Fermanagh and Omagh District Council Freedom of Information Act

Bidders should be aware that the information provided in the completed tender and contractual documents could be disclosed in response to a request under the Freedom of Information Act. We will proceed on the basis of disclosure unless an appropriate exemption applies. No information provided by bidders will be accepted "in confidence" and Fermanagh and Omagh District Council accepts no liability for loss as a result of any information disclosed in response to a request under the Freedom of Information Act.

Fermanagh and Omagh District Council has no discretion whether or not to disclose information in response to a request under the Freedom of Information Act, unless an exemption applies. Disclosure decisions will be taken by appropriate individuals in Fermanagh and Omagh District Council having due regard to the exemptions available and the Public Interest. Bidders should be aware that despite the availability of some exemptions, information may still be disclosed if the Public Interest in its disclosure outweighs the Public Interest in maintaining the exemption. Bidders are required to highlight information that they include in the tender documents, which they consider to be commercially sensitive or confidential in nature, and should state the precise reasons, why that view is taken. In particular, issues concerning trade secrets and commercial sensitivity should be highlighted. Bidders are advised against recording unnecessary information.

In accordance with the Lord Chancellors Code of Practice on the discharge of public functions, Fermanagh and Omagh District Council will **not** accept any contractual term that purports to restrict the disclosure of information held by the Council in respect of the contract or tender exercise save as permitted by the Freedom of Information Act. The decision whether to disclose information rests solely with Fermanagh and Omagh District Council

Fermanagh and Omagh District Council will consult with bidders, where it is considered appropriate, in relation to the release of controversial information.

I/we have read and now understand the requirements in relation to freedom of information as detailed on the attached information sheet.
