TSS38

CLARIFICATION NOTICE

Date: 25 July 2019

Question 1

The pricing schedule states that “a quantity of 1 (one) is to be assumed and brought forward to be totalled in the grey box for each LOT”. Is this total based on the Ex-Quarry price only for each LOT?

Answer 1

Suppliers may quote for any or all Lots. All boxes in yellow for each Lot must be completed. These when added together (notional quantity of one for each) will give an overall total in the grey box for that Lot.

Question 2

Section 3 Evaluation of Tenders, Stage 1 Exclusion Criteria provides a link to view the Declarations. When you click on the link it says “Page Not Found”.

Answer 2

This link has now been fixed.
