Dreamland – by Sophie

I am in a dreamland
In a café owned by a Mouse!
Inside there are lions, lionesses,
monkeys and mockingbirds.

The monkeys are sharing food
Lots of bananas and banana milkshakes
The mockingbirds are singing loudly
The lions and lionesses were playing football.

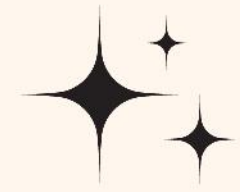

It is so much fun but it's time to go
A banana from the monkey to say thank you.

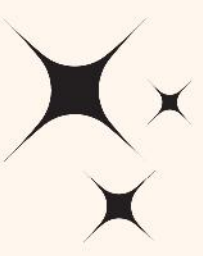

On the Pirate Ship - by Aaron

There are people on the ship
The ship is on the sea.
The Captain is steering the ship to the island
We are eating pizza on the ship
The ship has a pirate flag.
I can see lots of colours.
The sea is blue
It smells like fish.
I feel very proud.

This is me on a ship

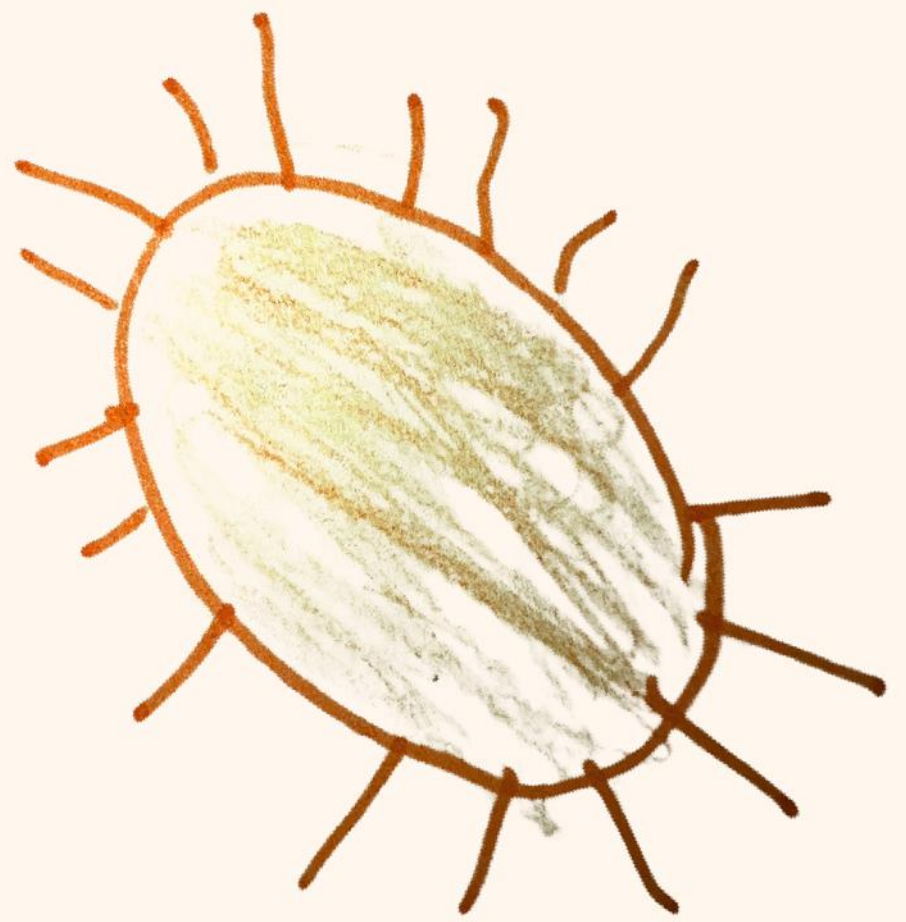

A Day at the Beach

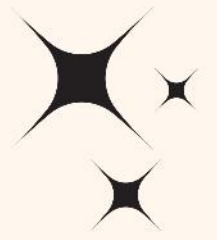

By Tiffany

I'm at Rossnowlagh Beach.
My dog Barney loves going to the beach with me.
The colours are yellow, blue and orange.
The beach smells like rocks, shells and fresh air.
There are lots of sounds on the beach
The sea waving and crashing.
The beach makes me feel happy and excited.
We really want to go back again.

Oh What a Day

By Finn

Roisin and Finn like to go for a walk
It is really nice to have a wee talk.
Finn likes to pick up all that he could find
Sticks, stones and pinecones.

At the end of the day they head for the lake
We cannot forget for goodness sake.
Will it sink or swim on this lovely sunny day
We hope it keeps the rain away
As the sticks and cones slowly swim away
Oh what a day.

The Beach

By Clea

I love the beach,
It's very sunny and hot.
Fun spending time with Mum,
Swimming in the sea.
The sea feels cold
But I feel happy.
Eating strawberry ice cream.
The beach is pretty
Lots of colours
Blue, yellow and green.

A Rainbow in the Sky

By Alfie

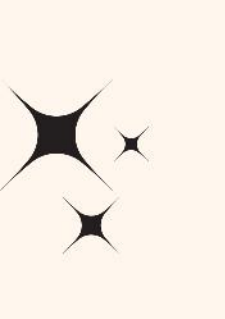

I saw a rainbow high in the sky
Very bright.
Different colours shining.
The rainbow had lots of angry birds
Flying all around in the November sky.
A small house lay at the bottom of the
rainbow
With a black pot of gold coins
Shining bright.

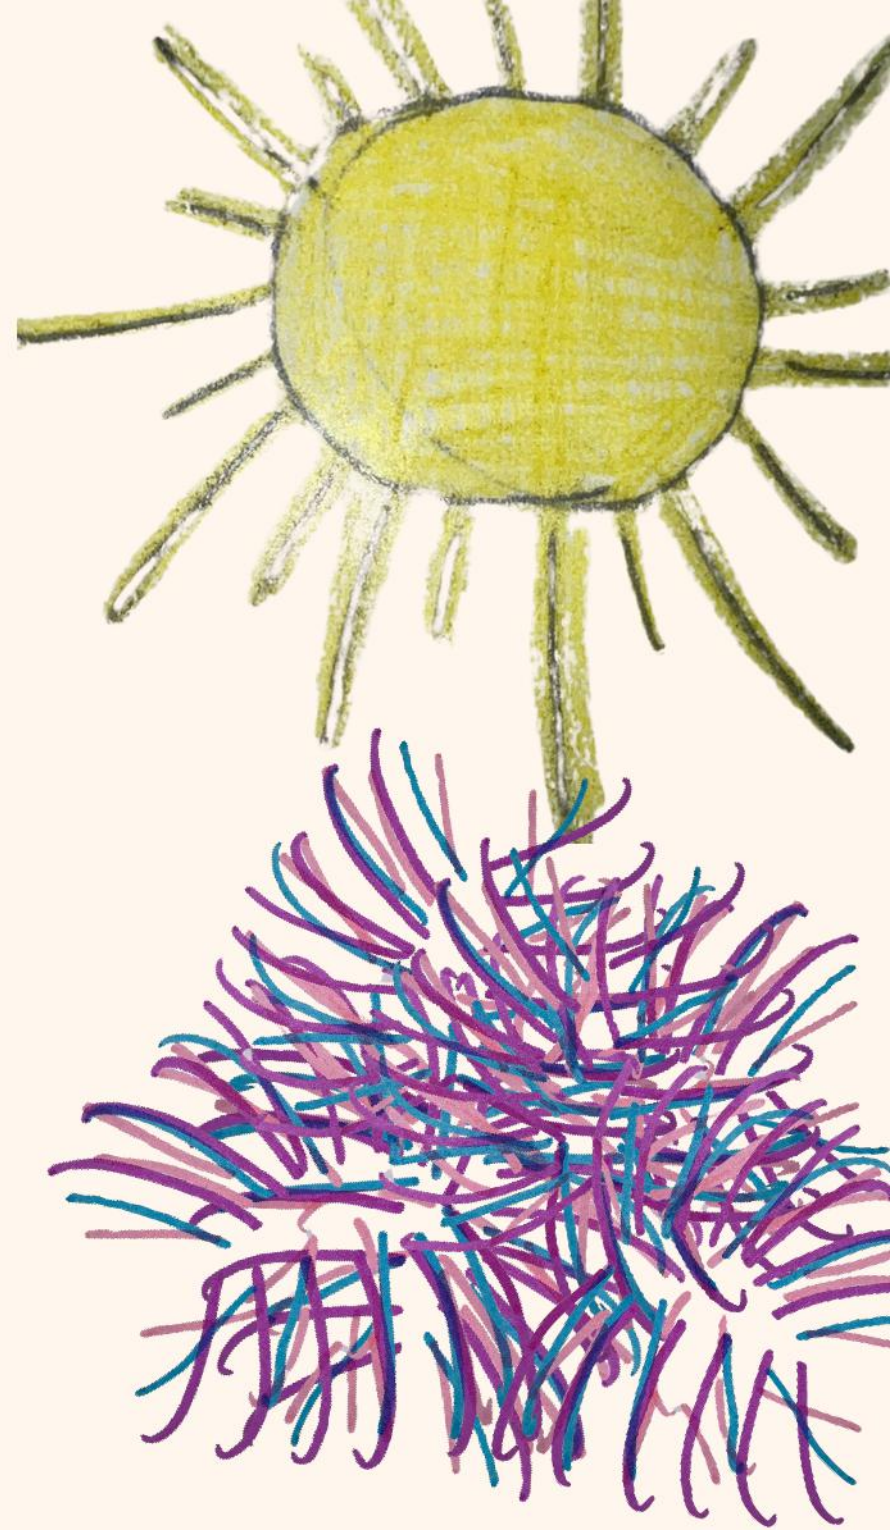

A Day with Friends

By Martha

A day spent with my friends
Let's have some fun!
We went to a place called Trory
And walked over all the green fields.
We looked at the big blue sky
And different coloured trees.
We could hear lots of loud noises
We thought we'd take a look
We see people in danger, we helped.
We finished our walk
I used my superpower to keep my
friends safe.

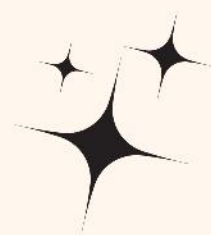

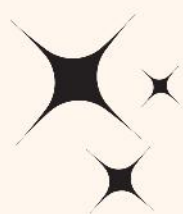

Christmas By Kristianas

It was a cold snowy Christmas
With my Daddy, Mummy and Brother.
We got up early to open presents
And watched Tom and Jerry.
We were so happy
My present was a mindcraft game
To play with my Brother
We sat down beside the gold, red and green tree
My Favourite time of year.

The Zoo By Abbie

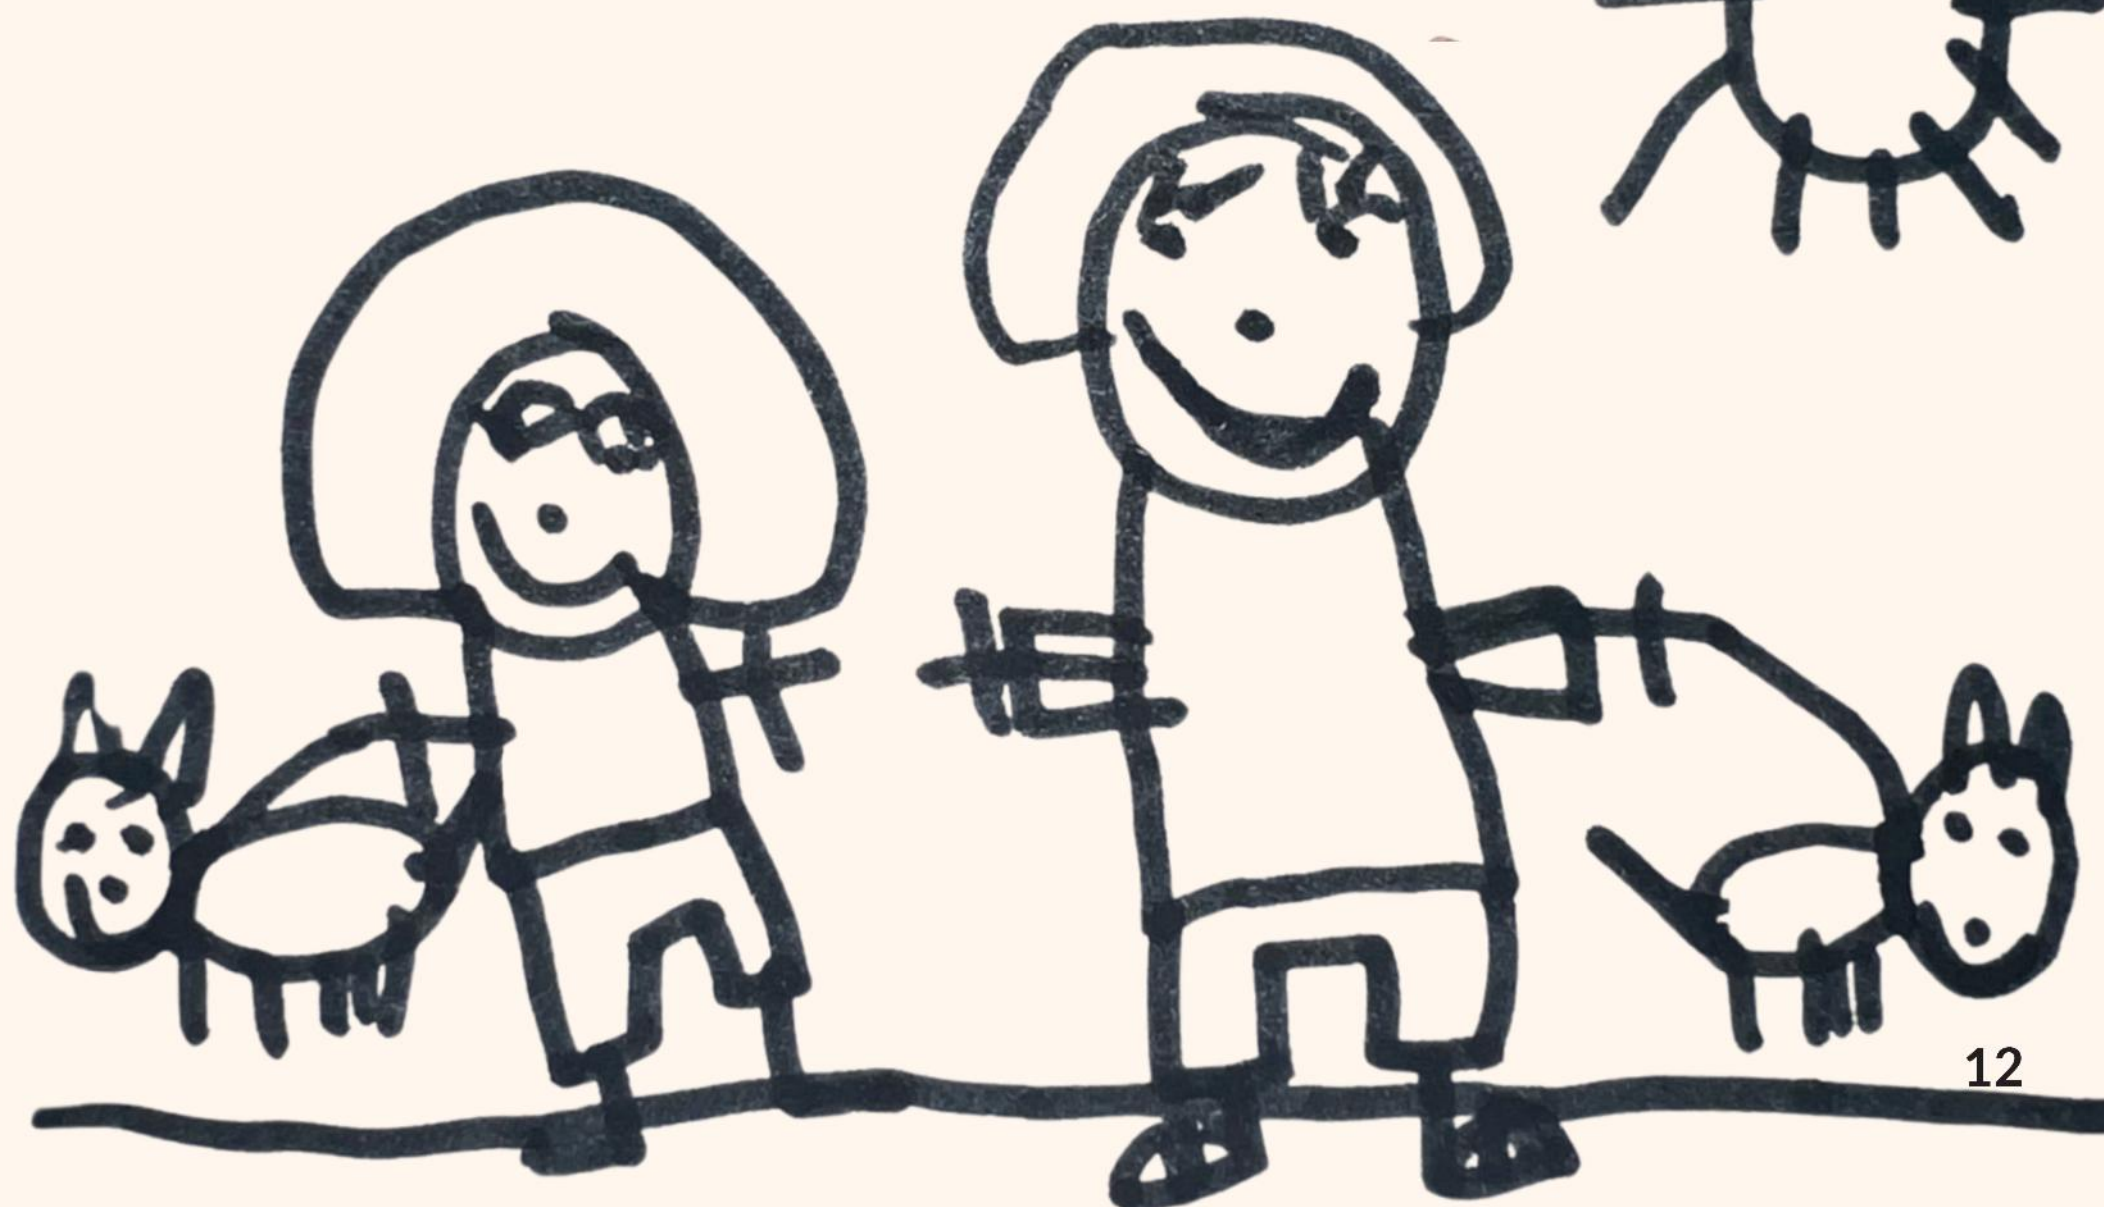

Zoo

Rocky

I took a trip to the zoo
To see lions, elephants and
monkeys.
The monkeys were so funny,
They climbed super high.
The lions were roaring from
inside their dark cave.
The giant grey elephants just
woke up from their long sleep.
I took a big jump into the bright
sky
My cat Snowball ran over
Rocky and Sasha too
They saved the day, my brave
superheroes.

UV By Sunny

I see a lot of pollution in the air quality health index

I see lots of Satellite images

They are blue and green

UV index is 20 extreme

UV index is 14 extreme

UV index is 6 high

UV index is 1 low

Air quality index is 6-7

Air pollution index is 60-90

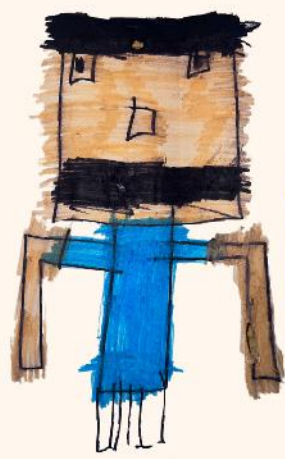

3-5 6-7

The Planets By Jamie

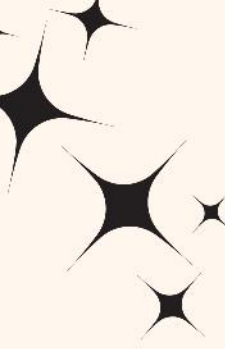

All the planets are different
Saturn has rings made of rocks and ice.
The Sun is a star, yellow and hot.
Titan is Saturn's largest moon.
Neptune is light blue and very cold
It has a great dark spot.
Mars is the red planet
It has two moons.
Space has many stars, planets, moons
and black holes.

Stars can be different colours and sizes;
Blue giants, red dwarfs, yellow dwarfs,
white dwarfs, red giants.
Black holes, white holes, wormholes,
comets and the Milky Way
Comets come from two places
Made of rocks and ice
Like a dirty snowball

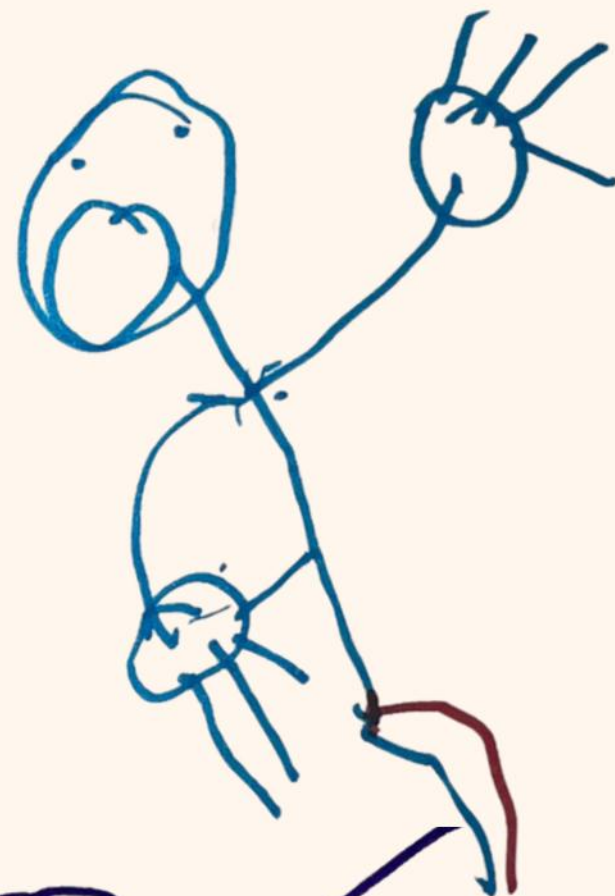

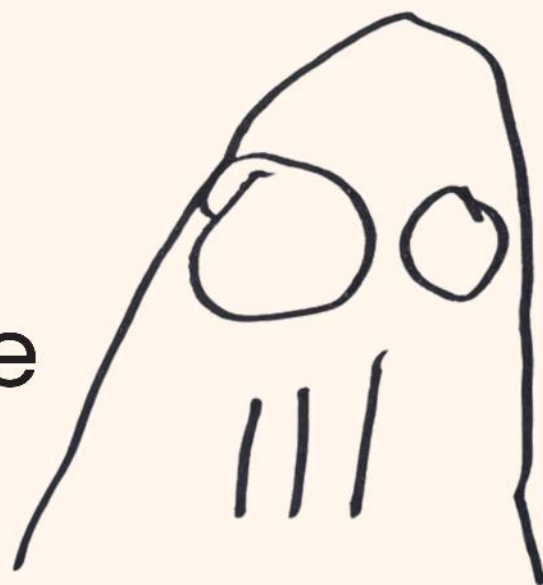

Haunted House

By Oliver

It was August 2023
I saw a haunted house
Full of vampires, ghouls and ghosts.
Dark and scary.
On a dull dark ghost ship
With lightsabers crashing together
They are sharp to touch and smell of smoke
They are like a light in the darkness

Christmas the Elf

By Adam

Christmas the elf is watching everything
When everyone is in bed he starts to move!

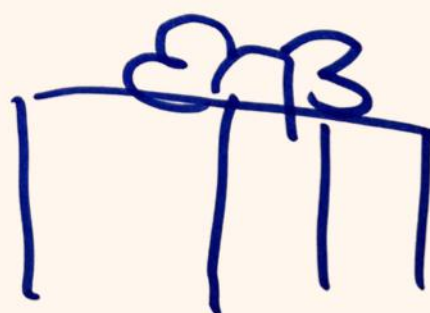

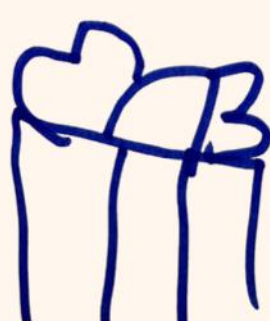

The elf is good
But sometimes he can be naughty
And questionable.
When he moves you could find him anywhere.

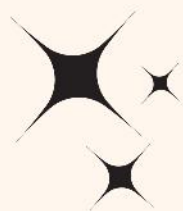

He might hide in places he cannot be seen
Places you already looked.
When it's Christmas Eve
The elf tells Santa how good the children have
been.

Christmas Morning comes
And the elf watches the children
Open their presents.

On December 31st, the elf must say goodbye
And go back to the north pole.

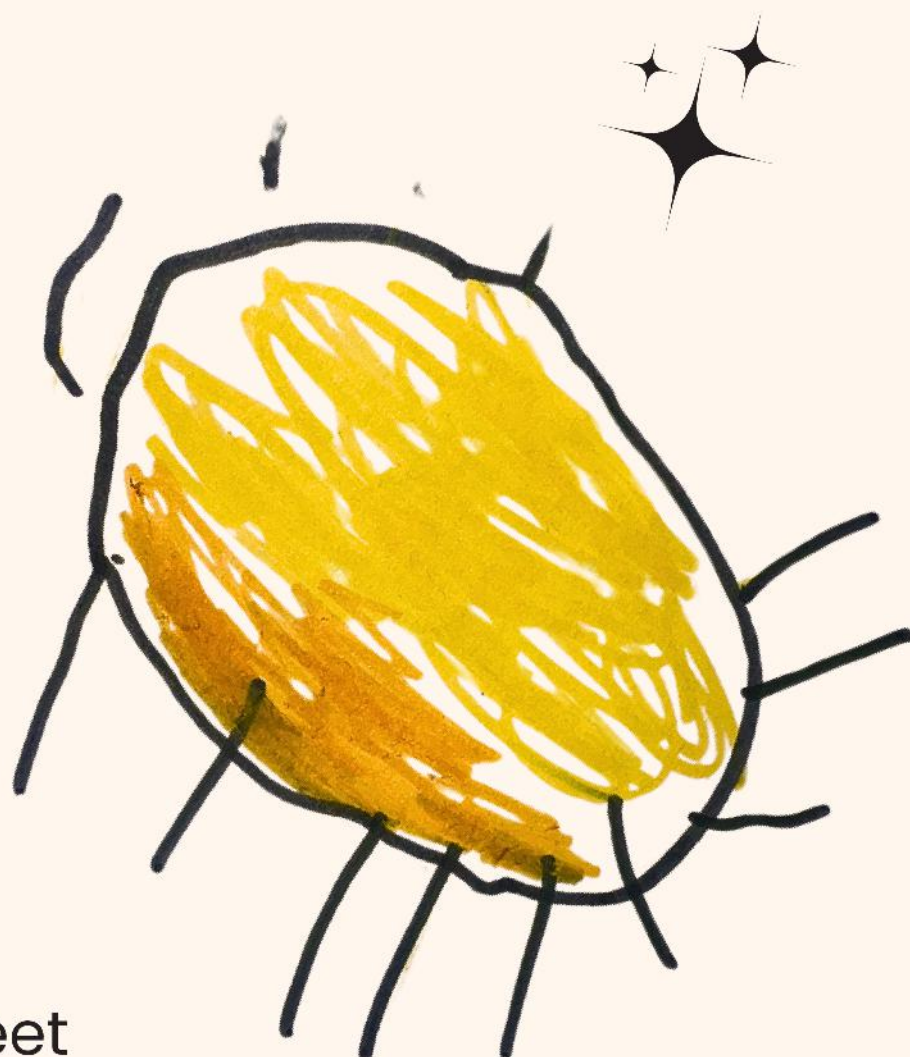

My Kitten

By Dylan

My kitten is soft and nice to touch
My kitten makes lots of noise
My kitten has really orange fur
My kitten is very cute
My kitten smells like kitten food
My Kitten likes to play and bite my feet

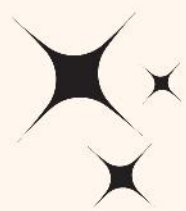

My Adventure By Ryan

Adventures in the forest
Camping with my family
I have lots of good memories.

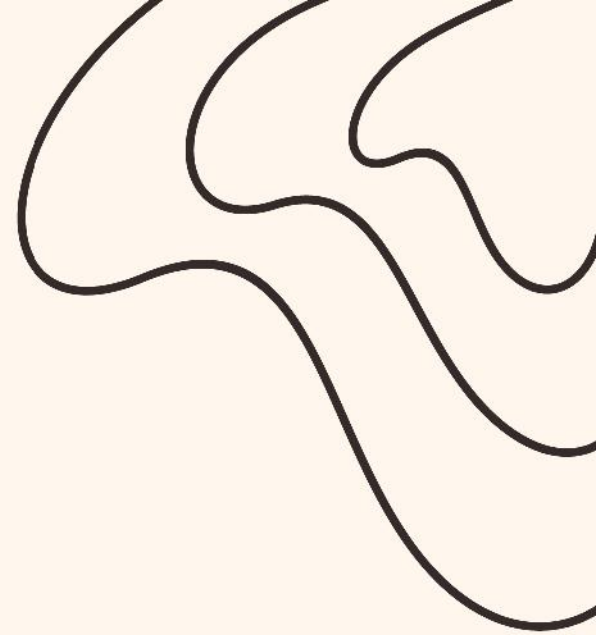

A lovely day
The sun is shining.
I can hear the sound of children playing.

The mountains look very high
Lots of sheep on the very top eating grass.
I felt happy that day.

Thank you

Well done to all the pupils
involved
