Future Analytics

01 OPP Workshop

Overview

- Workshop conducted with OPP membership and series of breakout sessions looking at Omagh's challenges and issues, opportunities for Omagh, identifying what is unique about Omagh and setting out what Omagh needs.

Key Themes

Increase Economic Growth - more jobs and a wider range of jobs, reverse the brain drain, position Omagh as a spill-over investment region, develop “Brand Omagh”, exploit WFH

Develop Infrastructure – A5, hotel accommodation, affordable housing

Exploit the Natural Environment – the River frontage, proximity to the Sperrins & Gortin Glens; increase green spaces; promote quality of life aspects

Improve Connectivity – town and countryside (leisure & tourism); town and river; urban/rural synergy; active travel plans

Use Educational Opportunities: SW College; new Strule Campus

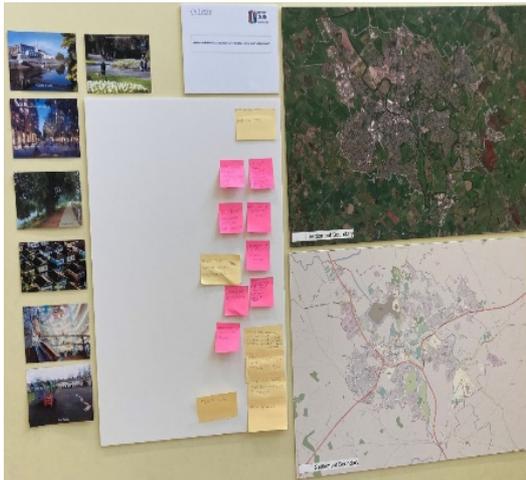

Build on strong community relations - maximise shared spaces, ensure inclusivity, person centred approach – “no one left behind”

02 Drop-in Events

Overview

- Four well publicised drop-in events at key community and public facilities in early March.
- Series of consultation boards and maps with key questions on issues, opportunities and needs.
- Attended by circa 23 people including the public, school children and business owners.

Key Themes
