Your View

Unsound

Soundness Test No:

P2 Has the council prepared its Preferred Options Paper and taken into account any representations made? , C2 Did the council take account of its Community Plan? , C3 Did the council take account of policy and guidance issued by the Department? , C4 Has the plan had regard to other relevant plans, policies and strategies relating to the council's district or to any adjoining council's district? , CE1 The Plan Strategy sets out a coherent strategy from which its policies and allocations logically flow and where cross boundary issues are relevant it is not in

conflict with the Draft Plan Strategies of neighbouring councils , CE4 It is reasonably flexible to enable it to deal with changing circumstances

DE03 sustaining rural communities RCA01 rural community areas

Details

In this new scheme Boho, has lost its existence as a DRC. It is not designated in any way on the new map. It has a community centre, a playschool a primary school with eighty odd children, two churches, a pub, a football club, and a strong community infrastructure. I would contend that it should be designated as a settlement. There are other areas that have been granted this status that are nowhere near as well developed as Boho.

Details

Modifications

Modifications

Boho should be categorised as a settlement.
