7. Create a password and select REGISTER

The screenshot shows a registration form titled "Register" overlaid on a background image of a stone building by a lake. The form includes the following elements:

- Register** (Title)
- Password** field: A text input with a checkmark icon on the left and a lock icon on the right.
- Confirm Password** field: A text input with an information icon on the left and a lock icon on the right.
- Text: "Passwords can be from 8 to 20 characters long."
- REGISTER** button: A purple button with white text.
- BACK** link: A text link below the button.

8. Registration complete, you can now apply for grants, select View forms
