D. Suggestions for Future Improvements:

1. What improvements would you like to see Fermanagh and Omagh District Council make in the future? (associated list of Council services provided)
2. Further Comment? Please use the following space to provide any further feedback relating to the Draft Corporate Improvement Objectives or future priorities for improvement which you feel should be considered

NB: these are drawn from the online survey and responses received on email.

Suggestions received: What improvements would you like to see Fermanagh and Omagh District Council make in the future? Further Comments.
General <ul style="list-style-type: none">(i) Reduce rates for domestic and commercial properties.(ii) A number of requests for road improvements/footway improvements.(iii) Provision of information in different formats such as easy read and braille. Greater publication of what is happening.(iv) Appoint Disability Champions.
Waste and Recycling <ul style="list-style-type: none">(i) Council should consider promoting a "Refuse, Repair, Reduce, Upcycle" strategy which minimises industrial production. This includes adhering to incoming UK legislation surrounding improved product design.(ii) The Council should support or pilot repair cafés and freecycle centres/working with Terracycle.(iii) We need greater transparency about recycling levels and where the goods end up.(iv) More public recycling bins, removable of black bins.(v) More bins around public jetties, promoting Fermanagh as a tourist attraction for boating holidays and water activities.(vi) Stricter enforcement of what is recycled needs to be implemented; should not have glass in recycling bins.
Parks and Open Spaces <ul style="list-style-type: none">(i) Preservation of already existing wild meadows, trees and hedgerows that occur naturally. More "No Mow May" wild meadows need to be mandated.(ii) A strict reduction in pesticides use on Council land e.g. grass roadside verges and fruit trees needs to be implemented.(iii) Greater fines and deterrents for people/organisations who destroy trees and hedges, especially during the nesting season. This involves implementing and enforcing existing legislation.(iv) Stricter litter and dog litter controls to maintain tranquillity at tourist and beauty spots.(v) Increase in public seating in towns for use by elderly.(vi) Increased funding for street cleansing to reduce weeds on footpaths.
Building Control <ul style="list-style-type: none">(i) Consider reducing/cutting parking prices.(ii) Consider if adequate town centre parking is available in Enniskillen.
Planning <ul style="list-style-type: none">(i) Agricultural buildings e.g. slatted roof houses, should be minimised and absolutely forbidden on hillsides or near streams and rivers. Land drainage should be discouraged in order to preserve natural wetlands.(ii) Less development in rural areas.(iii) Greater environmental controls.(iv) Council should consider the impacts of Fracking as it could put tourism in this area at risk.(v) Concern that Retail and Leisure parks will directly affect town centre economy.

<p>Tourism and Economic Development</p> <ul style="list-style-type: none"> (i) Economic and tourism development outside of Enniskillen and Omagh along with improvement in road network. (ii) Economic Development and Tourism needs to be resourced appropriately and work should be completed collaboratively with relevant stakeholders; adoption of relevant metrics. (iii) Better road structures & less congestion will encourage tourism in itself. (iv) Development of cross border tourism links between South Fermanagh with Donegal and Leitrim. (v) Funding provided to tourism business which offer sustainable options i.e. reusable cups, wildlife sanctuaries etc.
<p>Leisure</p> <ul style="list-style-type: none"> (i) More activity for teenagers. Skate Park, bowling alley. (ii) More inclusive leisure sports, arts and culture facilities for all age groups and religions. (iii) Sports development for an angling hub. (iv) Refurbishment of Ardhowen Theatre.
<p>Environmental Health</p> <ul style="list-style-type: none"> (i) Concerns regarding pollution of waterways.
<p>Community Services</p> <ul style="list-style-type: none"> (i) Youth worker within the council - youth consultations to develop services, activities, events & services which are youth friendly.

RECOMMENDED:

- (i) in light of the high level of support for the four proposed Improvement Objectives for 2021/22 and the respective actions, that these are agreed as outlined in the consultation, subject to the following amendments:
 - Improvement Objective 1, Action 1: Inclusion of the word ‘native’ ie Undertake ‘native’ tree planting schemes to increase woodland and tree cover in the district;
 - Improvement Objective 2, Action 3: amend from ‘continue to work in partnership to deliver the Age Friendly Action Plan’ to ‘continue to increase opportunities for older people to participate in health and wellbeing activities’;
 - A number of amendments to proposed performance measures are agreed as outlined in the final draft Performance Improvement Plan 2021/22.
- (ii) specific comments in relation to existing or future service delivery or improvements are referred to the relevant Director or Head of Service for consideration/attention or, where appropriate, to external agencies.
