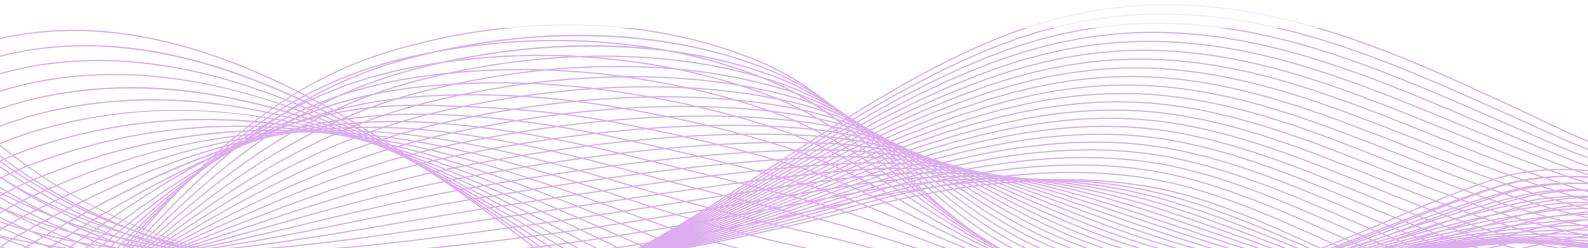

The Council's Irish Language Policy will operate in harmony with both the principles and practice of the European Charter for Regional or Minority Languages. This adherence will continue with regard to changes to legislation due to the United Kingdom's exit from the European Union. This Policy will be reviewed when further linguistic and language legislation is introduced.

In combination, the Policy has taken account of the legislation in Appendix I. See Appendix 1 for further details.

Aim

The policy aims to set out guiding principles that will demonstrate Fermanagh and Omagh District Council's commitment to facilitate and encourage the promotion, protection, use and growth of Irish Language. This policy builds on Council's commitments to celebrate linguistic diversity and shared heritage, and to deliver equality of opportunity for all who avail of Council services. It also sets out Fermanagh and Omagh District Council's legislative obligations.

Reachtanna Cuí agus Treoir

An Chait Eorpach do Theangacha Réigiúnacha nó Mionlaigh 1992.

Sa bhliain 2001, dhaingnigh Rialtas na Ríochta Aontaithe an Chait Eorpach do Theangacha Réigiúnacha nó Mionlaigh, agus an Ghaeilge agus an Ultais ainmnithe mar theangacha mionlaigh i gcomhthéacs Thuaisceart Éireann.

Cuireann Cuid 2 den Chait dualgas ar Rialtas na Ríochta Aontaithe an Ghaeilge agus an Ultais a aithint mar theangacha ar cheart feidhm a bheith ag prionsabail ghinearálta an neamhleithcheala maidir leo.

Chuir an Rialtas a lámh fosta le Cuid 3 den Chait maidir leis an Ghaeilge i dTuaisceart Éireann. Is é atá sa chuid sin ná forálacha faoi leith i dtaobh teangacha réigiúnacha nó mionlaigh in earnálacha éagsúla de shaol an phobail. Mar shampla, déanann Airteagal 10 den Chait tagairt do na dualgais atá ar údaráis áitiúla, comhairlí ceantair san áireamh, maidir le gníomhaíocht dhaingean a spreagadh, a mhéid is féidir, le teangacha mionlaigh a chur chun cinn, lena n-áirítear úsáid na Gaeilge labhartha agus scríofa a spreagadh sa saol príobháideach agus sa saol poiblí araon.

Is é priomhchuspóir na Cairte ná éagsúlacht chultúrtha a chur chun cinn trí theanga mhionlaigh réigiúnach a úsáid i saol a cuid cainteoirí. Is é aidhm na Cairte ná úsáid teangacha mionlaigh a chinntiú, a mhéid is indéanta le réasún, in earnáil an oideachais agus sna meáin chumarsáide chomh maith lena n-úsáid a cheadú i suíomhanna breithiúnacha agus riarracháin, sa saol sóisialta agus eacnamaíoch agus i ngníomhaíochtaí cultúrtha.

Áit a bhfuil an lón úsáideoirí teanga réigiúnaí nó mionlaigh ard go leor, leagann an Chait amach na rudaí is féidir le húdarás áitiúil a dhéanamh leis an teanga sin a chur chun cinn. Go sonrach, luann Alt 10 de Chuid 3 gurb iad seo a leanas oibleagáidí na Comhairle:

Taobh istigh de cheantar Riarracháin an Stáit ina dtugann an lón cónaitheoirí ar úsáideoirí teangacha réigiúnacha nó mionlaigh iad údar leis na bearta atá sonraithe thíos, agus de réir staid gach teanga, gabhann na Páirtithe orthu féin na nithe seo a leanas a dhéanamh, a mhéid is féidir le réasún:

A chinntiú go bhféadfaidh úsáideoirí teangacha réigiúnacha nó mionlaigh iarratais bhéil nó scríofa a dhéanamh sna teangacha sin; Ligeann do na húdaráis riarracháin doiciméid a dhréachtú i dteanga mionlaigh nó réigiúnach; Maidir leis na húdaráis áitiúla agus réigiúnacha sin ina dtugann an lón cónaitheoirí ar úsáideoirí na dteangacha réigiúnacha nó mionlaigh iad údar leis na bearta atá sonraithe thíos, gabhann na Páirtithe orthu féin na nithe seo a leanas a cheadú agus/nó a spreagadh:

Relevant Statutes and Guidance

European Charter for Regional and Minority Languages 1992 In 2001 the UK

Government ratified the European Charter for Regional or Minority Languages, with Irish and Ulster Scots both designated as minority languages in the context of Northern Ireland.

Part II of the Charter commits the UK Government to recognising Irish and Ulster-Scots as languages to which the general principles of non-discrimination should apply.

The Government also signed up to Part III of the Charter in relation to Irish in Northern Ireland. This part contains a series of specific provisions concerning the place of regional or minority languages in the various sectors of the life of the community. For example, Article 10 of the Charter refers to local authorities' duties, and including district councils, encouraging, as far as is reasonably possible, resolute action to promote minority languages, including the facilitation and/or encouragement of the use of Irish in speech and writing in both private and public life.

The overriding purpose of the Charter is to promote cultural diversity through the use of a regional minority language in the life of its speakers. The aim of the Charter is to ensure, as far as reasonably possible, the use of regional or minority languages in education and the media and to permit their use in judicial and administrative settings, economic and social life and cultural activities.

Where the numbers of users of regional or minority languages is such as to justify the measures, the Charter outlines steps that a public authority can take to promote that language. In particular, Part 3 Article 10 details the Council's obligations as follows:

Within the Administrative district of the State in which the number of residents who are users of regional or minority languages justifies the measures specified below and according to the situation of each language, the Parties undertake, as far as this is reasonably possible to:

Ensure that users of regional or minority languages may submit oral or written applications in these languages; Allow the administrative authorities to draft documents in a regional or minority language; In respect of the local and regional authorities on whose territory the number of users of regional or minority languages is such as to justify the measures specified below, the Parties undertake to allow and/or encourage:

Treoir ó Choimisiún Comhionannais Thuaisceart Éireann maidir le Timpeallacht Oibre Mhaith Shíochánta a chur chun cinn 2010.

I ndiaidh don Choimisiún um Fhostaíocht Chothrom comhairle a chur ar fáil, d'eisigh an Coimisiún Comhionannais treoir leasaithe maidir le timpeallacht mhaith shíochánta a chur chun cinn sa bhliain 2010, ag leagan amach fhreagrachtaí na bhfostóirí agus na bhfostaithe araon. Glacann an treoir leis gur féidir le siombailí áirithe, de bharr a staire, a gcineál agus na rudaí a bhaineann leo, dochar a dhéanamh do thimpeallacht mhaith shíochánta. Glacann sí leis freisin go bhfuil siombailí eile ann nach dóigh go ndéanfaidh siad dochar ar bith. 'Ní chiallaíonn sé sin ar ndóigh gur cheart do thimpeallachtaí oibre a bheith i gcónaí saor ó rud ar bith a bhfuil baint níos dlúithe aige le pobal amháin i dTuaisceart Éireann. Is fearr le fostóirí áirithe timpeallacht na háite oibre a chur chun cinn mar spás 'neodrach', ag cur san áireamh stair, chultúr agus chúlra polaitiúil na bhfostaithe. Ar an lámh eile, aimsíonn go leor fostóirí bealaí eile chun déileáil le léiriú féiniúlachta ar bhealach íogair nach gcuireann isteach ar thimpeallacht oibre atá maith agus síochánta. Tá an dá chur chuige inghlactha ach ba cheart iad araon a bheith bunaithe ar roghanna atá réasúnta, cothrom agus cuí san am sin agus san áit sin. Ní mór do gach fostóir a gcuid teorainneacha féin a shocrú'.

Maidir leis an Ghaeilge, deir an dréacht-treoir, 'Níor cheart d'úsáid teangacha eile seachas Béarla, ar lógó corparáideach agus i gcúrsaí cumarsáide mar shampla, cur isteach ar thimpeallacht oibre mhaith shíochánta.' Ag teacht le heilimintí eile den treoir seo, ní mór don fhostóir cinneadh a dhéanamh ar an ábhar seo bunaithe ar bheartais agus nósanna imeachta ábhartha atá réasúnta agus cuí agus i gcomhréir leis an chomhthéacs ina bhfeidhmíonn an eagraíocht. Ní mór do chinneadh ar bith ar an ábhar seo a bheith ag teacht le comhionannas deiseanna.'

TEquality Commission (NI) Guidance on Promoting a Good and Harmonious Working Environment 2010

Following earlier advice made available by the Fair Employment Commission, in 2010 the Equality Commission issued revised guidance on promoting a good and harmonious environment, setting out responsibilities of both employers and employees. The guide acknowledges that while certain emblems and symbols will, by their history, nature and associations, have the potential to disrupt a good and harmonious working environment, others are unlikely to cause disharmony.

'This of course does not mean that working environments must always be devoid of anything that happens to be more closely associated with only one community in Northern Ireland. Some employers prefer to promote the workplace environment as a 'neutral' space given the organisation's specific context and including its history, culture and/or workforce composition. On the other hand, many employers find ways to facilitate diverse expressions of identity in a sensitive way which does not disrupt a good and harmonious working environment. Neither approach is inherently right or wrong, but each should be founded on choices based on what is reasonable, fair and appropriate at that time and in that place. It is for employers to consider where such boundaries should be set.'

In relation to the use of the Irish language, the draft guide states, 'The use of languages other than English, for example in corporate logos and communications, should not in general infringe a good and harmonious working environment. In keeping with other elements of this guidance, decisions on this must rest with the employer and should be based on relevant policies and procedures that are proportionate, reasonable and appropriate to the context in which the organisation operates and be compliant with equality of opportunity.'
