Traditional Apache Prayer

Now you feel no rain,
For each of you will be shelter to the other.

Now you will feel no cold,
For each of you will be warmth to the other.

Now there is no more loneliness,
For each of you will be companion to the other.

Now you are two persons,
But there is only one life before you.

May beauty surround you both in the journey ahead
and through all the years.
May happiness be your companion

And your days together be good and long upon the earth
And may you share nothing but joy from this day forward.

Love is Giving

Love is giving, not taking, mending, not breaking,
Trusting, believing, never deceiving, patiently bearing and faithfully sharing
each joy, every sorrow, today and tomorrow.

Love is kind, understanding, but never demanding.
Love is constant, prevailing, its strength never failing.
A promise once spoken, love is time is forever.

A Friendship Blessing

May you be blessed with good friends
May you learn to be a good friend
To yourself and each other

May you be able to journey to that
Place in your soul where there is great
Love, warmth, feeling and forgiveness.

May you treasure your friends
May you be good to them and may you
Be there for them.

May they bring you all the blessing,
Challenges, truth and light that you
Need for your journey.

May you never be isolated; but may
You always be in the gentle nest of belonging.

Love's Philosophy

The mountains mingle with the river
And the rivers with the ocean
The winds of heaven mix forever
With a sweet emotion
Nothing in the world is single
All things by a law divine
In one spirit meet and mingle
Why not with thine?

See the mountains kiss high heaven
And the waves clasp one another
No sister-flower would be forgiven
If it distained its brother
And the sunlight clasps the earth
And the moonbeams kiss the sea
What is all this worth
If thou kiss not me?

Bands of Gold

A precious band of gold was placed
Some fifty years ago
Upon two hearts of tender years
who vowed their love would grow.
The gold was not within the ring.
Nor in their faces fair.
It wasn't in their youth or charm.
But in the love they shared.
The gold was there for them to spend
when silver coins were rare.
It didn't buy them more to have
but taught them how to share.
They spent it on a loving look,
on patience, kindness, trust,
they spent it on the kinds of things
that cannot wilt or rust.
And the wonder of this band of gold,
if you can comprehend,
each time they used their gift of love,
there was that much more to spend.
It brought them trust, it brought them hope,
a tender hand to hold
it brought a blessed and lovely thing
A union, carved in gold.

The Day

May this be the start of a happy new life
That's full of special moments to share
May this be the first of your dreams come true
And of hope that will always be there.
May this be the start of a lifetime of trust
And of caring that's just now begun
May today be a day that you'll always remember
The day when your hearts become one.

"An Irish Blessing"

May love and laughter light your days,
And warm your heart and home.
May good and faithful friends be yours,
Wherever you may roam.
May peace and plenty bless your world
With joy that long endures.
May all life's passing seasons
Bring the best to you and yours.

What is a Soul mate?

If you have found a smile
that is the sweetest one you've known,
if you have heard, within a voice,
the echoes of your own,
if you have felt a touch
that stirs the longings of your heart,
and still can feel that closeness
in the moments you're apart,
if you have filled with wonder
at the way two lives can blend.
To weave a perfect pattern
that is seamless, end to end,
if you believe some things in life
are simply meant to be,
then you have found your soul mate,
your heart's own destiny.

The Key to Love

The key to love is understanding...
The ability to comprehend not only the spoken word
But those unspoken gestures,
The little things that say so much by themselves.

The key to love is forgiveness...
To accept each other's faults and pardon mistakes
Without forgetting, but with remembering
What you learn from them.

The key to love is sharing...
Facing your good fortune as well as the bad, together.
Both conquering problems, forever searching for ways
To intensify your happiness

The key to love is giving...
Without thought of return,
But with the hope of just a simple smile
And by giving in but never giving up.

The key to love is respect...
Realising that you are two separate people, with different ideas.
That you don't belong to each other,
You belong with each other and share a mutual bond.

The key to love is inside us all...
It takes time and patience to unlock all the ingredients.
It is the continual learning process that demands a lot of work...
But the rewards are more than worth the effort...

And that is the key to love.

A Dance by Colin Wicker

A good relationship is something like a dance – built on the same rules. Partners in a dance do not need to hold on tightly because they move in the same patterns, confident in each other. To touch heavily would be to arrest the pattern and freeze the moment – to check if not to stop the beauty of its unfolding. There is no place here for the possessive clutch, the clinging or the heavy hand. Only the barest touch in passing is sufficient to carry the deepest wealth of meaning. Now arm-in-arm, now face-to-face, now back-to-back – it doesn't matter which. As dancers, they know they are partners responding to the same rhythm, creating a pattern together and being invisibly nourished by it. The joy of such a dance is not only the joy of creation: it is also the joy of living in, and for, the moment. The joy of knowing that lightness of touch and life itself are inter-twined.

Oh, the Comfort

Oh, the comfort, the inexpressible comfort of feeling safe with a person;
having neither to weigh thoughts nor measure words but pour them all out,
just as they are, chaff and grain together. Knowing that a faithful hand will
take and sift them, keep what is worth keeping and then – with the breath of
kindness – blow the rest away.

Partnership is More

Partnership is more than standing here side by side,
Exchanging looks full of love, full of pride.
It's more than a ceremony which last just a while,
It's a promise that's shared, it's an intimate smile.

It's a personal bond that you know will not end,
The knowledge that someone your love will defend.
It's a vow of commitment, special and true,
It's a hope and dream of love endless for you.

Always Love Each Other by Larry S Changes

If you can always be as close and as happy as today, yet be
Secure enough to grow and change along the way.
If you can be as one and walk through life hand in hand,
Yet still support the goals and dreams that each of you have planned.

If you can dare to always go your separate ways together,
Then all the wonder of today will stay with you forever.

Love is born with the pleasure of looking at each other, if fed
with the necessity of seeing each other, it is concluded with the
impossibility of separation.

True Love

True love is a sacred flame
That burns eternally
And none can dim its special glow
Or change its destiny.

True love speaks in tender tones
And hears with gentle ear,
True love gives with open heart
And true love conquers fear.

True love makes no harsh demands
It neither rules or binds,
And true love holds with gentle hands
The heart that it entwines.

April 2024

I will be here

If in the morning when you wake, the sun does not appear,
I will be here.
If in the dark we lose sight of love, hold my hand and have no fear,
I will be here.

I will be here,
When you feel like being quiet, when you need to speak your mind,
I will listen.
Through the winning, losing and trying, we'll be together
And I will be here.

If in the morning when you wake, if the future is unclear,
I will be here.
As sure as seasons were made for change, our lifetimes were made for years.
I will be here.

I will be here
And you can cry on my shoulder,
When the mirror tells us we're older
I will hold you, to watch you grow in beauty and tell you all
The things you are to me.
We'll be together and I will be here.

I will be true to the promises I've made to you, and to the one
who gave you to me.

I WILL BE HERE.

Words from a Native American Ceremony

May the sun bring you new energies by day,
May the moon softly restore you by night.
May the rain wash away your worries
And the breeze blow new strength into your being
And then, all the days of your life,
May you walk gently through the world and know its beauty.

Now you will feel no rain, for each of you, will be shelter for the other.
Now you will feel no cold, for each of you will be the warmth to the other.
Now there is no more loneliness, for each of you will be companion to the other.
Now you are two persons but there is only one life before you.
Go now to your dwelling place, to enter into the days of your life together.
May beauty surround you, both in the journey ahead and through all the years.
May happiness be your companion to the place where the river meets the sun.
And may your days together be good and long upon the earth.

Love Is

Learning to give, not always take,
Learning to forgive each little mistake,
Learning to love whatever the cost
Always remember alone you'd be lost.

Trying so hard your partner to please
Trying to save whilst paying the fees,
Trying to smile when things turn out wrong,
Always remember to curb your tongue.

Never think of only yourself,
Never to say you wish you had wealth,
Never to let your temper get hot,
Always be thankful for what you have got.

If you remember all of these things,
You will discover the joy that it brings,
Then you'll have what so many folks miss,
Always you'll have a life full of bliss.

True Love holds the Key

The partnership commitment begins with a promise
That two people lovingly say
And everyday life holds the key to the secret
For keeping this promise each day
A good sense of humour, an unbroken trust
Giving compliments, comfort and praise
And taking some time for the fun things together
In thoughtful, affectionate ways.
A partnership is made up of everyday kindness
And that is the beautiful key
To make every moment of life together
As wonderful as it can be.

In Love or Real Love?

In love brings goosebumps and butterflies
In love is obsessed with the colour of eyes
In love swings like a pendulum, in love rises and falls.

Not so for real love, this is for always.
Real love holds you when you feel alone
Real love is unconditional and enduring
Your best friend always.

Real love sees the wrinkles and loves you more
For they tell a story of a path walked together
In loves washes in and out, like waves on the sand
Real loves strengthens and binds you together
Real love is a choice not a feeling
Choose real love today and forever.

These are the Hands

These are the hands of your best friend, young and strong and full of love for you, that are holding yours on your wedding day, as you promise to love each other today, tomorrow and forever.

These are the hands that will work alongside yours, as together you build your future.

These are the hands that will passionately love you and cherish you through the years, and with the slightest touch, will comfort you like no other.

These are the hands that will hold you when fear or grief fills your mind.

These are the hands that will countless times wipe the tears from your eyes: tears of sorrow, and tears of joy.

These are the hands that will tenderly hold your children.

These are the hands that will help you to hold your family as one.

These are the hands that will give you strength when you need it.

And lastly, these are the hands that even when wrinkled and aged, will still be reaching for yours, still giving you the same unspoken tenderness with just a touch.

The One

When the one whose hand you're holding
is the one who holds your heart.
When the one whose eyes you gaze into
gives your hopes and dreams their start.
When the one you think of first and last
is the one who holds you tight
and the things you plan together
makes the whole world seems just right.
When the one whom you believe in
puts their faith and trust in you,
you've found the one and only love
you'll share your whole life through.

May today be the start of your happy new life
that's full of special moments to share.
May this be the first of your dreams come true
and hope that you'll always be there.
May this be a start of a lifetime of trust
and of caring that's just now begun.
May today be a day which you'll always remember
The day when your hearts became one ...

Celtic Blessing

Treat yourself and each with respect and remind yourselves often of what
brought you together.
Give the highest priority to the tenderness, gentleness and kindness that your
connection deserves.

When frustration, difficulties and fear assail your relationship, as they threaten
all relationships at one time or another, remember to focus on what is right
between you, not only the part that seems to be wrong. In this way you can
ride out the storms when clouds hide the face of the sun in your lives,
remembering that even if you lose sight of it for a moment, the sun is still
there.

And if each of you takes responsibility for the quality of your life together, it will
be marked by abundance and delight.

The peace of the running water to you, the peace of the flowing air to you, the
peace of the quiet earth to you, the peace of the shining stars to you and the
love and care of us all to you.

Everyone searches for that special person
they can share their life with.
The other half who makes them whole,
like two notes blending together to make a beautiful song
or the colours that compliment
each other to form a rainbow.
It is everyone's wish to have a lifetime of sunny days,
a rainbow after every storm;
a lifetime of loving and living and growing and giving
of sharing and caring, a lifetime of days together,
learning from the bad times and cherishing the good times.
Marriage is everything your heart desires
and the strength, courage and determination to work for it.
In marriage you take care of each other's hearts
and hold on to what you share.
You hold it gently so it doesn't smother
and firmly so it doesn't slip away.
Hold it so that it can grow
and you can grow together
and live and laugh and love together always.
